### Aggies Met Their Match in Corpus Christi Saturday; Marty Karow Won Tilt for Flyers

It seems to me that everytime the Texas Aggies get their ears pinned back, someone always comes up with that ever-popular phrase, "What was wrong with the Aggies?"

On some occasions, I'll admit, the Cadets should have won a game they actually lost, but not Saturday. Basically there was nothing wrong with the Aggies—that is nothing wrong from their usual standard of play. They blocked and tackled hard, especially the latter as clearly evidenced by their staunch goal line stands. But they met their match. The Corpus Flyers were ready for them in every respect and those former All-American and All-Conference stars on that team weren't just hunks of beef out there.

No sirree, they weren't born yesterday—they knew exactly what they were doing. The Flyers applied all the football knowledge they learned while in college and it just was too much for a group of college gridsters.

And at that the Aggies gave them a whale of a battle. I don't believe that any conference team

### It'll Be a Do-Or-Die Battle for Ags Sat; TCU Frogs Are Surprise of Conference Race

It'll be a do or die battle for the Aggies Saturday afternoon on Kyle Field. They meet one of the very few undefeated teams of the nation—the T.C.U. Horned Frogs. For the Aggies it'll be a final chance to hit that right track once more and should they miss, you may as well kiss our conference title chances goodbye.

TCU has its most powerful team since 1938 when Davey O'Brien guided the destinies of the Fort Worth team. Although not as potential as the '38 edition, this year's team has shown plenty of possibilities in its first three starts. They haven't any reserves to speak of, but that starting lineup undoubtedly is the best in the league. With Darrell Palmer, the brilliant tackle and Bruce Alford, sensational wing-

### A Few Notes On Southwest Conference Sports Squibs From Here and There;

... A Few Conference Notes ... Only T.C.U. and Baylor University showered themselves with glory while the other four league-members were falling off badly this past weekend ... Texas looked anything but a ball of fire against OU ... the Aggies and Rice suffered 18-7 defeats which involved two touchdowns, a field goal, and a safety ... Cullen Rogers and Willie Zapalac were the only backs that looked anything like backs for the Ags against Corpus ...

# Fish Open Season Against Allen Wed

### Game Will Start Promptly at 3:00; Coupon Books Good

The Texas Aggie Fish, who supply live ammunition for the varsity five times a week, will get in a bit of shooting of their own Wednesday afternoon when they open their season against the Allen Academy on Kyle Field at 3:00 o'clock.

For four weeks now, Coach Lil Dimmitt's 54-man squad has been "knocking heads" against each other and are finally ready to display their talents before the corps. Dimmitt will depend heavily upon Marion (Pete) Flanagan and Beryl Baty, topflight high school backs from Sweetwater and Paris respectively, to spark the Fish attack against an Allen team, which outplayed the Texas Yearlings during the first half before succumbing 27-13. Both are triple-threat stars and upon their shoulders are pinned the hopes of the Fish to triumph Wednesday.

Big Roland Phillips, 212 pound tackle from Pampa is the bulwark of an Aggie line, which averages well over 200 pounds. Phillips has been a sensation during the four-week training session and is expected to be the mainspring of the Fish defense.

There are quite a few top-notch Aggie freshmen stars, however, who will be on the sidelines for that game. Among those are included such stellar performers as Gus White, Lamesa's sensational back; David Daily, hard-hitting back from Richmond; Desmond Zock, Port Arthur back; Milton Routt, guard and a member of that famous Routt family; and Walter Ruff, a tackle from Houston.

The Ramblers, who were defeated by the Yearlings in their first time out, will field a team that is due to give the Fish plenty of trouble. Kuntz and Alvarez spark the backfield while Stiles, a center, and Green, a guard are the mainspring of the Allen forward wall.

As aforementioned, the game will get under way promptly at 3:00 o'clock. Coupon books will be good for the fray.

The probable starting lineups for the game are:

Aggie Fish	Allen Academy
Hochkiss	LE White
Phillips	LT Martin
Neuman	LG Redding
Walker	C Stiles
Strohmeier	RG Green
Wright	RT Grayson
Gentner	RE Smith
Flanagan	B Kuntz
Baty	B Enright
Ewald	B Riddle
Swenson	B Alvarez

### All Swimmers Urged To Meet At Pool On Wednesday At 6 PM

Art Adamson, Aggie swimming coach and instructor, has requested that all members of the Varsity and Fish swimming teams report to the P. L. Downs Natatorium at 6:00 o'clock Wednesday afternoon. Also, he asked that all interested in being ushers at the T.C.U. game next Saturday report to him as soon as possible.

### Laredo Club Will Meet Tonight in Academic

Meeting of the Laredo A. & M. Club is to be held tonight after yell practice in the Academic Building. All members are urged to be present as a quorum is needed, according to Aldin Muller, club secretary.

