# 3rd Hdq. and C Field Artillery Collide For Class B Swimming Title Monday

By Mike Haikin

## Some Twilight League Softball Highlights; Campus Cleaners Show Great Improvement

It's down the home-stretch drive for Aggeland's Twilight League, with only five more games remaining on the schedule. The race is slated to close Monday, August 24, and the "Shaughnessy" playoff between the four teams of the first division expected to follow on the next day.

Holick's Cleaners is the only second-division team at the present with any chance of surging into the playoffs. They are only two games behind the fourth-place Campus Theatre team, and it would not be impossible to overcome that advantage. The other three top teams should find no trouble in holding down a playoff berth.

It took eight weeks to find out who the top team of the league would be, but it finally dawned upon the spectator and the Twilight

League teams who that particular leader is. For a long time, the Campus Cleaners kept themselves in obscurity. In fact, it was not until last week that they surged into first place, but, brother, when they did they really did it in a convincing fashion.

Since that time, they've been bowling over team after team, and with a two-game lead under their belts it seems almost sure that the Cleaners will come out winners in the regular round-robin race. Manager Horace Jennings' softballers have shown plenty of hustle in winning their games and all credit should be duly given them.

The Cleaners still have five games to go, and it would be no surprise if they tripped along the way, but, take it from this corner, it's going to take plenty of steam from the second-place Loupot ten to catch up with the leaders.

## Sports Squibs From Here and There; Eleven Ex-Ag Grid Stars to Play With Army Teams

Eleven former Aggie football stars have been invited to play the gridiron sport on the East and West army teams. These teams, which are coached by Bob Neyland, formerly of Tennessee university, and Wallace Wade, former Duke university mentor, will play a regulation schedule with professional teams next fall. The Aggies invited so far include, Herbie Smith, Jack Kimbrough, and Jim Sterling, ends; Chip Routt and

Leonard Dickey, tackles; Roy Butts, guard; Bill Conatser, Derace Moser, Marion Pugh, Dennis Andricks, and John Kimbrough, backs. . . . Congrats to Roy Gates of the Publicity Department for his great job in putting out one of the best football dope-books ever compiled. . . . and Rheman. The junior in charge of the freshmen sports for C Battery is A. P. Womack.

## Title-Match to Take Place at P. L. Downs Natatorium at Eight

Another intramural champion will be decided Monday at 8 p. m. when C Field Artillery and 3rd Headquarters Field Artillery meet in the finals of Class B Swimming. C Field Artillery took themselves into the final round by defeating the B Coast Artillery freshmen Thursday evening. The swimming champ would have been decided earlier but the upper bracket had to be played over because one of the teams that reached the finals was found to be using ineligible men without knowing it.

Both of the teams have an enviable record in the playoffs and have won all of their games by decisive scores. The results of the C Field-B Coast Artillery game Thursday night showed a score of 36-12 in favor of the Field team.

R. L. Parker is the junior manager of the 3rd Headquarters team whose roster includes: Medaris, Sullivan, Harwood, Lamberth, Brundrett, Boatwright, Dee, and Federman. The C Field team consists of: Maher, Rogers, Bower, Lokey, Sylvester, Brown, McCorty,

# Intramural Department to Hold Open Swimming Tournament Saturday Aug 15

Tourney Is Open To Freshmen And Upperclassmen Alike

With the six tournaments which have already been sponsored by the Intramural Department rapidly drawing to a close, W. L. L. Downs, Jr., Natatorium August 14.

This tournament is open to anyone who is eligible to participate in intramurals, either Class A or Class B. Members of both the varsity and freshman swimming teams are ineligible to compete in this tournament.

Events to be held in the tournament are as follows:

A Cavalry pulled one out of the bag in Class A Softball as they defeated F Engineers 17-0 in a hit, no-run, no-error, game. Kyle Drake did the hurling chores for the Cavalrymen and also banged out three hits. Ed Kingery, Bill Selman, and Kervin Giese were other A Troopers in on the slugfest and chalked up three safeties each.

The Forfeit Doghouse is still too large and not much sign is seen of any let-up. Many of these forfeits are caused by misunderstandings within the organizations. Recreational officers are urged to keep a close check on their schedules for the various sports and to be positive that each game is announced at meal formations by the first sergeant.

A free-scoring fracas took place in Class B softball as 3rd Headquarters Field Artillery walloped A Chemical Warfare 32-4. T. S. Fortenberry led the sluggers with a double, and a single. H. P. Harwood did his bit with a four-bagger and two singles.

## Campus Cleaners-Theatre Tilt Tops Four Games to be Played Mon. Evening

Four more games will be rolled off in the Twilight League Monday evening. In probably the most important game of the evening the Campus Cleaners, the current league leaders, will clash with the Campus Theatre who are at the present in fourth place. In the other games of the day Holick's Cleaners meets Liscomb's Pharmacy, Madeley's Pharmacy faces Aggies Cleaners, and the Faculty confronts Loupot's Trading Post.

In the two previous clashes between the Campus Cleaners and Campus Theatre the Cleaners have soundly trounced the Theatre boys. The latter will be out to make amends for the past and will be endeavoring to reduce the league leader's lead. The Holick-Lip-

scomb tilt should be very close as Holick's is trying hard to earn a place in the first division in order to be eligible for the play-offs. The Faculty has played tie games in their last two contests and will be out either to tie or win from Loupot's boys.

Following is the schedule and diamonds, for Monday evening: Holick's vs. Liscomb's Pharmacy—Diamond 4  
Campus Cleaners vs. Campus Theatre—Diamond 7  
Madeley's Pharmacy vs. Aggie Cleaners—Diamond 9  
Faculty vs. Loupots—Diamond 6
