First Round of Twilight League Play Fails To Produce Favorite; Harder Days Are Ahead

The second round of the Twilight League is under way and local fans are still wondering who is the definite favorite. After four weeks of play, the statement that "it's anybody's race" made by the scribe at the start of the year is still quite evident.

At present only four games separate the co-leaders, Campus Cleaners and Loupot from the cellar-dwelling Madeley's Pharmacy. Only 2½ games separate the first place teams from the second division, so you can plainly see how close the league really is.

But let's analyze the league for a second or so. The leaders, Campus Cleaners and Loupot certainly do not have a secure lead. Neither yet has shown too much consistency in winning games and may, at any time, find themselves down the standings. Take Lipscomb's Pharmacy as an example. There they were right on the very top a week ago but within two days—Wednesday and Thursday of this week—they found themselves in third place, 1½ games out of the second division.

The hottest teams in the race

the past two weeks have been Loupot and Campus Theatre. The former elevated itself from the second division, winning five consecutive games in doing so. The latter, after suffering four consecutive losses, went on to win their next four tilts, three of which have been shutouts. The payoff will come when these two teams will clash against each other Monday.

The other teams, Faculty, Holick's Cleaners, Aggie Cleaners and Madeley's, are all capable of throwing the first division teams out of gear. In fact the Faculty, Aggie Cleaners, and Holick's Cleaners have accounted for the losses suffered by the league leaders, Campus Cleaners and Loupot's. The latter lost both of its games to the Faculty and Holick's Cleaners, respectively, while the former suffered one of its losses at the hands of the Aggie Cleaners.

So if you have a favorite—whoever it is—don't get discouraged now. The race will not be decided for quite a while—yes, sir, quite a while!

Sports Squibs From Here and There; Chas DeWare Stops Over on Way to Fort Benning

Charlie DeWare, who was called to the army a few months ago, dropped around College Station Thursday evening on his way to the officers' training school at Fort Benning, Georgia. . . . Charlie has been at Camp Wolters since his induction and has been taking orders from some of his former football stars at A. & M. . . . Well, in a few months, DeWare will be on equal footing with his former pupils. . . . Twilight League managers will have a hard time trying to pick out an all-star team to face Bryan Thursday and Friday, July 23 and 24. . . . There are plenty of good softball stars on each team and each respective manager will be pulling for his "kids". . . . Pitchers are a dime a dozen in this league but these few have shown signs of brilliance: Johnny Hejl, Loupot; Allen Lawler, Madeley's Pharmacy; Andy Cokinos, Lipscomb's Pharmacy; Charlie Beazley and Bud Rideout,

Campus Theatre; and Jim Daniels, Campus Cleaners. . . . Roy Peden, former Aggie pitching ace, is now teaching vocational agriculture at Duncannonville. . . . Lt. A. H. "Dutch" Karcher, outfielder for the 1937 championship baseball team, is stationed somewhere in Ireland. . . . Dave Alsbrook, the Aggies' most valuable player for the 1938 baseball team, is undergoing training at Randolph Field. . . . the report that Lt. Roy Bucek is in Ireland is untrue. . . . Felix, his brother, received a note from Roy and he is still up at Camp Robinson, Arkansas. . . . Les Peden, the hard-hitting Aggie third baseman of the past championship team, is doing likewise for the Waco Dons. . . . Les leads the team in home-runs, having already hit five circuit blows. . . . Other Aggies doing some great work for the Dons are Bill Buchanan and Bob Stone. . . . Cullen Rogers, the baseball team's co-captain-elect, is now playing

Loupot and Campus Cleaners Tied For League Lead; Both Win Games Thursday

Theatre and Holick's Win; Loupot-Theatre Tilt Is Tops for Mon

The Twilight League found itself in no better fix after Thursday's games. The race was still a close with Loupot and the Campus Cleaners leading the pack with their respective victories over Lipscomb's Pharmacy and Madeley's Pharmacy.

Theatre Scores 3rd Shutout

In the other tilts, the surprising Campus Theatre ten scored its third shutout of the season by whitewashing the Faculty, 8-0, behind the two-hit twirling of Charlie Beazley and a 6-hit, 3 walk and 8-run attack in the second inning. The Holick's Cleaners hit the win column after two straight setbacks by drubbing the Aggie Cleaners, 6-1, behind the steady pitching of Sam Nesbit, who heretofore played in the outfield for Manager Mopay Smith's crew.

