Twilight League Managers to Meet Wed And Select Players for Annual All-Star Affair

Following Wednesday's Twilight League games, all managers will meet in the lounge of the Y.M.C.A. for the purpose of electing players to participate in the annual Twilight League-Bryan All-Star game which will be held Thursday and Friday, July 23 and 24 in College Station and Bryan respectively.

It is important that each of the team heads be present as a representative group is desired to represent this league. If three or four managers are absent, it is very likely that their star players will get little if any consideration to play in the forthcoming classic. So, don't forget, fellows, let's all be present next Wednesday, because whether you are there or not, the selections for the two all-star teams will be made.

Now as to the selections themselves. There will be two different teams, each composed of 15 players. One will play in Bryan while the other will play hosts at College. The method of selection of these particular players will be all left up to the managers.

Choosing all-star teams always gives a headache to the selectors. The best of players are on many occasions left out, but as everyone cannot be put on these particular teams, the situation is unavoidable. Wednesday, the present league managers have their chance to select a representative group—teams that will go up against the best competition, so think twice before you choose a man.

This scribe has, along with the other managers of the league, given a good once over to every team and the following is just the opinion of the writer and nothing else.

I think the following boys should stand up against any softball league and make a good showing. Here they are: A Team—Beazley (Campus Theatre), and Hejl (Loupot), pitchers; Taylor (Loupot) and Bill Walker (Campus Theatre), catchers; Jennings (Campus Cleaners) 1b; Glass (Campus Theatre), 2b; Newberry (Loupot) ss; and Frost (Holick's) 3b; Leo Daniel (Campus Theatre), Sims (Lipscomb's Pharmacy), Roberts (Lipscomb's Pharmacy), and Zapalac (Campus Theatre), outfielders; Dunn (Campus Cleaners), Farmer (Madeley's Pharmacy), Carll (Faculty), utility men.

Here's the B team—Winder (Faculty), Lawler (Madeley's) and Rideout (Campus Theatre), pitchers; Lietz (Campus Cleaners), Warren (Holick's), catchers; Black (Campus Theatre), 1b; Atkins (Lipscomb's Pharmacy), 2b; Grantham (Campus Cleaners), ss; Jim Daniels (Campus Cleaners), 3b; Nesbit (Holick's) Riley (Aggie Cleaners), and Barton (Loupot) outfielders; Reese (Loupot) and I. D. Smith (Lipscomb's Pharmacy) utility men.

Of course, this may not all be your choice or selection, but I'll bet a dollar to a doughnut that both of the teams mentioned could go places in any softball league.

Sports Squibs From Here And There; Porter Advances To Class A Baseball League

Sam Porter, former hard-hitting Aggie first baseman has been transferred from the Hamilton, Ontario team to Asheville, North Carolina, a Class A team. . . Quite a big jump for Sam, but after looking over his .452 average in 28 games with the former squad, 'tis no wonder. . . Second Lieutenant Jim Thomason, one of the greatest blocking backs ever produced at A. & M., has been promoted to the rank of first lieutenant according to a report received from Camp Wolters. . . Marion Pugh, another Aggie immortal, suffered an emergency appendicitis operation last Thursday. . . Since then he has been transferred from Camp Roberts, California, to Killeen, Texas. . . Marland Jeffrey, former Aggie football passing ace, reported from Sheppard Field that the flyers will have a strong football squad next fall. . . The team already has games scheduled with Hardin-Simmons and Tulsa and is attempting to get a game with Baylor university. . . Jeffrey is the athletic director at Sheppard Field. . .

Smoking in defense factories is being given serious consideration by New York magistrates, who are imposing heavy penalties for 'no smoking' violations.

There is more use of explosive and inflammable matter today than in any period in our history. This is reason enough, Marvin Hall, State Fire Insurance Commissioner, believes, "to employ at all times added protection against the outbreak of fires."

Loupot Takes Over Twilight League Lead

Open Tournaments Start Monday With 6 Different Sports

Schedules Posted at Intramural Office; Games At Player's Conveniences

The Intramural department's open tournaments made their debut in Aggie sports life yesterday as the first round of matches in the six different sports opened play. Over 200 Aggies are entered in these various contests which call upon the participant's initiative. Each contestant is required to schedule his own matches at a time most favorable to himself. The entrants are given a week in which to play each round of the tournament. The first round of contests must be played by Sunday, July 19, or the match will be forfeited.