Muller stated that plans for a Christmas dance will be discussed together with other important business.

### Gerald Depew Dies Following Operation

Silver Taps was observed Saturday night for Gerald Eugene Depew of I Field Artillery, who succumbed at the college hospital Saturday following an appendectomy Thursday.

Depew lived at 2015 Prairie Street, Dallas, and attended North Dallas high school. His parents, Mr. and Mrs. G. L. Depew, were at his bedside when he died. Depew was 18 years old.

Material in four zoot suits will make five victory suits.

just won't be any cokes served ... Think about that when you start breaking a bottle, which not only costs the athletic department, but also may cause a serious accident, and we certainly don't want that to happen ...

74 Wright, Charles, tackle	22 Bosworth, Lawrence, back	

## Aggies Will Try to Stop Undefeated Frog Machine Sat; Luethy Returns to Squad

The Texas Aggies went back to work with a vengeance yesterday in preparation for their forthcoming clash with the high hopping Horned Frogs of T. C. U. Clearly disgruntled after the 18-7 lacing they absorbed at the hands of the Corpus Christi Naval Air Station Comets the Aggies pitched into their workout with a vigor that spells plenty of trouble for the Frogs Saturday.

Heartening news to the Aggies was the fact that big Don Luethy, who has been on the injured list since before the season opened, will be ready to go against T. C. U. and Jim Montgomery, out since the L. S. U. game will also be

on deck. The Aggies will be in the best physical shape that they have been in all season when they face the Frogs in their conference opener Saturday.

Meanwhile, the T. C. U. team looked very impressive with a 41-6 win over the University of Kansas. The Horned Frogs, overlooked in most of the pre-season dope, are now touted as the team to beat in the conference race, and well they might be. For the Frogs are the only team in the league which boasts an undefeated and untied record to date. The Purple and White clad warriors from Fort Worth boast wins over U. C. L. A.,

Arkansas and Kansas, and have shown themselves to be quite a ball club.

Standout of the T. C. U. team seems to be Emory Nix, the boy whose accurate passing has been a major factor in the Horned Frogs' success to date. But pressing him closely for standout honors are such stellar performers as Bruce Alford, one of the finest ends in the loop, Darrell Palmer, 200-pound all-conference tackle and Dean Bagley, the little man with the shifty hips who is dynamite in a broken field.

As stated before, the Aggies pitched into their workout with plenty of vigor yesterday, and if present indications have anything to do with it, the Horned Frogs will have quite a battle on their hands. For this is the Aggies' last chance to show that they have anything at all in the way of a ball club, and they intend to make the most of it.

## Semester's 'Mural Sports Under Way

### Remainder of League Schedules Will Be Out By End of Week

Yesterday marked the first day of activity of the Intramural program of the fall semester as play began in each of two Class A and B sports. Those sports which opened yesterday were Class A basketball and tennis and Class B basketball and touch football. Two other sports, Class A handball and Class B volleyball, are still in the scheduling stage and will begin next Monday afternoon.

The schedules for the sports which started yesterday were originally slated to be sent out to the Recreational Officers Saturday morning, but were not placed in the boxes in the Commandant's Office until Monday morning because the Intramural department was not able to complete the work until that time. The schedules which have not yet been sent to the recreational officers will be completed before the end of the week.

The participation figures in the Intramural program have been on the increase for a number of years and the officials expect an even greater figure this semester. Foot- (See 'MURAL SPORTS, Page 4)

# INTRAMURAL HIGHLITES

by Mike Mann

With the current intramural season in the early stages, it is well that all concerned be cautioned of the danger of forfeits. Often a single forfeit has taken the possibility of taking part in the play-offs away from an otherwise successful team. In a league in which the competition is strong, one seemingly unimportant forfeit will keep a team from winning the

Mike Mann, intramural championship.

All in all, a forfeit is an easy thing to avoid. In most cases, the

### Fish Schedule Game With Santone Service Team For October 28

The Aggie Fish have added another game to their schedule and will clash with the Air Depot Training Station from Stinson Field, San Antonio, on Kyle Field on October 28th. The Fish gridsters have already scheduled their annual battles with Allen Academy, Rice Slimes, and Texas Yearlings. Besides these games Coach Lil Dimmitt is trying to line up two or three more games with service teams so as to give his fifty odd candidates plenty of work and chances to display their ability.

India turns out 8 million pieces of army clothing a month, and other military equipment.

### An Intramural Sport Champ

Shown above is the Class A tennis champion of the past intramural sports session. Bottom left to right are Field Stephens, McKelvey and Varvel. Top, left to right are Alston, Inglis and Schultz.