The Loupot-Lipscomb's Pharmacy tilt was the feature of the four games played. Pre-game sentiment rated the fracas as a toss-up affair since both teams were enjoying a top spot in the league race. However, Loupot's discounted all disadvantages against it, pounding out an 8-1 win. Bill Miller, star righthander for the team, held Lipscomb's to four scattered hits, two of which came in the final inning when the latter scored its lone run.

C Cleaners Eke Out Win

The other co-leader, Campus Cleaners, however, didn't find the going as easy as Loupot. They faced a hustling and determined Madeley's Pharmacy bunch that gave the Cleaners all kind of fits before they succumbed 3-2. Each team counted twice in the third but the Cleaners pushed over a run in the sixth on hits by Drake and Wischkamper to win the tilt.

Campus Theatre's Charlie Beazley duplicated his feat of a couple of weeks ago as he pitched his mates to their fourth victory in a row, 8-0. This time, the Faculty was the victim to Beazley's fast ones and he held the profs to two bingles. L. E. Winder, former ace pitcher for Penco in the Bryan Commercial League, made his debut for the Faculty, but the Theatre crew jumped on him for six hits and eight runs in the second inning to sow up the game. Three errors by the profs didn't do Winder any good.

Holick's Win, 6-1

Bunching up nine hits in six frames, the Holick Cleaners scored their third victory of the season, defeating the Aggie Cleaners, 6-1. Some nice pitching by Sam Nesbit coupled with Catcher Warren's homerun and triple aided greatly in Holick's attack. They scored once in the first, twice in the second, twice in the fourth, and climaxed their scoring for the day with a tally in the fifth inning. The Aggie Cleaners made their only run in the fifth on three walks and a hit.

INTRAMURALS

By Mike Mann

In an attempt to enable teams to engage in more softball competition the Intramural department has raised the forfeit limit in that sport to four games. In all other sports only two forfeits are necessary to disqualify a team. The increase in the softball limit will enable teams to engage in a greater number of games without being disqualified early in the season. The department felt justified in raising the number from two to four because of the fact that larger leagues are in existence this year.

Tennis shoes are required for participation in all outdoor intramural sports and men who do not come to games with this part of their equipment will not be allowed to play, reminds the intramural officials.

FORFEIT DOGHOUSE

F Infantry, softball
5 Corps Headquarters, softball

The Forfeit Doghouse has hit a minimum for today's column. This is a pleasing surprise and with just a little effort on the part of the participants, the Doghouse can be kept almost empty for the rest of the year.

Dewey Hoke, of the Intramural office, has requested that recreational officers be reminded that the five dollar intramural fee is now payable at the office. Some of the recreational officers have failed to turn in the list of upperclassmen in their organizations.

Men who have entered the various open tournaments sponsored by the Intramural department are reminded that it is up to each individual contestant to contact his opponent and arrange a time for the game to be played. The first round of games must be played by Sunday, July 19.

Drawing Of Names In Open Tournaments Finally Completed

Schedules Can Be Found On Bulletin Board Outside Of Intramural Club-Room

Monday is the opening day of the Intramural department's open tournaments and everything is in readiness for the big day. The participants have been bracketed in their respective sports and the lists will be placed on a bulletin board in the east corner of the gym. This is just outside of the Intramural clubroom. A box will also be placed at this same place for the contestants to place the result slips.

The official rules of the tournaments are:

1. The matches in each round must be played on or before the date shown with the respective round. If opponents cannot decide on a date the match will automatically be scheduled for 2 o'clock of the date shown. Matches not played on schedule will be forfeited.

2. Winners will record results of each match on slips provided at the Intramural office and place these slips in a box adjacent to the bulletin board mentioned above.

3. No schedule slips will be sent out. Matches must be scheduled by competitors themselves. Anyone desiring any special or detailed information should contact W. L. Penberthy or "Spike" White at the Intramural office as soon as possible.

Prospective students are eligible for scholarships at Princeton, and several of them at the University of Pennsylvania, if their father worked on the Pennsylvania railway.
