She's a good friend of yours

The girl behind "the voice with a smile" is known to everyone. You have learned to count on her when you make a telephone call.

Now meet her sister

—also a Bell System girl. She's your friend, too, although you've never heard her voice. Here she is on the final assembly line at one of Western Electric's great plants. Like the 15,000 other women in the Company, she does her work well. She's proud of the part she plays in making telephone equipment for this Nation . . . and for the armed forces of the United Nations.

Western Electric ... is back of your Bell Telephone service
