Lipscomb's Pharmacy Is Surprise Team Of Twilight League; Has Shown Great Form

Presenting the surprise team of the Twilight League—Lipscomb's Pharmacy—a team that showed possibilities at first but now shows definite signs of strength and power.
Discounting Wednesday's game Kyle Drake's ten has won four and lost one, a record that is envied by the majority of teams in the league. Their one loss—that by the Campus Cleaners—came on a disputed home run in the final inning. Many still claim that the ball was foul but nevertheless was ruled fair.
The ball club itself does not stand out as a super team or a team with an unusual array of softball stars. On the contrary, it's comprised of a bunch of kids who plug along day in and out and play the everyday kind of ball. They hustle, play hard, and the main thing is that they play to win, whether they're far behind or ahead.
Sparkplug of the team is Clayton Atkins, fast little shortstop,

whose hitting and fielding easily makes him stand out as the top man of the team. Then there is Milton Sims, Johnny Roberts, and Jake Maroney who make up one of the strongest outfield contributions in the league. Watch this boy Sims go! He can slam 'em where they ain't.
As for the pitching, Drake has produced one of the surprises of a surprising team. Spin-baller Andy Cokinis has contributed a lot to the team with his superb hurling. At first, not regarded as an exceptional flinger, Andy has more than made a liar out of this scribe. It's his pitching that has held Lipscomb's on top and it may be his pitching that will keep them on top.

So just a little warning to the rest of the teams in this loop! There probably will be plenty of surprises in store for everyone, but be sure not to discount Lipscomb's Pharmacy—they've got something!

Sports Squibs From Here and There; Notes On Aggie Athletes in the US Armed Services

Henry (Beartracks) Hauser will hear wedding bells July 4 . . . Capt. Woody Bell, the former hard-hitting Aggie outfielder whose ninth-inning homer won the title for the Cadets in 1937 is now in flight training at Ellington

Field . . . Jimmy Parker, former student manager of A. & M. athletic teams is in the bombardier division at Ellington Field . . . W. L. Penberthy, Spike White and the rest of the Intramural department have been working overtime on six tournaments they are graciously sponsoring for the Cadet Corps, and any cooperation from the boys in putting over that deal will be duly appreciated . . . Penny and Spike have been doing their utmost to give the Aggies plenty of interesting sessions as far as sports are concerned and their efforts deserve much praise . . . So fellows, let's do our part in helping the Intramural department put over these tournaments . . . entry cards have to be in the Intramural office Friday at 6 o'clock . . . Sacks for bases in the Twilight League are due to be inaugurated sometime next week . . . most of the players have been complaining about the bases so something was immediately done to remedy the situation . . .

Plans Made By Rifle Team For East Tex Matches

Small Bore Championship Matches to be Held Sunday July 12 at Kilgore, Texas

By Mike Mann
Assistant Sports Editor

At a meeting of the Varsity Rifle team last night plans were made for the team's participation in the East Texas Small Bore Championship Matches to be fired at Kilgore on Sunday, July 12. Officers of the team are Russell Cook, captain, and J. H. Crossland, secretary-treasurer, Lieut. C. A. Williams, Corps of Engineers, is the team coach.
The team took more than their share of the honors recently at the Texas State Bore Rifle Championship Matches in Austin. A. J. Getz came through to take three medals and Cook won another. The team has been working diligently and expects to do great things in the Kilgore matches, says Captain Cook.
The tentative list of men who will make the trip to Kilgore for the July 12 matches includes R. T. Cook, captain, J. H. Crossland, Edward Fry, A. J. Getz, Nick Mees Jr., and J. E. Wesp.

Seventy-two per cent of students interviewed in a recent college survey owned cameras.

Coal can be pumped through pipelines instead of shipped in cars, suggests Prof. H. E. Babbitt of the University of Illinois.

Pembroke college's freshman enrollment of 165 is up 30 per cent over last year.

