Lipscomb-Theatre Tie for Third As Loupot Nips Pharm

Holick's Score 8-2 Win Over Ag Cleaners; Twilight League Race Comes to Close

The Twilight League regular season came to a close last night as Loupot's Trading Post defeated Lipscomb's Pharmacy 2-1 behind the one hit pitching of Walter Shaw. By virtue of the win Loupot's took undisputed possession of second place and Lipscomb's fell to a third place tie with the Campus Theatre who won over the Faculty by the tune of 8-2. In the other games, the Campus Cleaners slugged an 8-2 win over Madeley's Pharmacy and Holick's Cleaners won by the identical from the Aggie Cleaners.

In the Loupot-Lipscomb game Walter Shaw was the main figure as he struck out nine of Lipscomb's batters and held them to a single bingle. In the first three innings Shaw retired seven of the ten batters that faced him by the strike out route and up to the fifth inning he had a no hit game. In the fifth Shaw walked Ogden and Maroney, and then Scharper spoiled a perfect game by lining a single into left field, and bringing in Ogden across the plate with the lone Lipscomb run. Drake who was on the mound for the pharmacy boys pitched good ball allowing only six hits but three of these were bunched in the second inning when hits by Hejl, Miller, and Reese accounted for the two Loupot runs. This win gave Loupot's undisputed possession of second place and dropped Lipscomb's Pharmacy to a third place tie with the Campus Theatre.

With Dutch Albert pitching tight ball the Campus Theatre came from behind and defeated the Faculty 8-2. The pros pushed two runs across in the fifth inning and were leading 2-1 when the Theatre boys exploded with a seven run rally in the last inning to win the game.

Holick's Cleaners collected eight hits and made as many runs in winning over the Aggie Cleaners 8-2. Holick's scored three runs in the first two innings and then came back in the last innings to score five more runs to bring their total to eight. The Aggie Cleaners tallied once in the second and again in the third frame for their two runs.

The Campus Cleaners by walks and errors on the part of Madeley's Pharmacy scored seven runs in the second and third frames to coast an 8-2 win. Madeley's Pharmacy scored lone runs in the second and sixth innings.

INTRAMURAL HIGHLITES

by Mike Mann

C Infantry walloped the American Legion boys in a Class A softball game to the tune of 12-1 as Jimmie Newberry, Infantry hurler, knocked out two more homers and a triple in addition to holding the Legion team in check and Jimmy Ramage first sacker for the Infantrymen, poled out a four-bagger and two doubles.

Henry Johnson and Bob Clinton led the D Coast Artillery Class A two hits each as their team defeated C Chemical Warfare 7-3. Johnson is the Coast thirdsacker while Clinton holds down the initial bag.

Other Class A softball games saw D Field Artillery take the 3rd Stoop Quartermasters 6-3 and K Infantry nose out D Replacement Center 7-6.

In the Class B softball division the American Legion team nosed out C Chemical Warfare 6-5 as D Field Artillery took A Coast Artillery 6-4. In the high scoring branch C Cavalry walloped D Coast Artillery 14-8 and E Field Artillery snowed under the Infantry Band team with an 18-4

score. Dewey Hoke wishes to remind Recreational Officers that now is the time to check on the men in their outfits who are playing Intramurals in lieu of taking class work

Aggies Easily Top Rest of Field In Southern AAU Meet

Swimmers Win Five Of Seven Events; Dan Green Breaks Record In 440-Yds

Winning five out of a possible seven first places, Coach Art Adamson's Texas Aggie tankers swam away with the Southern AAU swimming meet held at New Orleans last week-end. The Aggie swimmers piled up a total of 45 points to their nearest competitors 27 to completely dominate the meet.

Standout performer of the meet was Coach Adamson's sensational freshman Danny Green, who set a new record in the 440 yard free style when he swam the distance in 5 min. 21.4 secs. Green also took first place in the 220 yard free style and second in the 100 yard free-style.

