### The Worm Turns—Aggies Finally Hit Winning Streak Against Texas University

What a sweet victory that was Tuesday night at the DeWare Field House! After continually suffering defeats administered by Texas university in various sports it does seem that the worm has finally turned. Since that "Kyle Field disaster" last Thanksgiving, the wearers of the Maroon and White have won three of four

games from Texas. They were defeated in Austin by the Steer cage team at the start of the year, but found consolation in the Aggie swimming team which racked the Longhorn tankers for their first win in 10 years over T. U. And now, finally, Coach Marty Karow's boys deemed it a necessity to continue the procedure set so admirably by the swimming team.

### Referees Boggless and Kiersky Had Big Job on Hand in Thursday's Rough Game

Speaking of the basketball game, it was one of the roughest of the season. Twenty-nine fouls were called, and that certainly didn't do Referee Dusty Boggless and Bob Kiersky any good. Both had a tremendous job on their hands, but did as well as could be expected. Brother, when you get a couple of teams like Texas and A. & M. on the floor together you don't need a referee—you need a bouncer.

Much of the fans' boing was certainly unnecessary but that can be explained by the fact that the crowd was tense and excited. Many times throughout the game, the multitude of Cadets would boo on a foul called by the referee, but

would change their tune when they found out that the foul was called on a Texas man. It just goes to show that many of the boys don't know what they're shouting about.

The game itself can be summarized as an excellent one from the spectators viewpoint, but a poor one when it comes down to concrete basketball. Sure, it was exciting and thrilling, but that still does not give away the fact that both teams overshot the basket on numerous occasions, neither could hold onto the ball when they got it, and each fouled the other too much. Either probably would have been easy prey for Rice or Arkansas that night.

# Ags Meet Flyers in Doubleheader Today

## Wednesday's Tilt Postponed Because Of Dreary Weather

With the game scheduled yesterday between the Texas Aggies, coached by Lil Dimmitt, and the Sheppard Field Flyers, mentored by Marland Jeffrey, A. & M. '41, called off of rain, a doubled header is on the calendar for this afternoon at 3:30 p.m. Central War Time.

The Cadet team officially began working out last Sunday and have not yet been able to bring out a well-balanced team this early in the year. The double-bill this afternoon will be an opportunity to see the prospects of the team in action.

John Scoggin, Aggie captain and catcher, was of late an outfielder but with the increasing need of a catcher he was moved to the backstop position.

Two lettermen pitchers in the persons of Charlie Stevenson and Bill Henderson are bolstered by the presence of Smokey Carden, Wendell Acrey and Lefty Shuford. The probable starting positions for the Cadets are: Stevenson, pitcher; Scoggin, catcher; Porter, first base; Smith, second base; Glass, third base; Ballow, shortstop; Rogers, left field; Black, center field; and Daniels, right field.

## Freshmen End Season With Win Over Shorthorns

Playing a night cap to the Varsity game Tuesday night, the Texas Aggie Freshman basketball team downed the Texas university Yearlings 38-34 and completed their season. The high point man of the cage thriller was Aggie Harry Hope who scored 17 points. James Woods, Aggie Fish, proved to be a good floor man all during the game, but was ably assisted by Gordon Moore. The half time score of the game was A. & M. 24; Texas Yearlings, 13.

All in all the Aggie Fish had a fair season. They won three games and lost five. In numerical order, the Aggie Fish lost games to the Texas Yearlings, Rice Slimes, Lee Junior College, and Tyler Junior College. The Rice Slime game was lost by two points and the closest game, the Tyler Junior College meeting, was lost by two points made in the last 15 seconds of the game.

The Fish won their games with Texas Yearlings, Schreiner Institute and Allen Academy.

The team was coached by Manning Smith and according to him, the boys really "put out," but were begun: one in Contracts and Smith also indicated that Homer Adams was one of the outstanding cagers.

### Aggie Rifle Team Defeats N. T. A. C. At Arlington Sat

The Texas Aggie rifle team met and defeated the N.T.A.C. sharpshooters in a match at Arlington last Saturday. N.T.A.C. was defeated by a score of 1833 to 1825. The match was a close affair with the Aggies holding an eight point lead at the conclusion.

Bill Filgo, captain of the A. & M. team, was high point shooter of the match, closely followed by Norris Norman, captain of the N.T.A.C. team. Filgo was high point for the team last week with a score of 384.

During the week of February 14 the Aggies shot their way to eight straight victories and the following week repeated for eight more. This brings their wins to 17 straight.

### Game Marred With Rough Play as 29 Fouls Are Called

kinos came through again and saved the margin.

The Aggies showed a hustling brand of ball that almost completely involved Texas throughout the game. Every man on the team played heads-up ball, consistently stealing the ball and breaking up scoring plays. Cokinos particularly proved to be a thorn in Texas' side in that respect.

Henderson, with 22 points, was high man for the Aggies, followed by Jarrett and Nabors, with 8 and 7 markers respectively. Hargis grabbed scoring honors for three Longhorns with 14 points followed by Sander with 10 points and Fitzgerald with 9.

## Track Team Leaves Today For Laredo Meet

The Texas Aggie track team, coached by "Dough" Rollins leaves at 8:00 a. m. today for Laredo to participate in the Border Olympics Friday.

The team is captained by Roy Bucek, ace hurdler, who was Southwest Conference champion in the 120-yard high hurdles and the 220-yard low hurdles events last year. Incidentally, Bucek also took firsts in both of these matches in the Border Olympics of 1941.

Albert Ricks is also an important cog in the Cadet track machine. Ricks is an expert jumper and will be entered in both the high jump and the pole vault. Pete Watkins will be in the high jump with Ricks and the former will also be flipping the javelin for the Aggies.

The men who are making the trip with Coach Rollins are: Carleton Brush, Roy and Felix Bucek, Pete Henry, Jimmy Knight, E. V. Ludus, J. M. McLaughlin, A. C. Ricks, J. Spaulding, R. K. Utley, J. M. Vajdos, Pete Watkins and Johnny Zigler.

## Henderson, Jarrett And Nabors Complete Basketball Eligibility

The Aggie basketball team will suffer only three losses from graduation this year. Captain Bill Henderson, Raymond Jarrett, and Fred Nabors, all completed their eligibility with the Texas game Tuesday night.

Henderson, however, still has another year of eligibility left for baseball and football.

## INTRAMURALS

By DUB OXFORD

Here's more dope about intramural boxing. Boxing will start immediately after the completion of wrestling. It is estimated that wrestling will last about three weeks. The procedure for entering boxing will be similar to that of wrestling. Any man may weigh in between the hours of 9 a.m. and 7 p.m. from Thursday, March 5, until Thursday night, March 19. Men may report any time during this period, but in order for a man to enter in a particular weight, he must make that weight before he will be entered. Be sure and have your men check their weights in the near future to ascertain the class they may enter. Don't forget to get the hospital approval of an entrant. The approval must also be in by March 19. The Intra-
