Meyer Dominates Play In 'Mural Open Tournament

Dave Meyer, C Battery Coast Artillery senior from San Antonio, is dominating the scenes of the intramural department's open tournaments as these matches reach the closing rounds of play. Meyer is in the finals bracket of the horseshoe singles and is scheduled to meet either Curtis, A Coast, or Burchfield, I Infantry. He and Caro, 4 CHQ, are slated to meet to decide the Aggiewintons singles champion.

Meyer and Bill Dreiss, B Coast, playing in the horseshoe doubles tournament have taken the championship in that event. They defeated Boyd and Barton of B Coast to take the crown.

Boyd and Barton are not without laurels, however, as they have won the title in the Aggiewintons doubles tournament by defeating Lanier and James, also of B Coast.

The golf championships will be decided in the near future. Both divisions are either in the final stage or nearing it. Forrest and Lietz, G Coast, will meet Hancock, B Field, and Harrison, C Field, in the doubles final match. In the singles final Washington F Engineers, will play the winner of the semi-finals round between Ramsey, Infantry Band, and Jackson, F Coast.

The singles in handball have not reached the final rounds but the finalists will be decided in the immediate future. Kenny and Drolesky, both of 1 CHQ, will meet in a semi-final match while Nixon, 3 CHQ, will take on the winner of the match between Burgess, 2 CHQ, and Cokinos, H Field, in the other semi-finals event. C Cleaners Take Over League Lead After Downing Loupot

The Campus Cleaners ousted Loupot's Trading Post out of first place and took the lead in the Twilight League race by defeating the latter Thursday night 6-2 behind the steady pitching of Greg Ramsey. The game was a re-played contest which resulted from the decision of the team managers on a protest by Horace Jennings, Campus Cleaner manager in a game between the two clubs which was played last Monday.

Both teams were scoreless for the first two innings but in the third the Campus Cleaners broke loose with five runs and chased Shaw, the Loupot pitcher, from the mound. Newberry moved over from shortstop and relieved Shaw to finally retire the side. The wild third in which the Campus Clean-

ers scored their five runs, was featured by a tremendous home-run by Gillette which found a teammate parked on base.

Loupot's scored a run in the fifth inning as Hejl singled and advanced to second base on a pass ball. From second Hejl came in on a bingle. In the final inning Newberry opened with a double and advanced to third on an in-field out and crossed home plate as a teammate grounded out.

The Campus Cleaners added another run in the fifth to bring the final score 6-2. Ramsey besides pitching tight ball helped his cause with two hits in three times at bat and scored a run. Dunn and Daniels connected with doubles for the winners while Taylor led Loupot's batters with two hits.

A Few Notes on the Twilight League Race; Lipscomb's and Theatre Show Much Promise

Just when it seemed that at last the Twilight League had found a favorite in its midst, then everything went haywire again. For 10 consecutive games, Loupot's Trading Post looked as unbeatable as the Yankees, but something snapped the past two tilts, and now Lou's boys find themselves one game behind the surprising pacesetters, Campus Cleaners.

Now the Cleaners hold the reins, but their lead is none too secure for any of the eight clubs in the league are likely to pull a fast one and easily upset the favorite. Each of the teams in the second division hold some upset or other over the four top teams—Campus Cleaners, Loupot's, Lipscomb's Pharmacy and the Campus Theatre.

For example two of the Aggie Cleaners' three victories were over the Campus Cleaners and the Theatre by the respective score of 3-1. The Faculty holds a 1-0 decision over Loupot; Madeley's Pharmacy surprised Lipscomb's in a recent tilt, 3-1; and Holick's Cleaners really put it on the Campus Cleaners and Loupot's, the two leading teams of the league.

And so it has been throughout the Twilight League season. There is still another month to go—the season ends August 24—and anything can happen. At the present time, the wind points toward the

Campus Cleaners, Loupot's, Lipscomb's Pharmacy and Campus Theatre being in the "Shaughnessy" playoff come the end of the race. All four have been playing far better ball than the other quartet, and there is no reason why one or more of the teams should suddenly fold up.

Two teams that have been showing exceptional improvement in their past few games are Lipscomb's Pharmacy and Campus Theatre. The former one really hit its stride against Loupot's last Wednesday night, pounding out a 10-2 win. Clay Atkins, Johnny Roberts and Milton Sims are still the main cogs of the team and the way they go is the way Lipscomb's Pharmacy will go.

The Theatre, finally finding some hitting power from its fancy fielders, is likely to give a few of the higherups a good thrashing before the season is over. During the early part of the year hitting was nil on the team, but during the past few days, it has been one of the main characteristics. Bill Black, fast first sacker, Boots Simmons, second baseman, Bob and Bill Walker, and Ira Glass have been slamming the ball at a respectable clip in the past few tilts, and they may prove to be just the tonic the Theatre needs for that down-the-stretch drive.

Sports Squibs From Here and There; Martin Ruby, '42 Ag Tackle, Now at Randolph Field

Martin Ruby, the Aggies' bruising tackle of the '42 team, is now taking flight training at Randolph Field. Ruby signed up with the Naval Reserve at the Cotton Bowl last January but got tired of waiting to be called, so he got his discharge in order that he may go to Randolph. Coach Homer Norton will leave for Chicago next Wednesday. Norton is one of the co-coaches of the College All-Stars who play the Chicago Bears in a benefit game August 28. There is a possibility of getting together a two out of three game series between the Twilight League

champion and the Intramural Class A softball title holder. It's in the maturing stage only, however, so don't get hepped up on the idea. And don't think that if such a game is set up that the Twilight League champ will have an easy time with the 'mural boys. Don't fool yourself, there's plenty of softball talent out on the intramural field every afternoon. Lil Dimmitt, the handy-man of the Aggie coaching staff since Dough Rollins departed, is still working hard to get Ralph Ellsworth, Alamo Heights' (San Antonio) (See KYLE FIELD, Page 4)
