Twilight League Climax Comes Tuesday When "Shaughnessy" Playoffs Take Form

The climax to a Twilight League softball season, which patrons here regard as the most successful in the eleven-year history, will begin Tuesday evening when the top four members of the league start on the hazardous task of winning the "Shaughnessy" playoff.

Campus Cleaners, Loupot, Lipscomb, and the Campus Theatre will form the quartet which will fight it out for the coveted league crown. Horace Jennings' Cleaners have already clinched the regular season title, but when it comes to the playoff, they're going to be no better off than the rest of the teams.

In other words, the whole thing is going to be on a fairly even scale for the four teams in question since they have acquired the habit of beating each other in the regular season. Just look at some of these results. Campus Cleaners found the going tough twice at the hands of their first-division opponents, once bowing to Loupot, 6-3 and the other time being thoroughly and convincingly drubbed by the Campus Theatre, 10-0.

Sports Squibs From Here and There; Vaughn And Jeffrey Are Added to Army Grid Squads

Two more Aggies have joined the ranks of the Army football squads. This time it's Lt. Marland Jeffrey, co-passing star, along with Marion Pugh of the '39-'40 football teams, Lt. Tommy Vaughn, peppery center from the same teams. That makes 14 former Aggie football stars who are now playing with the East and West Army gridiron squads. There'll be another Routt here at A. & M. this fall. He is Milton Routt, brother of Joe and Chip, Aggie football stars of recent years. Milt is 6 feet tall, 205 lbs. and plays the tackle slot, a position manned by Brother Chip two years ago.

Regular Twilight League Season Ends Monday; Lipscomb-Loupot Tilt Tops Card

Only First Place Is
Cinched; Others To
Be Decided by Mon

Monday evening the Twilight League clubs will tangle up in the last games of the regular season. So far first place has been cinched by the Campus Cleaners but the other three places in the play-offs will be affected by Monday's tilts. In the most important game of the evening Loupot's Trading Post and Lipscomb's Pharmacy will battle it out for undisputed possession of second place. At the present both of these clubs are tied for second place and the winner of Monday's game will take over second place with the loser falling to a third place tie with Campus Theatre, provided the latter wins their scheduled tilt from the Faculty. In the other games for Monday Holick's Cleaners plays Aggie Cleaners and Campus Cleaners takes on Madeley's Pharmacy.

The play-offs will start Tuesday evening with the Campus Cleaners battling the club that lands in fourth place, and the second place team taking on the third place club. The series will be for two games out of three with the winners meeting in a five game series.

Lipscomb's Pharmacy and Loupot's have split their games so far this season with each club holding a victory over the other. Thus the game Monday will not only decide second place but also will decide which club comes out ahead in the tilts for the season between these

INTRAMURAL HIGHLITES

by Mike Mann

Bill Ogan, D Engineers, turned on the steam and held A Chemical Warfare hitless in a Class A softball game. Ogan struck out 11 Chem Warfare men as D Engineers set the Chem boys 6-0.

3 Corps Headquarters lost a heart-breaker to A Coast Artillery in a Class A softball match as the Coast boys cut loose with everything they had to bring across three runs in the last of the seventh and win the game 5-3. Charlie Ray, Corps Headquarters hurler, held the Coast team to one hit in the first five innings but weakened late in the game. Sam Granata did the pitching chores for the Coast Artillery club.

Carroll of E Replacement Center turned in a scoreless game as he hurled his team to a 3-0 win over B Coast Artillery. Another shutout was chalked up by Ramsey, H Coast Artillery, as he set D Infantry down 4-0. Both of these matches were Class A softball games.

Downs Natatorium To Be Scene Of Gulf Coast AAU Swim Meet Aug 29-30

The annual Gulf Coast A. A. U. Swimming Meet will be held in the P. L. Downs, Jr. Natatorium Saturday and Sunday, August 29-30.

A full card of events in both the Junior and Senior divisions of men and women have been scheduled and new records are expected to be set during the two day swimming meet.

Gilbert Wins Over Whitacre In Open Tennis Tournament

DuBose Meets Pettit For
Table Tennis Crown; Last
Of Tourneys to be Decided

By Mike Mann

Assistant Sports Editor

With the crowning of Clarence Gilbert, A Infantry, as tennis champion in the singles division of the Open Tournaments, only one more sport, table tennis, remains to be decided. Gilbert defeated Johnny Whitacre of D Field Artillery to take the tennis singles championship.

Gilbert lost the first set to Whitacre by a score of 4-6 but came back strong in the following two sets to take them 6-2 and 7-5. This fast finish seems to be a strong point in Gilbert's game since he won the semi-finals match in a similar manner.

The table tennis singles championship will be decided Monday afternoon when Bill DuBose, C Coast Artillery, meets Joe Pettit of A Infantry in the final round. Both men have shown excellent play in previous matches and a nip-and-tuck battle is expected.

The Open Tournaments close with the table tennis match and an end comes to an extremely successful tournament. This competition was planned and sponsored by the Intramural Department with W. L. Penberthy and Spike White having charge of most of the details. An interesting feature of this tournament was that no scheduling was done by the department. Each contestant was responsible for meeting with his opponent and setting a playing time. Leaving this detail to the players did not hurt the contest in any noticeable manner as forfeits were at a minimum.

Intramural medals were awarded to all of the champions as they were decided. The Intramural officials deserve a vote of thanks for such favorable results on the tournament. All participants, winners and losers alike, showed swell spirit in the competition.

The Academic building of Texas A. & M. College is located on a natural divide. The water on one side of the structure flows into the Brazos River and that from the other side into the Navasota River.

Already entered in the meet are the Texas Aggie stars Bob Taylor, Danny Green, and Bob Cowling. Green and Taylor are freestylers while Cowling specializes in the breast stroke.

The junior division events will start Saturday night at 8 o'clock but if preliminaries are required they will be held at 5:30. Order of the events in this division include: Men's 220-yard freestyle; woman's 50-yard back stroke; men's 50-yard breast stroke; women's 50-yard free style; men's 100-yard freestyle; men's and women's diving; men's 50-yard backstroke; women's 100-yard free style; men's 50-yard free style; and women's 50-yard breast stroke.

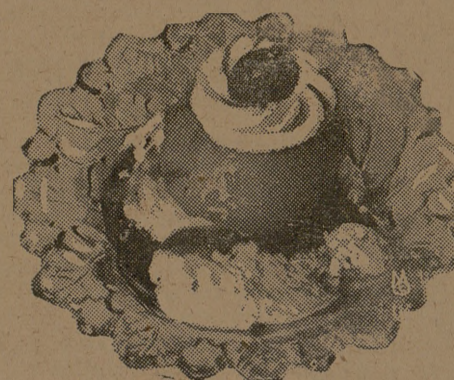

Events in the senior division will begin at 2:00 Sunday afternoon with qualifying rounds at 12:45 if they are required. Order of events will include: men's 220-yard free style; women's 100-yard free style; men's 100-yard back stroke; women's 100-yard back stroke; men's 440-yard free style; women's 100-yard back stroke; men and women's diving; men's 100-yard breast stroke; women's 50-yard free style; and men's 100-yard free style.

All entries accompanied by twenty-five cents for each event entered should be mailed to Coach Arthur Adamson here before noon Friday, August 28th. This year the Texas Aggie water polo team will serve as sponsors of the meet.