In the 100 yard breast-stroke Bob Cowling of A. & M. took first place after a terrific battle with John Higgins, who holds the world's record in the 500 meters. George Haney of the Aggies won first place in the 100 yard backstroke, and Everett Brown of A. & M. was third.

Out of the total of seven events the Aggies took first place in five of them, winning every event with the exception of the 100 yard free-style and the diving. In the 300 yard relay, the Aggie team of Taylor, Cowling, Green and Haney swam away with this event.

Teams who were entered in the meet besides the Aggies were Pensacola Naval Air Station, Audobon, New Orleans YMCA, Clarksdale Miss. Fliers, Claiborne, Louisiana State University, Camp Shelby, Algiers Naval Station.

Diamonds 4 and 9 Are To Be in Use

C Cleaners-Theatre & Loupot-Lipscomb In Spotlight Tonight

Tonight marks the beginning of the playoffs to decide the championship of the Twilight League, and all four teams are ready to go. With Campus Cleaners, the team which finished No. 1 in the season's standings facing Campus Theatre, and Loupot's teeing off against Lipscomb's Pharmacy, the fans are assured of some hot and heavy action.

The first round of playoffs will consist of the best two out of three games, and the two winners who emerge from these frays will face each other in the finals, the winner to be determined by the best three out of five contests. Games will be played tonight, Wednesday and Thursday, if necessary, to determine which two teams will face each other in the finals, and the finals will be played off next week.

Of the games to be played tonight, Campus Cleaners seem to rate a slight edge over Campus Theatre, and Lipscomb's Pharmacy and Loupot's is a tossup. In their three previous encounters of the season, Campus Cleaners have taken the Campus Theatre twice, 4-0 and 7-2, while losing once to them to the tune of 10-0. In two previous encounters Lipscomb's and Loupot's are even, Loupot's having won once 8-1 and Lipscomb's took the other encounter 10-2.

Campus Cleaners face Campus Theatre on Diamond 4, and Loupot's will tangle with Lipscomb's on Diamond 9. All games will start promptly at 7:00 o'clock.

The first step toward cure is to know what the disease is.

Aggie Footballers at a Slight Disadvantage; To Have Gridiron Practice Only Once a Day

As if the loss of three of his assistants was not enough, Coach Homer Norton and the rest of his aides will also be at a slight disadvantage when fall training comes around September 5. Whereas other conference schools will be going on a two-a-day schedule, A. & M.'s gridiron warriors will have to be contented with an afternoon session only. Reason? Well, the boys do have to go to school sometime.

With some 35 of the expected 60 footballers going to school this summer, it's going to take all the efforts of Coach Norton, Line Coach Bill James and assistants Lil Dimmitt and Manning Smith to mold a respectable football machine for the opening tilt, September 26.

Heretofore, Norton and his staff operated twice daily during fall training. The hot sun and the morning opened the festivities in the by-gone years and followed on through the afternoon until the sun set its final ray in the west. Scrimmages were at a minimum

rate in the morning schedules, with limbering up exercises and short but snappy drills dominating the scene. The afternoon, then, would be crowded with heavy drills and scrimmages, getting most of the heavy work off during that period.

However, now Coach Norton will not have that extra morning hour in which to condition his gridsters. Instead, all that, along with the other serious business, will have to be attended to during the afternoon.

It'll be full steam ahead September 7. Uniforms and the other formalities will be tended to at the opening day of practice, September 5, and the following Monday you'll see the gridsters practicing as if for a tough mid-season game! That's the way things will have to be if Norton hopes to get the boys in shape for the grueling season to come. It's a tough road to hoe and it's going to take plenty of bumps and humps before the going is a bit ironed out!

