### Probable Loss of Baylor's Gridiron Stars Clinches Decision on Freshman Eligibility

The recent announcement of the possible loss of Milton Crain, Kit Kittrell and Buddy Gatewood, all of Baylor University, to the US armed forces in the very near future almost leaves it without a doubt in the world that the Southwest Conference officials will adopt the freshmen back into their fold for the first time since World War I.

This big question was not decided early in May when the conference had its first meeting. It was tossed around here and there, with one school on one side and the other on another side. At that time, Baylor University was the big noise for the "let's-have-freshmen-on-varsity team" question since it had lost the bulk of its squad to Uncle Sam.

Such stars of the green and gold as Rex Gandy, and W. J. Goldbolt, hard-hitting tackles, Guard Jim Bean and All-America prospect Jack Russell, an end, had gone via the draft or army route. Of course that was bad enough but Coach Frank Kimbrough still might have had a team with such boys as Buddy Gatewood, Kit Kittrell, the hero of the Texas Longhorn deadlock, and Milton Crain, the "John Kimbrough" of the Baylor team, around. But when the word came out that these gridsters, along with three or four more

would likely be missing in September, you can bet your life that it was then that Coach Frank Kimbrough definitely decided that without freshmen Baylor could not survive.

Even should the rest of the six other conference schools vote against the freshman question—which in itself is highly improbable—the conference would still, in all probability decide in the affirmative. It is very unlikely that the league officials would take a chance of losing a member just because of a small matter. And they certainly would lose Baylor, because Coach Frank Kimbrough's already depleted squad cannot face a 16-game schedule without additional help.

The freshman angle probably would not have any effect on such schools as A. & M., Rice, Texas or even Arkansas for these already have their team members either in the R.O.T.C. or in the Naval Reserves. S.M.U., T.C.U. and Baylor probably will have two or three freshmen on their starting lineups as each has suffered hard losses.

I said at the start of this semester that there wasn't any question as to what the conference would do about freshmen as far as varsity football was concerned and this latest development more than affirms my statement.

### Sports Squibs From Here and There; Paul Cheatham, Ag Guard, Quits Football Squad

Another gridster dropped off the Aggie gridiron rolls when Paul Cheatham, squadman guard announced that he would drop football and devote his time to studies. . . . Don't be surprised to see football shots of John Kimbrough running over would-be tacklers in the future motion picture about Texas A. & M. College. . . . Best prospective softball star in this Twilight League has undoubtedly been Jimmy Newberry, outfielder for the Aggie baseball team this past spring, and presently shortstop for Loupot's Trading Post. . . . Newberry is hitting a bit above the .500 mark indicating that the diamonder is really slamming the ball to the four corners of the field. . . . Jim has been doing great at any rate. . . . Others of baseball fame playing in the Twilight League who, some fans thought, couldn't do as well in softball but are going like a house afire are Bill Black, doing his chores at

### First Round of 'Mural' Tourneys To End Sun July 19

Few Already Completed Their Matches; Others To Play in the Next Few Days

The Intramural department's open tournaments which opened last Monday are continuing with contestants trying to finish the first round contests by Sunday, July 19. According to the Intramural Department if the first round of contests is not finished by that date, the matches will have to be forfeited.

Entrants are reminded that at the present the tournament schedules are posted on the bulletin board in the main Intramural office. The players must come to the gym and consult the schedules posted there. Then the opponents must consult each other and arrange the games at their own convenience.

Rules of the six different sports are posted with each schedule. Anyone desiring information on the events should contact W. L. Penberthy or "Spike" White at the gym. As soon as a bulletin board is erected adjacent to the Intramural Clubroom in the northeast corner of the gym, the schedules will be moved to that location.

# Twilight League Managers Elect Two All-Star Teams to Face Bryan

The Twilight League managers met last night on the Y steps and elected R. H. McMinn of Loupot and Mike Haikin of the Campus Theatre to head two 15-man teams to face the Bryan All-Stars here and in Bryan Thursday and Friday July 23 and 24 in the annual

all-star game. Johnny Hejl, ace moundsman for the league-leading Loupot ten, and Charlie Beasley of the Campus Theatre mound staff were voted by the managers to head the two teams. Hejl was assigned to the A team while Beasley was

elected to start for the B team. These two mound aces will be supported by Gregg Ramsey of the Campus Cleaners on the A team and Bud Rideout of the Campus Theatre on the B team supporting Beasley. Bill Black of the Theatre and

Horace Jennings of the Campus Cleaners were the two firstbasemen chosen. Each has shown great ability at their respective posts with Black leading the way in hitting and Jennings showing great form in the fielding department.

For second base, Clay Atkins of Lipscomb's was chosen on one side and Ira Glass of the Theatre on the other team. These two boys have been stalwarts for their teams showing great form in their games.

