Grand Champion Steer

Loyal Alumnus IV, Firestone Steer, On Exhibition Tour of United States

Loyal Alumnus Fourth, international grand champion steer, was on exhibit here at the animal husbandry pavilion yesterday afternoon. Loyal Alumnus Fourth, being shown by the Firestone Tire and Rubber Company, is on a tour of the United States, which will probably continue until next September, and end at the Columbia, Ohio, farm owned by Leonard K. Firestone.

Harvey S. Firestone, who died just recently, was the former president of the Firestone Company and owner of the farm. His sons, under the direction of Leonard K. Firestone, are continuing the hobby of animal husbandry of their father. The sons now own and manage the farm, taking care of the animals now on it, and directing the tour.

Leonard K. Firestone, in taking his father's place, bought the third grand champion steer in 1941. The other two were bought and exhibited in 1938 and 1940. The showing of the 1938 steer was the first tour, the second being in 1940. The champion steer of this year died on the tour in Memphis, Tennessee; the tour now exhibiting Loyal Alumnus took up in Memphis where the other left off.

In closing out on the cage game, I would like to pay tribute to the Aggies and their hard-working coach, Marty Karow. This is the best ball club that has been here in many a year. It did not finish high up in the standings but it certainly gave the fans their money's worth at each and every game they played. Congrats to Marty in his first year for putting out a team that never said "die" and ditto to the Maroon and White wearers who hustled so hard for their school and coach!

MATH CLUB—There will be an important meeting of the Math club Monday evening, March 9 at 8 o'clock in Room 213, Academic building. Mr. Hillman will give a short talk on Magic Squares. The Academic building will be locked except for the entrance facing the library, so please come to that entrance.