Sports Squibs From Here and There; Esquire Magazine Picks Ags As One of Top Ten Teams

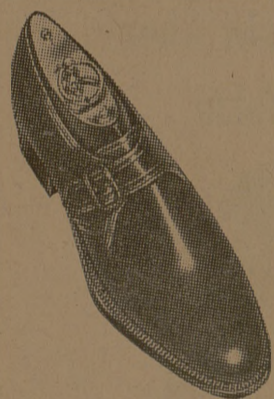

Looks like Aggies are really in for their toughest football season in year. . . The sports writers are almost unanimous in selecting the Cadets as the current conference football champs for '42. . . First it was Weldon Hart in a football yearly and now Esquire magazine

comes out—stretching its neck presumably—and picks the vaunted Cadets as one of the top 10 teams in the nation for 1942. . . Esquire goes further ahead and honors the Aggies' fast shifting half-back, Leo Daniels by placing him in the top 10 stars of the following season. . . Bill Sibley, peppery Aggie pivot man, manages for an honorable mention spot. . . Others gaining the pre-season publicity include Jackie Field, Stanley Mauldin and Raymond Jones, all Texas university lads. . . A bouquet of something or other goes to the present freshman class who are leading the way in showing an Aggie football spirit, which supposedly is still a month away. . . The signs are increasing daily and football talk is becoming most frequent. . . Keep up the good work, Fish. . . it's only the ground work work now, but it's going to be the real thing in a few weeks. . . the Aggie swimmers have yet to suffer a loss. . . in two meets, the Indoor Southwest AAU meet held at Dallas last month and the Southern AAU meet at New Orleans last Thursday, they have completely dominated the field in almost every event. . . Add to that, Danny Green's achievement at the National AAU meet at Connecticut last month, and Art Adamson's boys are in for plenty of orchids. Danny came in third in the 440-yard free style and the mile as both of his winning opponents broke the world's record mark in

Beautiful Mermaids to Adorn Scene

Biggest Aquatic Meet of Year Slated Here August 29 and 30

The annual Gulf Coast AAU swimming meet comes to A. & M. this year, with a result that one of the biggest aquatic meets of the season is in store to Aggie land's tank enthusiasts.

Besides bringing together the state's best tankers, the meet also brings back to the home grounds an undefeated Texas Aggie swim team, which so far has dominated every meet that it has entered.

The big festivities open Saturday night, August 29 and continue on through Sunday afternoon. The junior division will come off first, followed by the senior group the following day. Ten events have been carded, including an array of women's divisions. Among the more famous mermaids present for the meet include Mignon Martin, Houston's two-time diving queen. She retained her championship at the Southern AAU meet held at New Orleans last Thursday.

Entries have been sent out all over the state—Beaumont, Houston, Port Arthur, Galveston and most of the other neighboring cities. Art Adamson, Aggie coach and swimming instructor has set Friday noon August 28 as possibly the final day for sending in entry slips and contestants are reminded to be sure to have their fee and entry card in by that day. A 25 cent fee is necessary to enter the meet here.

Aggie swimmers slated to show their colors for the meet include Danny Green, the top-flight Cadet

tanker; George Haney, backstroke specialist; Bob Cowling, breast-stroker and relayist; Bob Cockrell, free stylist; Dodson the Aggies diving expert; Herb Evans, another free style tritist; Bobby Scoffield, home town free style individualist; Everett Brown, Ed Haraldson, and Al Stein, backstroke men; and Scott Potter, a breaststroker.

New Civilian Defense School Class Includes Five Mexican Citizens

Five citizens of the Republic of Mexico are enrolled in the Civilian Protection School according to Lt. Col. H. R. Brayton, director of the school.

The school, which lasts ten days, is run by the War Department, and its purpose is to instruct enrollees in civilian protection in time of emergency.

Two Captains from the Navy of the Republic of Mexico, a sergeant from the Mexican Army, a member of the Mexican Senate are members of the school. The men will, upon completing the course return to Mexico and set up similar schools for the purpose of instructing Mexican citizens in defense measures.

There is a similar course starting at Prairie View School, where 41 Negroes are getting civilian protection instruction. There are 27 enrolled in the course here, stated Col. Brayton.
