Aggies

We take this opportunity
to welcome you "New"
Aggies . . . and express our
appreciation to you "Old"
Aggies for the business you
have given us during the
past years.

We hope you will allow us
to continue to serve you.

**CALDWELL
JEWELRY**

Bryan

"Funny thing, I only had one
when I started."

Silk and rayon are probably
the most inspected fabrics in
the world. Boys are always on
the look-out for it in the day-
time, and at night they are al-
ways trying to get a feel of it.

★

A little curve has kept many a
man from going straight.

★

Little drops of whiskey
Little shots of gin
Little innocent freshmen—
Little bits of sin.

Little cans of Campbell's
Little Bromo, too.
Little talks with father,
Little milk next time.

★

NOTHING LIKE POETRY

I walked into a barber shop,
The sign was very queer.
"During alterations
We'll shave you in the rear."

★

Let's play house. I'll be the
walls and get plastered.

★

"All this stuff you read about
college students is a bunch of
hoey! I'm a college girl and I
don't drink, smoke, or neck.

"How long have you been in
college?"

"I just registered."
