

Fish Bury Camp Hood Under 71-0 Avalanche

By Mike Haikin
Battalion Sports Editor

Baylor Has Compiled Great "Home" Record Against Coach Homer Norton's Texas Aggies

When the Texas Aggies clash against the Baylor Bears Saturday at Waco they will be engaging one of the toughest "home" teams of the entire conference, and that's not just for the past year or so—it's been that way ever since the Aggies and the Bruins resumed football relations back in 1931 on Kyle Field.

It has always been more of a fact than anything else that a team can always play better ball in its own back yard than it can on foreign soil. That has been proven time and again, especially in the Texas and A&M series. Home crowds, that needed pep from the strong and other psychological factors all went to give the home team a small advantage.

But with Baylor, that "home" feeling has been more than a mere small advantage. It seems that they can surmount any hurdle if they have that psychological effect of playing on their home grounds.

Since 1932, the Maroon and White shirted Aggies of A&M College have been able to account for two triumphs at Waco, the highest margin of victory being 7 points,

Sports Squibs From Here and There; Larry Wolf, Promising Track Star, Quits School

... The Texas Aggie track team suffered a tough blow when it was learned that Larry Wolf, star sprinter from the past freshman team, had withdrawn from school ... Wolf, along with a half dozen or so star-studded freshman tracksters, compiled one of the best Fish track records in the history of the school last spring. He ran the 100, 200 and 440 yard dashes

a feat accomplished by the great 1940 aggregation.

The Cadets have brought some of the strongest teams of the conference to Waco, and although favored to come through with an overwhelming win, they either lost to the fightin' Bruins or barely gained a victory. Notable of these was the 1938 battle when the Aggies were heavy favorites to annex the game. Pounding that good ole' Baylor line back and forth from one end of the field to the other, the Ags were only able to gain a 6-6 deadlock after being subjected to their hardest tussle of the year.

This year, the Cadets of Coach Homer Norton trek over to Waco with an unimpressive record of one win and three losses. The Bears, meanwhile, have accounted for four victories out of five games but will be considered underdogs despite that record.

It's a cinch that if the Aggies want to win Saturday they will have to double their efforts, for those Baylor Bears are known to be a tough foe, especially when there's a home-coming crowd around.

His loss will be dearly felt...Ed Ogden, hustling Aggie guard, has moved up a notch following the acquisition of Wayne Cure to the tackle post ... Ed is now running just behind Ray Mulhollan ... That hard-fighting Aggie "C" squad, which serves as a target for the "A" team's scrimmages, pulled the unexpected Monday afternoon when they defeated the "B" team in a regulation game scrimmage, 2-0 ... Barney Welch's splendid work in the backfield has gained the little Stephenville flash the second string backfield post ... he is, undoubtedly, the best punter on the team besides being an exceptional ball carrier ... the athletic department expressed their appreciation to the cadet corps for taking care of the coke bottles Saturday afternoon ... a few were reported broken but on the whole the situation was greatly improved over previous occasions ...

Rover Crew Meets Tonight in Y Lounge

The Aggie Rover Crew, association of former Boy Scouts, will hold an important meeting this evening in the lounge of the YMCA at six o'clock, according to Buster White, field artillery senior who leads the organization.

White stated that very important plans for future activities will be discussed at the meeting, and urged all old members of the Crew and all other former Boy Scouts who are interested in Scouting to be present. Having sponsored such successful programs as the "Scout-O-Rama," held this past summer, the Crew, now going into its second year of existence, has more plans along the same line set up for the future.

Buryl Baty's Great Passes Features Tilt

Flanagan, Haltom Star; 62 Players Are Used in Easy Tussle

By Chick Hurst
The Texas Aggie Fish footballers turned in their second win of the season yesterday afternoon on Kyle Field when they slaughtered the 628th Tank Destroyer Battalion team from Camp Hood by a 71-0 count. The game was one of the worst routs ever seen on Kyle Field, with the Fish in complete command of the contest from the opening whistle. Sparking the freshmen attack was once more the excellent running of their 165 pound scabbard, Marion Flanagan.

Baty Stars
Also a major factor in the overwhelming victory was the accurate passing of Buryl Baty, who completed 13 out of 20 heaves, three of them going for touchdowns. Baty also completed two more aerials which would have been good for six points, but both of them were called back and the Fish penalized.

The Fish kicked off to the "Tank Busters" to open the contest, and after three futile tries at the stout Fish line were forced to kick. It was then that the fireworks started. Flanagan hit tackle for nine yards, Baty passed to Flanagan for 16 yards, and then Baty circled end for a score. The play was called back, however, and the Fish were penalized 15 yards for clipping. Baty then passed to Flanagan for another touchdown, but again the play was called back and the Fish penalized, this time for offside.