Among new students at University of New Brunswick is a native of Nigeria. His name is Okewhukwa Ikejiana and he is studying for a B.S. degree.

Friday Is Final Day to Turn In 'Mural Tournament Entry Blanks

Drawing of Names For Tourneys To Be Made Next Week

Final plans for the six tournaments sponsored by the Intramural Department is already under way and everything is set for the drawing of names of the participants early next week.
Those interesting in entering one or more of the tourneys are reminded that Friday July 3 is the last day for turning in entry blanks. This may be done by bringing the blank, which appears on the Battalion sports page, to the intramural office anytime from 8 o'clock in the morning until 5 p.m.
A number of entries have already been submitted of the department but the desired number has not been reached as yet. All cadets are eligible to enter, with the same intramural eligibility rules applied to the tournaments as to the various games. Only those who have participated in inter-collegiate competition in one or more tournaments are ineligible to participate in these. For example, if an Aggie belonged on the varsity tennis team last year, he is not eligible to participate in the tennis tournament.

The events included in the tournaments are golf, pingpong, handball, aggieiminton, and horseshoes. All but table tennis are made up of both of singles and doubles teams. Pingpong will only include singles. Special fees for the greens in the golf tournament will be 25 cents with no charge to those reaching the semi-final and final matches.

INTRAMURALS

By Mike Mann

Once in a great while a blot on the intramural program comes to light. A short time ago an extremely distasteful occurrence was noticed in one of the games. It seems that some outfits have adopted the practice of allowing boys to play under assumed names. This is one in an attempt to have the best available players in the game and still give a less spectacular boy game credit.

The Intramural department is not looking for these acts with an eagle-eye but whenever such happenings come to their attention the offending team is completely disqualified from further competition in the particular sport.

Whenever an outfit is disqualified from a sport because of the actions of two or three boys the entire team is knocked out of as many as five or more games. Let's keep this fact in mind whenever someone thinks of playing under an assumed name. Think twice before doing this underhanded bit of playing, fellows.

The Intramural office wishes to remind recreational officers of the five dollar intramural fee dud

from each outfit. This amount should be turned in as soon as possible. The office also wishes to complete the alphabetical list of all upperclassmen in each outfit. This list should be turned in immediately if it has not already been submitted.

Softball
F Engineers took a Class A softball game as they beat D Coast Artillery 8-5. Two other Class A games were won in the final stanza as Machine Gun Cavalry nosed out A Signal Corps 7-6 and M Infantry beat D Cavalry by the same score.

Class B softball saw A Replacement Center on the top of a lopsided score as they defeated E Replacement Center 26-8. F Engineers took C Engineers 5-4 as D Field Artillery whipped D Engineers 7-1.

Lipscomb's Takes Over Lead As Loupot's Dumps C Cleaners; Theatre, Faculty Win

A sensational 6-3 victory by Loupot's over the Campus Cleaners coupled with a 3-1 win by Lipscomb's over the Aggie Cleaners put the latter into undisputed possession of first place as the final week of the first round of the Twilight League draws ever closer.
Meanwhile, the Campus Theatre continued its upward surge after four straight setbacks by pouncing out a 7-0 victory over Madeley's Pharmacy. The Faculty gained a notch or so by outlasting Holick's Cleaners to the tune of 7-5, despite a belated 4-run rally by the latter in the sixth frame.
For the first time since the Twilight League inaugurated its eleventh session this year, seven full innings were played by each and every team, with the Loupot-Campus Cleaners fracas lasting but 45 minutes.
Homers by Jack Taylor, Johnny Hejl, and Jimmy Newberry with

a two-hit pitching job by Bill Miller gained Loupot's ten its fourth win of the season against only two defeats. A four-run rally in the sixth inning erased a 3-2 Campus Cleaner lead and shoved Loupot's ahead. They scored their other two runs in the first frame. The Cleaners counted all their runs in the fourth on two walks, two errors and a bingle.