The rest of the infield included Newberry of Loupot, and Frost of Holick's on the A team and Johnson of Madeley's and Grantham of Campus Cleaners on the B team.

The outfielders for the A team included Johnny Roberts of Lipscomb's, Leo Daniels of Campus Theatre, Milton Sims of Lipscomb's and Bill Carl of Faculty on the A team and Mopey Smith of Holick, Nesbit of Holick, and Foster of Madeley's on the B teams.

### Loupot's and Campus Cleaners Win Again; Lipscomb's, Madeley's Eke Out Victories

Loupot's Trading Post and Campus Cleaner's kept their winning streaks intact as they won one-sided victories Wednesday evening. Loupot's had little trouble in taking the measure of the Faculty boys by a score of 9-2. Meanwhile the Campus Cleaners with the help of a four run rally in the first inning defeated the Campus Theatre to remain a game behind Loupot's team which is at the present perched in first place.

In the other games of the evening Madeley's Pharmacy eke out a 7-6 win over the Aggie Cleaners, and Lipscomb's Pharmacy stopped their losing streak by winning a six to five victory over Holick's Cleaners in a closely contested four inning game.

Loupot's had little trouble in keeping the league lead as Miller pitched airtight ball and kept the profs from the base paths till the late innings by which time his teammates had given him a safe lead. Loupot's boys had their big innings in the second when they pushed three runs across the plate and in the fifth when they crossed the plate for four more runs. The profs managed to score single runs in the fourth and sixth innings.

The Campus Cleaners after scoring four runs in the first inning hustled and kept the Campus Theatre from crossing the plate through most of the game. The Theatre boys managed to cross the plate once in the first inning and again in the seventh inning. The Campus Cleaners scored three more runs in the late innings to bring the final score to 7-2.

Madeley's Pharmacy continued in their winning ways by scoring a run in the last inning to eke out their 7-6 victory over the Aggie Cleaners. The Aggie Cleaners erupted for six runs in the very first inning but after that Webb the Pharmacy pitcher held their bats in check, and with the help of Maxwell's booming home run

in the third inning became a winning pitcher. Maxwell was also responsible for scoring the winning run in the sixth inning as he came across the plate on Farmer's double, which broke up the game and gave a hard earned win to the Pharmacy boys. Holick's Cleaners scored five

runs in the early innings of their game with Lipscomb's Pharmacy but the latter came back strong in the late innings and pushed across six runs to win the game. At the present the Campus Theatre, Holicks and Madeley's are tied for fourth place and Monday's games should clear this up.

### Texas Aggie Rifle Team Takes High Honors in Recent Matches

By Mike Mann  
Assistant Sports Editor

Upholding the reputation of previous teams, the Texas Aggie Varsity Rifle Team took high honors in the East Texas Small Bore Championship matches at Kilgore Sunday. In taking the spotlight the team accounted for 13 places in the competition—5 firsts, 4 seconds and 4 thirds.

Russell T. Cook, team captain, led the group by taking two first places and three seconds. Masse was close behind with two firsts and a third place. Other members who figured in the victory were Robert Cox, A. J. Getz, William Obenour, Souris and J. E. Wesp.

Major Orind Horne, CWS, and Corp. Taylor, CAC, both of the A. & M. Military Department, accompanied the marksmen to the East Texas matches. Lieut. C. A. Williams, C. of E., team coach, was unable to make the trip with the team.

The award most sought by the Cadets was the R.O.T.C. Trophy. Cook and Getz tied in total number of points in the race for this prize but it was awarded to Cook by a process of elimination in which he had two more center-shots than did Getz.

More than 65 individual sharpshooters from Dallas, Fort Worth, Kansas City and other parts of the country took part in the shoot in which the Aggies have the distinction of winning more trophies than any other team entered.

## INTRAMURALS

By Mike Mann

Only four more days remain in which the first round matches of the open tournaments may be played and less than an eighth of the games have been played. If these games are not played by Sunday evening the entrants will be given forfeits and dropped from further participation in the contest. The facilities of playing space are limited, especially in handball and tennis, and if the players wait until the last minute to get their matches off they will find themselves unable to obtain courts.

League champions were decided in the Class A water polo competition when B Infantry took D Field Artillery 1-0; B Coast Artillery defeated 3rd Corps Headquarters 4-0; A Chemical Warfare beat E Infantry 1-0; and C Infantry whipped E Engineers 2-0. In an eighth final match, I Field Artillery out-

played F Coast Artillery to win 2-0.  
Charlie Drake, Wally Clore and Jimmy Lloyd led E Coast Artillery to a 23-4 victory over A Signal Corps. Lloyd did the hurling for the artillerymen.  
Eddie Blackaller was on the mound for the 3rd Corps Headquarters boys against the 2nd Headquarters team and held them down as the CHQ team took a 11-3 win. Benny Dupree and Gerald Carlisle were the sluggers for the victors.
