### Norton Back From Chicago; Comments On Game, Then Goes Back to Business at Hand

It was a happy and a bit tired man who arrived at College Station from Chicago Sunday afternoon. Coach Homer Norton, who served under the genial Bob Zupke, head coach of the College All-Stars, was quite elated over his short-lived stay at the big city. Oh, sure his team lost but that still didn't detract the grand spectacle of watching some 101,000 people file in Soldier's Field and all the other interesting sites that one can gather in while at Chicago besides attending to the job of coaching a bevy of topflight gridsters. "You should've seen those Chicago Bears," Norton said, "they aren't as good as they were last year, but still they're the best conglomeration of football players in the world."

"What about Derace Moser," the popular Aggie coach was queried, "how did he do?"

"Well, I'll tell you," Norton went on to say in his customary drawl. "Moser had a bit of tough luck but he did get off a beautiful quick kick which traveled from one end of the field to the other. He only threw a couple of passes, one of which was intercepted and the other one a 50-yard fling which, incidentally was dropped by Mal Kutner."

It was easy, then, to note that Coach Norton wasn't thinking much of the aforesaid game but,

### Seven Records Fall In Gulf Coast AAU Meet Sat and Sun

LaVerne Yarbrough, Port Arthur Girl, Breaks Five Marks as Feature of Meet

In the first Gulf Coast AAU meet held at College Station seven new records were established. Of the seven records made, Miss LaVerne Yarbrough of the Pleasure Pier in Port Arthur shattered five. In the Junior Women's Division held Saturday night Miss Yarbrough reeled off three new records—the 50-yard backstroke, 50-yard free style, and the 100-yard free style. The next day in the Senior Division she broke two more records; one in the 100-yard free style, and one in the 50-yard free style. The other two records which fell were the 220-yard free style in the Junior Men's Division and the 220-yard free style in the Senior Men's Division; Conway Moore of University Park, Dallas, won the Junior event while Joe Demmer of Tyler took the Senior event.

A. & M.'s freshman sensation, Danny Green, won three firsts; one in the Junior 50-yard backstroke, one in the Senior 440-yard free style, and one in the Senior 100-yard free style. George Heaney, another Aggie freshman took firsts in the Junior 50-yard free style and in the 100-yard backstroke. Bob Cowling was the only other Aggie to grab a first—the Senior 100-ard breaststroke.

Joe Demmer, the Tyler swimming star, and Danny Green provided plenty of thrills for Sunday afternoon's crowd at the Men's Senior Division when they finished nip-and-tuck in three of the afternoon's event. Demmer grabbed a first in the 220-yard free style, but in winning it was pushed to a new record by Green who took second. Green got revenge in the 440-yard free style by finishing first ahead of Demmer. Then in the last events of the evening—100-yard free style—Demmer and Green finished in a dead heat with Heaney and Looney, both of A. & M., coming out third and fourth respectively.

The city of College Station was (See AAU RESULTS, Page 4)

# Some 60 Football Prospects Will Report to Norton Sat Afternoon

## Tackle Slot Main Worry As Aggies Prep for LSU Fray

The final games of the Twilight League have yet to be played off, but already the interest around Aggieland has shifted to the coming football season. With two pre-season contests already having been run off the topic of the campus bull-sessions is once more the approaching pigskin parade.

Conference rules prohibit the beginning of training until Sept. 5, which is Saturday, but a squad of 60 gridsters is expected to be out when the first whistle of ball training blows Saturday, Sept. 5. Uniforms and equipment will be issued Friday, and the squad will begin heavy drills bright and early Saturday.

Speculation is rife as to the prospects for the coming season, with the Aggies being rated all the way from first to fourth in the pre-season predictions for the Southwest Conference. Most of the experts agree on one point, however, that Texas University is once more the team to beat.

