Kyle Field Offers Great Array of Sports This Weekend; Baseball Tilt Opens Festivities

For those sport fans and cadets who are in quest of relaxation and entertainment, Kyle Field will offer a grand opportunity this weekend. Listed on the menu are a couple of A class baseball games and a triangular track meet.

Coach Lil Dimmitt's nine opens the festivities this afternoon in a tilt with the Oklahoma Sooners. The latter has already put out a strong aggregation and is expected

to give a great battle to the up-and-coming Cadets. The teams conclude the series tomorrow afternoon.

Saturday, Coach Dough Rollins' track team will make its debut for the home folks. The thin-clads showed surprising form in the Border Olympics last week, and are destined to be a dire threat in the coming conference meet.

Les Peden, Regular Third-Base, Shows Promise of Becoming Topflight Infield Star

Getting back to the baseball team for a minute or so, I would like to make a prediction about that line, not just a prediction out of the sky, but a prognostication based on fact and proof. It concerns Leslie Peden, who, from this corner, should be one of the top third basemen to come out of the league in many a year. Peden has just finished basketball, and last Saturday was his first day out, but in that period he has impressed the coach, railbirds, and all with his playing. The boy has a very strong arm plus the ability

to hit that ball squarely on the nose.

Lack of experience kept him from the starting lineup last year, but it's not so this season. He is still a bit stiff from the cage wars, but this is just a technicality which Les should work out easily. Peden has already inserted himself into the lineup, and you'll see him start this afternoon at third base. As long as Les has charge of the hot corner, Coach Lil Dimmitt will have the makings of a top-flight infield.

Sports Squibs From Here and There; Art Adamson Named Water Polo Vice Chairman

Art Adamson, Aggie swimming and water polo coach, has been appointed vice-chairman of the water polo committee of the Amateur Athletic Association . . . Ole "Waterduck" has been a member of this committee for several years and is a recognized authority of this intriguing water sport . . . Since Art came here in 1935, the water polo team has lost but three games, copping the National Junior crown once . . . Here's a good one on Smokey Carden, Aggie sophomore pitching ace . . . Early this summer, Carden was pitching

for an Orange steel corporation in a regulation softball game . . . All was going great until Carden loaded the bases in a late inning . . . Two men were down and Smokey was putting all he had on the ball . . . At the moment the opponents' coach yelled, "Hey Smokey, let's see the ball" . . . Not thinking anything was amiss, Carden threw the ball over to the coach who instantly stepped aside and let it roll some 40 feet onto the green grass . . . Incidentally all three men scored . . . last Saturday (See KYLE FIELD, Page 4)

Ags Open Series With OU Today

Stevenson Expected To Start on Hill

Game Time Is 3:30; Series To Be Concluded Friday

The Texas Aggie baseball team will make its second appearance of the current season when they meet the University of Oklahoma Sooners on Kyle Field at 3:30 p.m., tomorrow afternoon.

The Sheppard Field Flyers were defeated by the Aggies in a double-header here last week. However, the Cadets had to come from behind in the final stanzas to win the games.

The Aggie pitching staff is in a weakened condition as only two lettermen pitchers are all of the moundmen returning from the 1941 team which finished second in the conference.

A trio of sophomores have shown better than average ability but it is still too early in the season to make any conclusions. The most promising of the new hurlers is Smokey Carden, a six-foot-six sophomore. Weldon Acrey and John Shuford, a wrong-sider, also worked last week and looked better than average in their brief sessions on the mound.

Sam Porter at first base and Jimmy Newberry in right field are two other sophomores who appear to have won berths. Irvin Smith and Leo Daniels also looked promising.

The probable starting lineup for the Aggies is: Newberry, rf; Ballow, ss; Glass, 2b; Scoggin, c; Rogers, lf; Peden, 3b; Porter, 1b; Stevenson, p; and Black, cf.

INTRAMURALS

A Forfeit means a wasted afternoon for a "bunch of kids who wanted to play."

The Commandant's office sends out "pink slips," "bull ring" notices are white, and now comes the little "yellow slips" sent out by the intramural department. These timely messages are sent to each organization whenever a game is forfeited, and the above motto is printed on them. Let it soak in, and THINK before you forfeit a game. Nine times out of ten, when a game is forfeited the other team is on hand in full strength and ready to play. And it is quite disheartening to go down to the playing fields and find no opponent.

Bayer Elected Capt Of Cagers; Jarrett Is Most Valuable

Following the basketball banquet tendered the cage team by Coach Marty Karow, Ralston Bayer of Houston was elected captain of the 1943 basketball team. Bayer, a junior, is a high school teammate of retiring captain Bill Henderson, and has lettered twice here at A. & M.

Before attending A. & M., Bayer attended Kilgore Junior College and lettered there. The Lipscomb-Munnerlyn most valuable man trophy, a desk set, was awarded to Ray Jarrett, Stephenville senior at the banquet. Henderson won the trophy as a sophomore, and was barred from repeating, but he was awarded the Lipscomb-Munnerlyn trophy as retiring captain.
