## DISTRACTIONS

**Haley's troubles begin.** They enlist Ann's help in keeping Homer interested in Hawaii rather than Iowa.

**The Navy Blues Sextet** plus Sheridan and Raye provide throughout the story some excellent musical numbers. They help to slow down the rough-house tactics somewhat and are not at all uninteresting. It is entertaining nonsense of the first class.

## KYLE FIELD

**don't want to put Lil on the spot**—yet . . . the freshman mile relay team showed some fast stepping in outpointing the Varsity this past Saturday . . . Larry Wolf, showed much promise . . . Emerick Labus, soph dashman, promises to develop into a great runner . . . Watch him! . . . the guy making all the noise at the Sports Day program was G. B. (Silent) Winstead of the Publicity Department . . . Felix Bucke proved that he was the fastest lineman and Cullen Rogers the fastest back in the 50 yard dashes . . . The T Club will put on its benefit show Thursday . . . the picture is Beau Geste.

## GRIDSTERS

two are Wayne and Felix Bucke plus Johnny Davis and Ed Ogdee, four gridsters who have shown much promise.

Last year's main concern may be one of the strongest points this year. The pivot post, which caused Coach Norton so much worry last year, is led by All-Conference Bill Sibley, Understudy Leonard Holder, who is one of the most improved players of the spring session, and A. J. Mercer.

And now finally the backs. Indications point to a more potent running attack next fall with an equal emphasis on the aerial attack. "Lightning" Leo Daniels has been the sparkplug of the team throughout the spring training. His cocked arm has completed pass after pass while his shifty hips and legs have gained chunks of yardage in scrimmages.

**Bob Williams, Surprise**  
Surprise of the 30-day training period, however, has been the consistent work of diminutive Bobby Williams, who time after time, has broke away for long gains against the Reserves.

"Bobby will undoubtedly prove a valuable cog in our plans," Norton stated. "He is the only back on the field who has shown ability to play all four positions.

The job of making the Aggies a potent running game rests on the shoulders of Jake Webster, place-kicking artist, and Ed Sturcken, 220 lbs. of smashing granite. Webster has taken up where he left off New Year's day with a running drive and ability that he has not previously shown. Sturcken, hurt most of the spring training period, came into his own last Saturday afternoon when his hurtling drives tore the Reserve line apart.

"Strucken may not be the best back on the field," Norton added, "but I dare say he has more natural ability than anyone we have. He'll see much action next year."

**Fish Backs**  
Outstanding among the freshmen backs have been Vernon Bellville and George Wilde, serial specialists; Jennings Anderson, Dick Haas and Barney Welch, fast stepping gridsters; and Otto Payne and Ed Dusek, line-ramming full-backs. Wilde has been especially brilliant and is expected to be in the thick of things next September.

And that's the story of Norton's coming team.

Barring injuries, draft, or any other unforeseen circumstance, the '42 edition of Homer Norton's cadets is destined to take the place of other Aggie great eleven, and show the same spark, fight, and hustle, so reminiscent of recent championship teams.

## Maintenance Due Before March 5

Students are reminded by the fiscal department that their maintenance will be due next week. The time for paying fees will be from March 2 to March 5, and they must be paid by this latter date to prevent student's being dropped from the rolls of the school.

The fees paid at this time will total \$32.70 and will pay the student's maintenance up until April 9. The individual items are \$6.00 for room rent, \$24.15 for board, and \$2.55 for laundry.

J. Thomas Babgy both of Houston are spending each night visiting the Episcopal students in the dormitories. Rabbi Robert Kahn II, of Houston, spoke Sunday night to the Hillel Club in the Y. M. C. A. parlor.

Services of Religious Emphasis Week will continue throughout Friday of this week. Program in Guion Hall today will begin at 12. Prof. Ewell Porter and his Cappella from the Stephen F. Austin High School of Bryan will furnish the music preceding the message by Doctor Truett. Marjion Lyles will play the organ at all the services in Guion Hall. Students should not forget that excused absences from all classes will be granted to all who wish to attend these programs.

## Aggie Scouts Will Scout Denton Talent

Three talent scouts will leave for Denton tomorrow to attend the TSCW annual stunt night and arrange for the best performers to come to A. & M. for a future Kadet Kapers program. Those going are Richard W. Jenkins, director of Kadet Kapers; Tom Gillis, Cadet Colonel; and J. O. Bartlett, business manager of the Singing Cadets.

The TSCW All-College stunt night is an annual affair in which each of the four classes presents a stunt before an audience of teachers, local citizens and students. The stunts will be judged on the basis of originality, integration of story and lyrics, music, design in costume and setting and general effectiveness. The winning class will receive a silver loving cup and arrangements will be made to have them perform at Kadet Kapers.