At the present time the tournament schedules are posted on the bulletin board in the main Intramural office. As soon as a bulletin board is erected adjacent to the Intramural Clubroom in the northeast corner of the gym the schedules will be moved to that location.

Officials of the tournament wish to remind entrants that no schedule cards or notices of any kind will be sent out to each individual. The entrants must come to the gym; consult the schedules posted there; and then contact their opponents in order to arrange a game.

Anyone desiring information on the events may contact W. L. Penberthy or "Spike" White at the gym. Rules of the contests are posted with the schedule of each sport.

W N Dowell Begins Duties With 'Mural Department Mon

W. N. Dowell, former director of physical education at Abilene Christian College started his new duties in the intramural department here at A. & M. yesterday. Dowell was appointed to fill the vacancy left in the department when Col. Frank Anderson was called to active duty with the Field Artillery at Fort Sill, Oklahoma.

The appointment of Dowell is only for the duration, said W. L. Penberthy, head of the physical education department, however the ever-increasing physical fitness program of the college may make his appointment permanent. Penberthy said that he hopes to develop badminton and archery in the expanded intramural program, and Dowell is considered an outstanding man in both of these sports.

Statement Made by Norton In '40 Turning Into Reality Now

Back on August 6, 1940, Coach Homer Norton, head man of athletics at Texas A. & M. College, made a remark that is becoming more significant every day.

Country First
Interviewed by Frank Tolbert, sports writer for the Fort Worth Star-Telegram, at the high school all-star game in Austin that year, Norton discussed the possibilities of his players being called to service before they finished their eligibility and said, "I'm not worrying about this conscription business. If such an emergency develops that my boys are needed, then football will become very unimportant to me."

Since that time Norton has seen somewhat of a parade of departures for military and naval service. Men counted upon for the two campaigns since have left for the army or navy and now four of his coaching staff have gone off to the wars.

Four Leave In '41
First to leave after the 1941 season ended were Leonard Dickey, tackle, and Dennis Andricks, full-back. Both were lettermen and figured to play a lot of football this year. At the end of the regular school year Bob Tulis, only letterman tackle left, resigned from school to join the fighting forces. Since then Tom Pickett, letterman wingback, has enlisted.

Freshman co-coach Charlie DeWare volunteered and at last reports was in the infantry as a private at Camp Wolters. Backfield Coach Marty Karow was commissioned a lieutenant in the U. S. Navy and then End Coach

INTRAMURALS

By Mike Mann

An addition has been made to the staff of the Intramural Department in the person of W. N. Dowell, formerly of Abilene Christian College, who is replacing Col. Frank Anderson. Dowell is an outstanding authority in the field of physical education and may be considered a most valuable addition to the local department. Archery and badminton will be two sports to which Dowell will devote much of his time. Any Aggies interested in these sports should get acquainted with him as soon as possible.

FORFEIT DOGHOUSE	
CLASS A	
4th Stoop Quartermasters, softball	
C Replacement Center, water polo	
CLASS B	
A Signal Corps, softball	
E Engineers, softball	
F Infantry, softball	
5 Corps Headquarters, softball	
5 Corps Headquarters, volley ball	
A Replacement Center, volley ball	

Yesterday marked the official opening of the Intramural department's open tournaments. The department wishes to caution entrants that no schedule notices will be sent out. The participants MUST contact their opponents and arrange a time for their match. The first round of games must be played by Sunday, July 19. The schedules are posted temporarily in the main Intramural office, pending the erection of the bulletin board in the northeast corner of the gym.

In Class B softball the L Infantry freshmen ran wild over the F Infantry team to wallop them 36-0. This is a strong bid for the high-scoring honors in the softball race. The 3rd Corps Headquarters freshmen went down before the onslaughts of C Cavalry to lose 18-10. B Field Artillery took I Infantry 18-10.

The last two Class B softball games, though not so spectacular, were a pair of hard fought matches. The American Legion team defeated D Replacement Center 7-4 and C Field Artillery nosed out G Infantry 8-7.

A Field Artillery took a Class A softball game as they walloped F Engineers 24-10. H Field beat Headquarters Cavalry 16-9 and M Infantry defeated D Replacement Center 11-6.

G Coast Artillery whipped the 3rd Stoop Quartermasters 10-4 and D Infantry took A Signal Corps 6-2 in the last two Class A softball games.

