By order of Colonel WELTY,  
A. J. BENNETT,  
Major, C.A.C., Adjutant.

## Legal Notices

**A RESOLUTION DECLARING A NUISANCE EXISTING UPON THE PREMISES DESCRIBED IN THE INSTRUMENT HERETO ATTACHED AND MADE A PART HEREOF**

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COLLEGE STATION, TEXAS:**

Section 1. That there is a nuisance existing upon the premises and each part thereof described in the instrument hereto attached and made a part hereof. Said nuisance being of such a nature as calculated to unduly cause a fire hazard or a hazard from a health standpoint or both, injurious to the City of College Station or a large part of the said City and owners of said premises are hereby notified to appear at the next meeting of this City Council to be held on the \_\_\_\_\_ day of \_\_\_\_\_ at \_\_\_\_\_ o'clock in the \_\_\_\_\_ City Office to show cause why said nuisance should not be abated and show cause why, in the event said nuisance is not abated by said owner within five days after the \_\_\_\_\_ day of \_\_\_\_\_, the same should not be abated by the order of the City Council and the costs thereof assessed against said premises.  
Passed and approved this 25th day of June A. D., 1942.  
APPROVED:

## Celebrate July 4th Without Fireworks; Buy Bonds Instead

"Texans who may plan to celebrate July 4, cannot hope to compete with gunpowder explosions on the battlefield," Marvin Hall, state fire insurance commissioner, said in urging a safer and saner celebration for Independence Day.

"Lives can be saved, injuries prevented, loss by damage and fire destruction averted," Hall added, "if we eliminate the use of fireworks from our plans for observing our country's Declaration of Independence.

"Gunpowder and explosives burned up in fireworks for useless reasons can't be used by our fighting forces in the front lines. Fireworks exploded in Texas will not win another 'Midway victory.'

"Our celebrations with fireworks have caused us to pay a high price in previous years. This year the most patriotic manner of celebrating the Declaration of Independence will be to convert gunpowder into bullets and bombs by the purchase of war stamps and bonds instead of fire crackers."

## Fire Helped Create Our Rubber Shortage

"Fire has had a large part in adding to the critical rubber shortage in this nation," Marvin Hall, state fire insurance commissioner, said today.

Hall explained that seemingly local fires can now have a far-reaching effect on the nation during time of war, as he urged individual attention to fire prevention in every home and place of business.

"A supply of crude rubber," Hall stated, "with a value of \$11,000,000, and estimated at that time to be one-tenth of the nation's supply in storage, was destroyed by fire in October, 1941, at Fall River, Mass.

"This huge fire has become known as the largest single industrial fire loss in the history of our country. Most certainly its after effects is presenting a serious handicap to our war effort now.

"Fire definitely destroys effort. The \$60,000,000 liner Normandie is useless for carrying war supplies while lying on its side at the bottom of the Hudson river—the victim of fire."

denance and determine whether or not such accumulation of rubbish and trash or the growth of weeds thereon, or both, are sufficient to constitute a nuisance as herein defined, and they shall pass a resolution declaring that the growth of weeds or accumulation of trash and rubbish upon such premises, or both, constitutes a public nuisance, and shall order same removed by the owner, occupant, lessee or person in charge of such premises, within five days from the date such notice is given.

Section 3. In the event the owner of the premises upon which is located a nuisance as prohibited by this ordinance can not be found or served with a notice, and there does not appear to be any person in charge of such premises or occupancy, or in the event the nuisance is not abated by cutting the weeds and removing the trash and rubbish or either of them, as the case may be, then said nuisance shall be abated by the City of College Station, and the expense incurred, which shall include salary and wages of all employees, and reasonable charge for machinery and tools, vehicles, etc. used in abating said nuisance shall be a personal charge against owner of said premises and shall be assessed as a lien against the property of which said nuisance is located and removed therefrom, and shall be due and payable to the City Tax Collector the following tax paying period, that is, the first day of March following the date at which such nuisance is abated and failure to pay when due shall cause a ten per cent penalty to be added and same shall bear interest from the date the same is due, at the rate of six per cent per annum.

