Lafayette, Indiana; Bradley Polytechnic Institute on January 1, at Peoria, Illinois; Oregon State college on January 2 at Springfield, Illinois; and Washington university of St. Louis on January 3 at St. Louis, Missouri.

Coach Matry Karow, Captain Bill Henderson, Slates Holder, and Pete Slaughter will not be present for the first three games of the northern trip as they will be tied up with the matter of the Cotton Bowl grid game in Dallas on New Year's Day.

Immediately after the Cotton Bowl game, Karow and Henderson and possibly the other two men will fly to Springfield, Illinois, to be with the squad when they meet the Oregon State cagers. The West Coast team will be returning home from a tournament in Madison Square Garden in New York and will stop over to meet the Aggies in Springfield.

Freshman Coach Manning Smith will be in charge of the squad until Karow arrives after the Cotton Bowl Game. Karow will then pilot the team in the remainder of the games. After the conclusion of this series, the Cadets will return to Texas to go into their Southwest Conference schedule opening against the Texas U. Longhorns on January 10.

Liberal Arts Colleges Due for Decline Soon

Lexington, Ky. (ACP)—Half the liberal arts colleges in the United States will be out of existence in 10 years, predicts Dr. Raymond M. McLain, president of Transylvania college.

Increased taxes and the diminished rate of return from investments will bring about the change, he says.

Musical Meanderings

By Murray Evans

Hectic is the word for the experiences of Jack Leonard these past few weeks. Leonard, it will be remembered, was until recently Tommy Dorsey's ace vocalist. First a corporal and then a sergeant in the Army, Jack was released two weeks ago on his 28th birthday and was promptly booked at the Brooklyn Strand Theater where he made a smash hit. The same day he was notified that New York university had voted him the outstanding vocalist of 1941. To make the day perfect, he signed a contract which will put him on the air regularly every week.

Lovers of the trombone should hark to the Bobby Byrne band. Byrne himself possesses the best

'slip-horn' tone in the business, not barring T. Dorsey the Great, either. It is this writer's considerable belief that Bobby will hoist himself to the very top of the popularity heap during 1942. His self-styled "Byrne and His Trombones" (five of them) do the neatest bit of harmonizing to date on their theme, "Danny Boy."

After all, is there anything prettier than trombone ensemble work? Saxophones can't touch it. The instrument just hasn't been made.

Dr. F. Alton Wade of Miami university was chief scientist of the recently returned Byrd Antarctic expedition.

CAMELS PRINCE ALBERT

CAMELS

There's an added pleasure in giving Camels at Christmas. You know your gift will be so genuinely welcome. More smokers prefer Camels than any other cigarette. And that preference holds for men in the Army, the Navy, the Marines, and the Coast Guard, too! So remember those lads in uniform...remember all the cigarette smokers on your list...with the cigarette of costlier tobaccos—Camels. Your choice of the package of four flat fifties or the popular Camel carton.

PRINCE ALBERT

If he smokes a pipe, a big, long-lasting pound of cool-burning Prince Albert spells smoking pleasure 'way into the New Year... at camp, on ship, at home. Prince Albert is choice tobacco, "no-bite" treated for mildness and "crimp cut." It's the National Joy Smoke. There's no other tobacco like it. Your local dealer has two handsome Prince Albert "specials"... the pound tin (left) or the special glass humidor jar. Get yours today.
