# Many Religious Leaders Are Expected

## Eleven Ministers of Various Churches Will be Speakers on Week's Program

Religious week will begin Sunday morning with the opening program being conducted by Dr. George W. Truett in the College Station Baptist Church. Other religious leaders will speak at the various churches at Bryan and College during the week.

Father Ernest Michalka, who is to be here under the auspices of the Catholic Church, was a student of A. & M. He became a priest two years ago after completing his Seminary course at St. Mary's, LaPorte, Texas. He is especially interested in youth work and athletics. He is coach of basketball at St. Anthony's School and Pastor of the St. Anthony's Church, Beaumont.

Father H. Vincent, pastor of the St. Mary's Church, Hemstead, will also work among the Catholic students on the campus.

Rev. Burton Coffman, minister of the Church of Christ of Houston will speak at the Church of Christ each night. Young Coffman is a splendid singer and is vitally interested in the problems of youth, yet experienced enough to be a wise counsellor and has an extraordinary knack of making friends.

Rabbi Sanders A. Tofield has been with Congregation Adath Yeshurun in Houston since 1934. He was ordained at the Jewish Theological Seminary of America in New York City. He is the former president of the Kallah of Texas Rabbi and the Southwest Conference of Jewish Religious Schools. Rabbi Tofield has addressed A. & M. groups on several previous occasions.

Rabbi Robert I. Kahn, Temple Beth Israel, Houston, will talk before the Hillel Club Sunday evening on the subject "The Social Outlook of the Bible and Talmud."

Rev. J. W. Bill Marshall, Baptist Student Secretary of Texas, will be on the campus for the first part of Religious Emphasis Week. "Brother Bill," as he is known to hundreds of students throughout the South, received degrees from Kansas University and the Southwestern Seminary at Fort Worth. It was while he was in an army camp in the Southwest

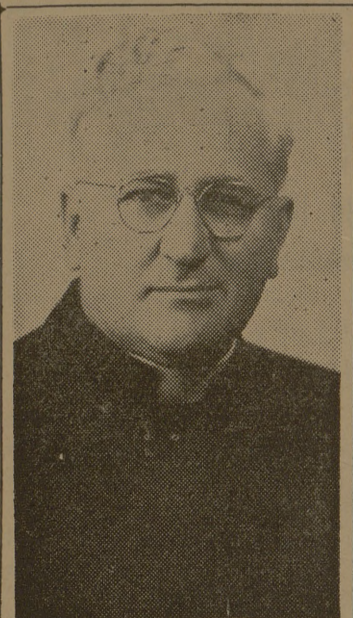

that he decided to give his life to religious work.

Recently Rev. and Mrs. Marshall spent several months in China and the Orient studying student conditions and speaking before student groups. They brought back with them many interesting colored movies of their trip which they have shown to Baptist students in many states of the South. Marshall has been instrumental in raising considerable sums of money for Chinese relief.

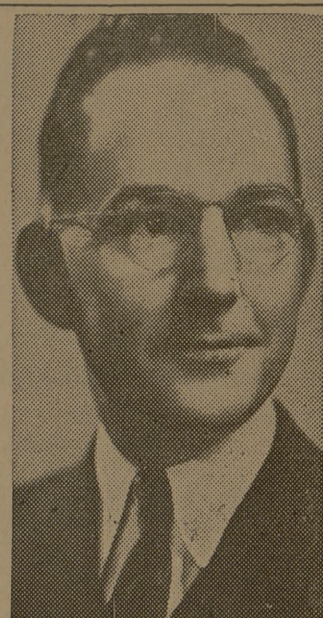

Rev. Gordon M. Reese of Houston, Executive Secretary of the Army and Navy of the Diocese of Texas, and president of the Houston Ministerial Alliance, will be here next week to work among the Episcopal students on the campus. Reese has been active with young people for many years, being one of the pioneers in establishing the work of the Young People's Service League of the Church and also being instrumental in the establishment of Camp Allen, the Episcopal Camp on the bay.

The Rev. J. Thomas Bagby, rector of the St. James' Church of Houston, will also be here to work with the Reverend Hauser and the Episcopal group. He is a comparatively young man himself, but has had much experience working with young people in conference groups and camps.

L. O. Byerly, pastor of the Carson Street Christian Church of San Antonio and father of Richard Byerly, a student in A. & M., will be on the campus during Religious Emphasis Week as guest of the Christian Church of Bryan. He will speak at the Church in Bryan Monday and Wednesday evenings at 8:00. He will preside at a rally for the First Christian Church boys of the campus on Tuesday evening on the second

floor parlor of the Y.M.C.A. Mr. Byerly does religious work at Fort Sam Houston, being an excellent singer as well as preacher.

Rev. Paul Brooks Leath, a ministerial student at the Southwestern Baptist Seminary, Fort Worth, will arrive on the campus Wednesday evening to be with the Baptist students. Leath has been very popular with the students on previous visits to the campus. He is a singer and charms all who hear him with his unusual ability to play the piano. One of his prize possessions is a pair of white Ag-

gie coveralls which he wore on the Baylor University campus while a student there.

Rev. Caradine R. Hooten, pastor of the Tyler Street Methodist Church, Dallas, will preach at the A. & M. Methodist church each evening at 8:00.

## DISTRACTIONS

(Continued from Page 2)  
It leaves something to be desired in a dissatisfying sort of way. Don't stir up a lot of excitement with energy that he expends making love to Miss Bennett and getting his news stories, but that is all that happens.

"CITIZEN KANE," the Orson Welles brain-child, is showing at the Campus today. It is the life story of Charles Foster Kane, the world's third richest man. It was voted the best picture of the year recently.

## Legal Notices

On Tuesday, April 7, 1942, there will be held in the City of College Station, at the Missouri Pacific Station, an election to fill the offices of Mayor, five City Councilmen, and City Secretary. By a recent ordinance the City Council provided that the City be divided into three wards, and that two Councilmen be elected from each ward in the next regular election, one Councilman to serve for two years, and one Councilman to serve for one year from each of the wards.

Since two Councilmen were elected last year for two year terms from Ward 1, the Council has ordained that one of these Councilmen, Mr. George Wilcox, will continue to serve during the entire period of two years for which he was elected. The new Councilman to be elected from Ward 1 will serve for the two year term. Councilmen from wards 2 and 3 will cast lots to determine which will serve the one and two year terms.

Candidates must have the endorsement of at least 15 qualified voters and the candidacy certified to and filed in the office of the City Secretary at least thirty days before the election. No names will be printed on the ballot in any case where the candidacy has not been properly endorsed and filed thirty days before the election.

Ward No. 1 includes all of that part of the City lying south of the south boundary of the A. & M. College Campus, west of the new State Highway No. 6, and east of Montclair Avenue.

Ward No. 2 shall include all of that part of the City lying east of the new State Highway No. 6.

Ward No. 3 shall include all of that part of the City not included in the above described wards No. 1 and No. 2.

All of the above officials serve without pay.
