Intramural Heroics and Hysterics
Wow! Is my face red? A Signal Corps boy is having a heavy "bleed" at me... In their game with G Field which the Field boys won 52-5, I reported the Signal Corps boys as having a score of 2. O.K., fellows. Here are your three extra points... Andy Anderson of F Engineers, whose organization won the cross country last year, officiated at the meet this year... after heavy pencil pushing, Andy's organization still came out second...
