TRACKSTERS

enthusiastically for the Drake Relays, where he will be vying for the 20-year-old Drake high jump record of 6 feet, 6 inches.

The only event that the Aggies did get shut out was the shot put and that was easily iced by Bill Blackburn, Rice football star, whose toss of 49 feet, 1/2 inch, missed the existing conference record by 1 foot, 3/4 inches.

Zeigler Runs Good Time

Another surprise, although not a big one, was Johnny Zeigler's time of 9:50.6 in the 2-mile run. The record, set in 1925 by Sandy Esquivel, Texas' great, was 9 minutes, 32 seconds, and it has been a long time since anyone has run under 10 minutes. However, Zeigler has been running consistently under 10 and some quarters contend that the little Aggie trackster has more than an even chance to equal or break the 17-year-old record.

Summary:

440-yard dash—Won by North, Rice; second, Labus, A&M. Time: 6:10.
High jump—Won by Watkins, A&M, 6 feet, 4 inches; tie for second, Christopher, Rice, and Ricks, A&M, 6 feet, 2 in.
100-yard dash—Won by Hall, Rice; second, Stallings, A&M. Time: 1:00.
Mile run—Won by Garrett, A&M; second, Elmore, A&M. Time: 5:13.1.
220-yard dash—Won by Hall, Rice; second, Stallings, A&M. Time: 2:23.
100-yard high hurdles—Won by R. Buck, A&M; second, Cummins, Rice. Time: 1:45.
Shot put—Won by Blackburn, Rice, 49 feet, 1/2 inch; second, Deal, Rice, 47 feet, 1/2 inch.
80-yard run—Won by Vajdos, A&M; second, McGlothlin, A&M. Time: 1:57.0.
Pole vault—Won by Ricks, A&M, 12 feet, 6 inches; tie for second, Cummins, Rice, and Lay, Rice, 12 feet.
440-yard relay—Won by A&M (Smith, R. Buck, Moser, Stallings). Time: 4:26.

220-yard low hurdles—Won by R. Buck, A&M; second, Cummins, Rice. Time: 2:45.
Broad jump—Won by Christopher, Rice, 22 feet, 4 3/4 inches; second, Ricks, A&M, 21 feet, 1 1/2 inches.
Mile relay—Won by Rice (Neath, McCleskey, Christopher, Hall); second, A&M. Time: 3:27.7.
Javelin—Won by Montgomery, A&M, 177 feet, 9 inches; second, Watkins, A&M, 170 feet, 8 inches.

BACKWASH

King was at Aggeland for 21 years—a mighty long time—and, although never listed as an Aggie in the registrar's office, he was an Aggie to end with the Aggies. His name on the list was good news, as he had been reported killed or captured earlier.

Charles Peterson, World's Fancy Shot Billiard Champion, will put on an exhibition (Free) in the YMCA April 28. He challenges you to show him a shot he can't make . . . The Infantry will dance to music of the Aggeland tomorrow night. They probably will have enough money left over to have a regimental dance this summer . . . Corps dances with Toppo's music have been more popular than any others this year. The Aggeland has some new members—good and getting better . . . School papers seem to take special delight in running down Hollywood stars from Texas. After being named "Actress Least Likely To Succeed," Ann Sheridan has been named "The Actress Who Should Get a Job in a Drive-in" . . . Sign of the times—in a local store: "During ALERTS we do business as usual—in case of a direct hit, we CLOSE IMMEDIATELY!"

The following little poem is dedicated to the sports writers, publicity men, etc., who constantly criticize our band, corps, and us in general:
I knew a little critic,
Everyone called him Red,
And everytime he opened
His mouth, he sounded like a dope,
No matter what he said . . .

SAN JACINTO

(Continued from Page 1)

heart to know our Texas boys who are wearing the uniform and who are under daily attack by the enemy in Corregidor still carry with them the spirit of San Jacinto in the dark hour of their trial.

"They are gallantly fighting the battles of the republic with a heroism comparable to that which activated General Houston and his little band in the struggle amidst the smoke of San Jacinto which established the independence of our great commonwealth."

Before General Moore left A. & M. to take over his Corregidor command, he selected 35 Aggies from the class of 1940 to precede him to the island fortress. Today those same Aggies are fighting at the General's side in what may prove to be the last stronghold of the Philippines.

High awards for valor and bravery in action have been bestowed upon three A. & M. men since the outbreak of hostilities. Capt. James T. Connally received the Distinguished Service Cross for leading a bomber squadron from Java to Mindanao, sinking a Japanese tanker on the way, and rescuing 23 pilots who were stranded on the island.

Another Distinguished Service Cross went to Lt. Henry C. Dittman for leading a squadron over an uncharted route to the Philippines via India. Major Louis Hobbs has also been cited for valor in the air service.

The civilian pilot training program at Iowa State college has been granted another unit of 10 men for primary aviation training.