Main worry of the Aggie coaches is the tackle position on the team. With Martin Ruby lost by graduation, and Leonard Dickey and Bob Tulis playing ball for their Uncle Sam, there are two gaping holes in the line which must be filled. Fourteen candidates are trying for the two starting berths, but every one of these men with the exception of Leonard Joeris is woefully lacking in experience and in varsity competition. Most likely starters will be Joeris and big Don Luethy.

Coach Norton need shed no tears over the situation at the ends, for with two letterman, Bill Henderson and "Boots" Simmons, at this position, and Pete Slaughter and Truman Cox both experienced

## And Danny Green Sets Another Mark!

### Little Freshman Swimmer Provides A. & M. With Best Prospective Aquatic Ace in Years

By Mike Haikin  
Battalion Sports Editor

He's only a little black-haired youngster, but, brother, can he swim! That's a big under-statement to make about Aggieland's top aquatic ace — Marshall Daniel Green, much more commonly known as Danny—who has broken more records than Man o' War.

Breaking Records His Specialty  
When Coach Art Adamson's prize package steps into the pool, the statisticians, sports writers, time keepers and the customers already are resigned to the fact that a new record will be set. For Danny has been setting marks all over the state with such efficiency that even those long standing marks that are now covered with dust are at a danger point in future days to come.

But what about the little swimmer himself? How did he happen to choose A. & M., which he now wouldn't trade for anything, as his stomping ground? Well, it's a long story (but it's one that tells the success of a young kid who put forth all he had in his endeavor.

#### Improves A Lot

Danny first learned to swim when he was just a little shaver messing around Oak Cliff Y. M. C. A. at Dallas. He became better and better and finally was good enough to enter in a Novice (Juvenile) swimming meet in 1940. He had already attracted much attention with his swimming skill at the City Park in 1939 but his big day came in his first big meet. Wally Hoffrichter of the Dallas Athletic Club was present and when he saw the then 15-year old tanker out-distance and out-man the best of the lot in the meet, he

took Danny under his fold and had the juvenile aquatic wonder swim for the DAC. There he proved to be the spark-plug of an otherwise fair swimming congregation. He set records in the 220 and 440 yard free style (See GREEN, Page 4)

## INTRAMURAL HIGHLIGHTS

by Mike Mann

Th C Battery Coast Artillery Class A softball team, the squad that has pulled a number of "good ones" out of the bag this season, came to the front again as they rallied in the seventh stanza to nose out A Coast Artillery 5-4.

A Class B softball slugfest between B Engineers and E Field Artillery saw players rounding the bases with continued frequency with the Engineers topping the runs-ten tally by bringing in 14 runs in the second The Engineers finally defeated the Artillerymen 21-17

### Class A Swimming Quarter-Finals To Come Off Tonight

Class A swimming playoffs have been bracketed and the actual meets will begin tonight in the P. L. Downs, Jr. Natatorium as 3rd Headquarters Field Artillery upperclassmen take on the F Field Artillery Class A swimmers in a quarter-finals meet. These two teams drew "bys" when the bracketing was done and as a result, skipped to the quarter-finals.

Tomorrow night the B Signal Corps aquamen meet the B Infantry swimming team in a second quarter-final match. This is another match in which both teams drew "bys".

Headquarters Signal Corps has settled in third quarter-finals bracket and is waiting for an eighth-final match to be decided later this week. The swimming phase of the intramural program is supervised by Art Adamson, Aggie swimming coach, who is assisted by a number of departmental managers.

## Question: Lipscomb or Campus Cleaners Tonight? Managers To Decide at 5 P M

Eight managers—and that means managers only, Mr. George Odgee—will meet on the Y.M.C.A. steps at 5 o'clock today to decide whether or not the Lipscomb-Loupot game will be played or the lat-

ter handed down a forfeit because of the absence of Lipscombs players.

According to every theoretical rule, a game is NOT postponed until it has been announced in that manner. Whether it rains cats and dogs or snows like the blazes, technically the game is to be played until decided otherwise. With the football season almost (See TWILIGHT, Page 4)
