

# Upperclassmen, Freshmen Wrestling Champions Crowned

## INTRAMURALS By DUB OXFORD

Here's the information you have been looking for. Tuesday, April 7 will see all of the one-quarter finals of both class A and class B boxing taking place. Then on Thursday, April 9, all of the semi-finals will be held. And the climax of intramural boxing will be held Saturday, April 11. The finals are being held Saturday night because these boxing matches will be on the program of the Former Students Homecoming. In other words, all of the Exes will be on hand next Saturday night to see the champions of the school crowned.

**Participation Record**  
When class A and class B intramural boxing terminate next Saturday night, there will have been staged a total of 827 individual wrestling and boxing matches. This draft number figure was compiled last night and it is further proof that the Aggies have the largest intramural participation in the country.

W. L. Penberthy, Head of the Physical Education department, was referee of all of the matches and he was assisted in the judging of the bouts by students who were adept in boxing. In boxing, the winners were judged by "the number of clean blows landed, ability to make the opponent miss, aggressiveness if it pays off, and general ring attitude." The above was taken from Penny's Serenade.

## Class B Has Three Way Tie For Top Organization Spot

By Dub Oxford  
Assistant Sports Editor.  
The college champions of class B wrestling have been decided after the "groaning" and "grunting" that went on in DeWare Field house and the individual class A champions will be decided as soon as Beckley and Sibley meet. Intramural wrestling, a very popular sport with the Aggies began almost a month ago and every night the gym was filled to capacity with Aggies pulling for their team members. The sport is a new one, having its inception some six years ago. It was through the efforts of Mr. Penny, who wrestled in his undergraduate days, that the sport has become so popular.

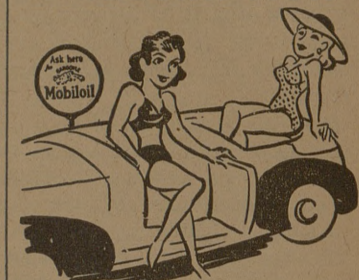

The individual winners in Class B and who are also college champions are: Charley Catt, B Signal Corps; Al Robertson, 1 Hq. Field; Arthur Garrett, B Infantry; Harold Reich, H Infantry; Mike Franks, E Coast; Ralph Odom, C Coast; Scott and Elmo Patton, E Field.

#### Class A Winners

The class A winners with the exception of the Sibley-Beckley match are: Nathan Barrier, D Cavalry; Harold Ivey, A Field; Neal Vick, B Cavalry; Ed Whittier, A Engineers; John Colvin, I Infantry; Bill Donnell, E Field;

and Dick DeArment, A Field.

fantry. The Infantry Band also won an easy game. They beat C Field 12-5, and made all of their runs in the second inning. Quite a rally. A Infantry dominated E Engineers by superior pitching and strategy and won 8-5. H Coast in a battle with their pseudo arch enemy G Coast came out on the top side of a 6-3 score and were mighty happy. Big B Infantry must practice softball in their spare time. They beat 3 CHQ 9-4 in a really tight game. All of the scoring was done in the last two frames of the game.

## S.W.C. Race Getting Tighter And Tighter; Ags, Texas on Top

The Southwest Conference baseball race is growing tighter and tighter with each game. Following S.M.U.'s sensational upset win over the Texas Aggies, Coach Bibb Faulk's defending champions, the Texas Longhorns, dumped the Rice Owls from the undefeated ranks by a double victory over the Houston nine at Austin. With the exception of the Texas Longhorns, every other team has suffered at least two losses. Texas lost to the Aggies for their only setback of the year.