Meanwhile, Lipscomb's was ascending into the league lead by beating out a surprisingly tough Aggie Cleaner team. A three run rally in the fourth inning sewed up the game for Lipscomb's. Some timely hitting by Donald Punch, the Pharmacy's hurler, helped out considerably.
The Campus Theatre, in the meantime, scored their second consecutive shutout of the season, this time at the expense of the Madeley's Pharmacy, 7-0. Bud Rideout, pitching for the Theatre, chunked a three-hit game, and coupled

with the timely hitting of his mates, easily held Madeley's in check. Rideout himself led the 9-hit Theatre attack with two singles.
In the other game, the Faculty got back into a winning stride by outslugging Holick's Cleaners, 7-5. A four-run rally by the Cleaners in the fourth on hits by Nesbit, Smith and Slaughter, and walks to Kizer and Warren accounted for the tallies. The Faculty made its big bid in the opening stanza by pounding out three runs on hits by White and Carl and walks to Warren and Manning. Another two came in the fifth and two more the following inning.
All teams return back to action Monday, July 6, with the following tilts scheduled. This will be the end of the first round of play of the Twilight League.
Campus Cleaners vs. Madeley's Pharmacy—Diamond 6.
Aggie Cleaners vs. Holick's Cleaners—Diamond 4.
Lipscomb's Pharmacy vs. Loupot's—Diamond 7.
Campus Theatre vs. Faculty—Diamond 9.

Twilight League Standings

	W	L	T	Pct.	GB.
Lipscomb's Pharmacy	5	1	0	.833	
Loupot's	4	2	0	.667	1

Madeley's Pharmacy	1	5	0	.166	4

WEDNESDAY'S RESULTS

- Loupot's 6 Campus Cleaners 3.
- Lipscomb's 3 Aggie Cleaners 1
- Campus Theatre 7 Madeley's Pharmacy 0
- Faculty 7 Holick's Cleaners 5

CPT Applications For New Course To Be Accepted Now

Training Is for Men Over Combat Age Or Unable to Pass Physical

Applications for enrollment in the new Civilian Pilot Training program, to start soon, will be accepted immediately, it was announced today by Dr. Howard Barlow, CPT co-ordinator and head of the aero engineering department.

Designed primarily for men over the army combat training age limit, the program will be open to men 27-37 years old, and to those aged 18-27 who have been unable to meet physical and mental requirements for combat training.

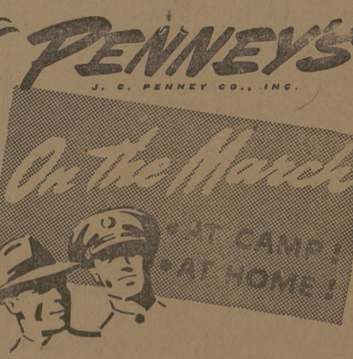

Requirements are passing the CAA commercial examination, with vision no worse than 20/40 and correctible to 20/20, and passing the CAA mental examination.
Those accepted will be furnished lodging at A. & M., meals insurance including hospitalization and transportation to and from airport while in training, Barlow announced.
The program is divided into eight-weeks courses, starting with elementary and progressing thru secondary, cross-country, link-instrument and instructor. Graduates will be eligible for commissions or sergeantcies, or may be assigned civil duty as airline, cargo or service pilot.
The school here will specialize in service pilot production for the CPT army group, and all enrollees must join the Air Corps Enlisted Reserve, which exempts from draft call. Some navy group men are expected to be sent here, and naval reservists or V-5 men in the area possibly may be able to be assigned to the school, Barlow added.

Applications may be written or delivered in person to the aero engineering school here.
Thirteen new training planes have been secured for the program, and now are at the college airport.

More than 4,000,000 persons saw educational films and slide sets distributed last year by the University of Texas visual instruction bureau.

Three members of the original freshman class of Queens college that was graduated in June have returned to the campus as members of the faculty.

Montana university has received a valuable collection of Indian weapons and tools from the estate of Chancey E. Woodworth, Montana pioneer and collector.