Section 4. Failure to cut weeds and remove trash and rubbish or to do either of them when notified to do so, as set out in this ordinance by any party obligated to do so by this ordinance, shall be punished by a fine in any sum not exceeding fifty dollars (\$50.00) and each day that such nuisance shall continue after the time for abatement as herein set out shall constitute a separate offense.

Passed and approved this 25th day of June, A. D., 1942.  
APPROVED:  
ERNEST LANGFORD, Mayor

ATTEST:  
S. A. LIPSCOMB, City Secretary

**AN ORDINANCE LEVYING AN ASSESSMENT AGAINST CERTAIN PROPERTIES AND MAKING THE SAME A LIEN AGAINST SAID PROPERTIES AND PERSONAL CHARGE AGAINST THE OWNERS THEREOF AND PROVIDING FOR FORECLOSURE OF SAID LIEN IN THE EVENT SAME IS NOT PAID, AND ADDING A PENALTY FOR THE FAILURE TO PAY SAME**  
**BE IT ORDAINED BY THE CITY OF COLLEGE STATION:**

Section 1. That whereas, heretofore on the \_\_\_\_\_ day of \_\_\_\_\_ A. D., 19\_\_\_\_, a hearing was had after due notice of the intention to take up consideration the necessity for having nuisances abated upon the property hereinafter described at the cost and expense of the owner of said property as a lien, and whereas, at the time of said hearing no one appeared to contest same and said hearing was closed and it was determined that a nuisance existed upon each piece of said property and same should be removed and the costs thereof assessed as a lien against said property and as a personal charge against the owners thereof.

Section 2. Therefore, there is assessed against each of said pieces of property the amount set opposite thereof, and the same is made a personal charge against the owner of said property, whether the name is in this ordinance or the notice or not, and a lien is hereby fixed against each piece of said property for the amount assessed against it.

Section 3. In the event the amount so assessed against such property is not paid on or before the \_\_\_\_\_ day of \_\_\_\_\_ A. D., 19\_\_\_\_, ten per cent (10%) shall be added as a penalty and a suit to foreclose said lien shall be instituted, and said lien shall be foreclosed in any court having jurisdiction thereof.

Passed and approved this 25th day of June, A. D., 1942.

## —TWILIGHT— (Continued From Page 3) easily outclassed Holick's Cleaners.

Lipscomb's Pharmacy, meanwhile, pounded five runs on a hit, two walks and four errors to outlast the Faculty 5-3. The profs accounted for one each in the second, third and fourth, but just didn't have that extra oomph to push ahead.

A two-run rally by Madeley's Pharmacy in the final inning fell short by one run as Loupot's held on to their slim lead to come out ahead, 3-2. Some fine pitching by John Hejl of Loupot's kept Madeley's in check throughout the game.

The teams go back into action again Wednesday with the following tilts on line:

Campus Cleaners vs. Loupot's—Diamond 4.

Aggie Cleaners vs. Lipscomb's—Diamond 9.

Campus Theatre vs. Madeley's—Diamond 7.

Holick's Cleaners vs. Faculty—Diamond 6.

## Draftees May Return Home To Clear Up Affairs

Pointing out that the examination of registrants by local board physicians is merely a preliminary examination to eliminate the obviously unfit, General J. Watt Page, state selective service director, today warned registrants that they should await actual induction into the army before making any final disposition of financial and personal affairs.

"Every selectee," General Page said, "must undergo final physical examination at an army reception center. The examination by local board physicians is merely preliminary to the army test. No selectee, therefore, should assume that because he has passed the local board test, or even because he has been ordered to an army reception center for possible induction, that he will be accepted by the army."

Registrants who are inducted will be given ample time to return to their homes to adjust their personal affairs within a few days after induction, General Page stated, pointing out that a liberalized policy regarding furloughs for newly inducted registrants has been announced by the War Department. He said:

"Local boards have today been instructed to attach to the delivery list for each group of prospective inductees the names of those for whom furloughs are recommended, and the Selective Service System has been assured by the War Department that such furloughs will invariably be granted if recommended by the local board."