Fish Score
After losing 11 yards the Fish kicked out on the Tank Busters' 15. After two exchanges of kicks, Baty passed to Zock for nine yards, and it Baty's passing worked the ball to the Camp Hood four yard line from where Flanagan crashed over for a touchdown. The Fish kicked off to the Tank Busters, and after they were forced to punt, Flanagan returned the kick from his own 45 yard line to the Camp Hood 24. Two plays later Baty dropped back and shot a perfect pass to End Bill Gear for the second score. The conversion attempt failed.

Early in the second quarter the Fish worked the ball down to the Hood 5 yard line on a sustained ground attack, and Haltom crashed over for a touchdown. Dodson

INTRAMURAL HIGHLIGHTS

by Mike Mann

E Coast Artillery and H Infantry freshmen fought to a scoreless tie in a Class B football game. The game was awarded to the Coast boys who had two 20-yard penetrations to none for their opponents. A second game was decided by the penetration rule as E Infantry and H Field ended their game with a 7-7 tie. The Infantry squad was awarded the match as they marked up two 20-yard penetrations while their opponents chalked up but one.

A safety followed by a touchdown was enough to win for I Coast Artillery as they nosed out the fish of 3rd Corps Headquarters in another football game by a score

C Field Artillery, handball.

of 8-7. 3rd Headquarters Field Artillery smeared the E Signal Corps team by a score of 27-0 as F Coast and D Engineers ended a game with a real tie-score. The score was 7-7 and each team had one 20-yard and one 40-yard penetration. Hence this will count as a half-game won and a half-game lost for each team.

Bill Black led D Cavalry to a kicked the extra point to make it 19-0.

Late in the second stanza Haltom took a Tank Buster punt on his own 30 yard line, and behind excellent blocking raced 70 yards for a score. Shortly before the half Baty once more began finding his receivers and after working the ball from the Hood 45 yard line on his passing the Fish had first down on the Tank Busters' 13 yard line. From this point, Butchofsky (see FISH BURY, page 4)

Ags Given Toughest Drills Of Year; To Leave Fri Morn

After experiencing their hardest and toughest scrimmage of the year against the freshman and the "C" squad in the past two days the Texas Aggie gridsters will take it easy this afternoon and tomorrow as they taper off in preparation for their clash with the Baylor Bears at Waco Saturday.

Coach Homer Norton and 34 gridsters will leave for Waco Friday morning at 10 o'clock, taking the train from College to Bremond whence they will board a bus which will take them on to the Baylor city. There they will take a short workout Friday afternoon at Munny Stadium before calling it a day until the Saturday ball game.

Blocking the secondary out after the ball-carrier gets past the line of scrimmage was continually emphasized in Tuesday's scrimmage sessions. Line-men and backs alike were given definite assignments as to the man to take care of past that line of scrimmage and each did their job much to Coach Homer Norton's delight.

First the A team, sparked by the consistent blocking zeal of Willie Zapalac, Cullen Rogers and Wayne Cure ran roughshod over the "C" squad and their consistency was carried over by the second-stringers. Otto Payne, Weldon Maples and Ed Ogden looked exceptionally good in taking care of the would-be tacklers.

Little Bobby Williams, 175 lbs., of dynamite whose marriage this past weekend seems to have added zest to his ball-carrying, looked like a million dollars lugging that pigskin as he would zig one way and zag the other with remarkable regularity. Bob is slated for heavy duty against the Bears and if his swift running is any indication, the little Elorado youngster will be the Bears' chief nemesis.

Wednesday afternoon, both squads endured almost the same schedule as the A and B teams continued to batter the hard-working

C squad all over the lot. The latter has been giving the first and second teams plenty of competition, and it is their hard work that makes the Aggies team improve with each week.

All those boys in the line and backfield—Muley Moore, Bill Redus, Red Brown, Jelly Steymann, Johnny Davis, Fred Walker, Harold Attaway, Jim Montgomery, Dickie Haas, Ed Dusek, Johnny Whitacre.

"How about a Coke date?"

"We've been 'goin' steady' a long time, you and I. You see, I'm a symbol of the life and sparkle of Coca-Cola. Therefore, I speak for Coke. I like your company. I offer something more than a thirst-quenching drink. It's refreshing. Yes sreee...it's got that extra something you can't get this side of Coca-Cola itself. Let's get together. Make it a Coke date."