Other intramural scores:
CLASS A
Tennis
1 Hdq. F.A. 2, B Cav. 1
D Eng. 3, B R.C. 0
E Inf. 2, Art. Band 1
D F.A. 2, L Inf. 1
D Cav. 2, C R.C. 1
CLASS B
Volley Ball
E Inf. 2, B CAC 1
5 CHQ 2, A Eng. 1
H F.A. 2, E Eng. 1
A Cav. 2, B CWS 0
A Inf. 2, B Eng. 1
B S.C. 2, 2 Hdq. F.A. 1

Four Ex-Aggies Get Promoted at Wolters

Camp Wolters public relations office announced today the promotions of Second Lieutenants John P. Steel, Stratford, Claude D. Emmons, Hico, James T. Anderson, Garland, and Joseph W. Nelson, Whitesboro, to the rank of First Lieutenant.

All have been on active duty after having received their commissions here at A. & M. in May, 1941.

Lieutenant Steel recently married the former Mill Billie Hester of Conlen, Texas, and the couple now resides in Weatherford near Camp Wolters.

Hejl Bests Beazley in 2-1 Duel; Ag Cleaners, Holick and Madeley's Win

Loupot's Trading Post showed signs of developing into a real threat for the Twilight League crown last night when they bested the Campus Theatre, 2-1, and took over undisputed lead over the league.

Holick's Beat Campus Cleaners
Holick's Cleaners deserve a big assist in putting Loupot's in the lead for their 3-1 victory over the Campus Cleaners left the former ahead by one game.

In other games, Lipscomb's Pharmacy fell further down by losing to Madeley's Pharmacy, 3-1 and the Aggie Cleaners climbed a notch with their 8-6 victory over the Faculty.

But back to the Loupot-Campus Theatre game. It was a sweet victory for Johnny Hejl, ace hurler for Loupot's, who held the Theatre bunch to one scratch hit, a bunt by Bill Black in the third inning. For Charlie Beazley, fast pitcher for the Campus Theatre, it was a heartbreaker. He allowed but three hits, but two walks plus a timely blow by Catcher Jack Taylor sent two runs scurrying across the plate in the first inning. The Theatre made their run when Black got an infield hit and came all the way home when J. R. Adams dropped Leo Daniels long fly.

Good Pitching
Some fine hurling by Buck Hogge of Holick's enabled Mopey Smith's ten to defeat the perennial favorites, Campus Cleaners. The former scored all its runs in the third and fourth while the latter managed for a tally in the first inning. Hogge allowed but four scattered hits while his mates blasted the offerings of Jim Daniels for seven safeties.

The biggest upset of the day goes to Madeley's Pharmacy who really put on a show defeating

the Lipscomb's Pharmacy, 3-1. Maxwell's lusty homerun in the first inning brought in Reed ahead of himself to send Madeley's away to a 2-1 lead. Lipscomb's had accounted for their run in the first when Roberts drew first on an error and came in on hits by Smith and Punch.

4-run Rally
A four run rally in the sixth inning enabled the Aggie Cleaners to come through with an 8-6 win over the Faculty. The latter had opened the game with a four run outburst but three runs in the first and four in the sixth was too much as Doc Kerby withered through the last three innings without allowing a run.

The teams play again Wednesday with the following tilts on tap:

Loupot's Trading Post vs. Faculty—Diamond 7
Campus Cleaners vs. Campus Theatre—Diamond 9
Madeley's Pharmacy vs. Aggie Cleaners—Diamond 4
Holick's Cleaners vs. Lipscomb's Pharmacy—Diamond 6

Survey of Preferences In Sports Taken Soon

Recreational survey blanks will be circulated in the near future, the Parks and Recreation class of the Landscape Arts Department stated Monday.

This survey will endeavor to find out what sports the students take part in other than the Intramurals and what types of sports students would be interested in if the facilities were present. These blanks will be filled out and turned in to the organization recreation officer.

The United States has some 600 junior colleges.

BARRACKS BROWNS Step Out

Halt, men! Eyes right! Barracks Browns steps out in front. It's an Officer's brown to suit the taste of men in uniform. Comfort? Say, comfort's built right into every pair. Go to W.S.D.'s College or Bryan store. Look at Barracks Brown. Then you and Barracks Brown will hitch up for the duration.