These furloughs for inducted registrants will begin not later than five days after induction, according to General Page, and will not exceed ten days except that when an inductee lives at a considerable distance from the army reception center, a leave up to fifteen days may be granted.

"This new army policy should prevent any undue hardship to selectees who are inducted," General Page said. "In the past there were some cases of hardship under the present system of inducting forthwith selectees who pass their final physical examination at army reception centers. Some men, expecting induction, had made final disposition of their personal affairs and then were rejected. Others were considerably inconvenienced after induction while awaiting leave to adjust pressing personal matters. Now, every prospective inductee can be assured that if he requires reasonable time to return to his home to dispose of his personal affairs, leave will be granted to him within a few days after his induction."

## Sharp to Address Marketing, Finance Club Thursday in Y

Luther A. Sharp, vice-president and director of Texas Agricultural Trades Research and Service Company, will give an address in the YMCA chapel Thursday evening, July 2 at 8 o'clock. J. Wheeler Barger, head of the Agricultural Economics Department, stated. His address is being sponsored by the Marketing and Finance Club.

Sharp will discuss new trends in merchandising with particular reference to agricultural conditions, Mr. Barger said.

Sharp was formerly head of the Department of Economics at Pomona College in California, and has served also as Economic Advisor for one of the large cooperative organizations of that state.

## Civil Service Jobs Listed for Exams

The United States Civil Service Commission announces open competitive examination for the position of Under Communications Operator (High speed radio equipment), \$1440 a year, for employment with the War Department, Signal Service at Large, Eighth Corps Area (comprising the states of Arizona, Colorado, New Mexico, Oklahoma, Louisiana, and Texas).

The age limits for this position is 17 to 65. The maximum age limit does not apply to persons granted military preference because of military or naval service.

Competitors will not be required to report to any place for written examination, but ratings will be assigned based on information in the application subject to corroboration.

Applications may be filed until further notice with the Manager, Tenth U. S. Civil Service District, Customhouse, New Orleans, Louisiana.

Further information and application forms may be obtained from the Managers, Tenth U. S. Civil Service District, Customhouse, New Orleans, Louisiana; Ninth U. S. Civil Service District, New Federal Building, St. Louis, Missouri; Twelfth U. S. Civil Service District, Federal Office Building, San Francisco, California; Thirteenth U. S. Civil Service District, Post Office Building, Denver, Colorado and from any first- or second-class post office in which this notice is posted.

and entomology, School of Agriculture, Alabama Polytechnic Institute.

Some Chemical and Physical Considerations—J. K. G. Silvey, department of Biology, NTSTC, Denton.

Some Pond Problems—E. P. Cheatum, professor of biology and president Texas Academy of Science, SMU.

The Farm Security Administration and Farm Ponds—C. T. Watson, state director, FSA.

The Soil Conservation Service and the Farm Pond Program—Homer G. Towns, regional biologist, U. S. Soil Conservation Service, Fort Worth.

Informal conference on coastal fisheries resources following the farm pond short course probably Saturday afternoon.

## —WICKARD— (Continued From Page 1)

The cabinet officer will leave in time to entrain at Hearne at noon en route to Mexico City to attend the Pan American Convention on Education. Dean Kyle, dean of the School of Agriculture, has been invited to accompany Secretary Wickard to Mexico City to attend the convention.

L. W. Wilson, director of Federal Extension Work Agriculture department, will be on the campus for 24 hours from noon Thursday until noon Friday to speak to the Headquarters staff of the Extension Service Friday morning on the work of the Extension Service in war time. Wilson is also en route to Mexico City for the convention.

Secretary Wickard will be the third man holding his cabinet office to visit the college campus in its 67 year history. Others were James Wilson, who was here nearly 40 years ago, and Henry C. Wallace, father of the vice president, who visited the college about 20 years ago.
