

Official Notices

Found

The following articles may be obtained at the Commandant's Office on identification.

Campaign hat, red cord, 7/8.
Maroon and tan winter jacket, T. AGGIES.
Tan leather jacket, Sportelad.
Genuine Pony leather jacket, tan.
Wool plaid jacket, green, black, orange.

Classified

LOST—If anyone found a leather jacket at the volley ball courts on December 2, please return it to Room 102, Dormitory No. 9, and receive reward.

WANTED—Information concerning Remington portable typewriter stolen from 30 Goodwin during Thanksgiving holidays. Special keyboard. In gray green cloth covered box. Reward if recovered. F. C. Harris.

Executive Offices

THOSE STUDENTS WHO BECAME 18 years of age during the months of September and October may register for the Selective Service, Friday, December 18, at room 114, Administration Building. The office will be open from 9 p.m. until 4 p.m. with the exception of the noon hour. H. L. Heaton, Acting Registrar.

THE NAVAL RECRUITING OFFICERS who were to be here yesterday to enlist seventeen year old boys in the Navy V-1 were unavoidably detained. They will be

here soon after the Christmas holidays at a date to be announced. Any students in the group who will reach their eighteenth birthday before January 1 should see me at once. Others may safely wait until the recruiting party comes. F. C. Bolton, Dean.

THE PRESIDENT'S OFFICE is holding a package of tracing paper from the Frederick Post Co. in Chicago. Will the Department ordering this paper please call for it.

PRE-MEDICAL STUDENTS—All pre-medical students who expect to apply for admission to Medical College during 1943 must take the medical aptitude test. This test will be given at 2 p.m., Friday, January 22, 1943, in room 14, Science Building. The fee of \$1.00 will be collected at that time. Those who are interested should sign the sheet posted by the door of room 13 Science Building by Saturday noon, December 19, in order that the examination forms may be ordered. Professor G. E. Potter, Pre-Medical Advisor.

Announcements

JANUARY 1, 1943, will be the last order to leave the Registrar's Office for the "old style" ring. After January 1, 1943, all rings will be the "new style" rings. If you want the "old style" be sure to get your order in before January 1, 1943.

LAUNDRY NOTICE—The last student pick-up for this week will be Thursday, December 17, 9 a.m. December 28 laundry will be turned in at Station 1, Station 2, and Station 5, according to the following: A, B, C, D, from 7 a.m. until 10 a.m. noon until 5 p.m. E, F, G, H, I will be turned in from 12 noon until 5 p.m. After that we will go on regular schedule as heretofore. G. P. Ayers, Mgr., A.&M. Laundry.

Meetings

ROBERTSON COUNTY BOYS—There will be an important meeting of all boys from Robertson County, Thursday night at eight o'clock in room 213, Dormitory 17.

FELLOWSHIP LUNCHEON will be held at Aggeland Inn on the terrace at 1 p.m. Thursday. You are invited.

HEALTH

(Continued from Page 1)

er reason than ever before to seek his advice on living habits, to have him give a thorough periodic check-up, and to have him treat conditions promptly, which, if disregarded, are apt to cause more serious trouble later on. The only point being emphasized is that one should not attempt thoughtlessly to consume the doctor's valuable time and energy by insisting that he make a home call when an office visit or suggestions over the telephone might suffice.

"While in cities, lack of medical service has not as yet reached an acute stage, there are already rural sections feeling the pinch. It follows that everyone, both for his own and his country's sake should live sensibly to the end that maximum health may be attained, and avoidable home medical service be eliminated.

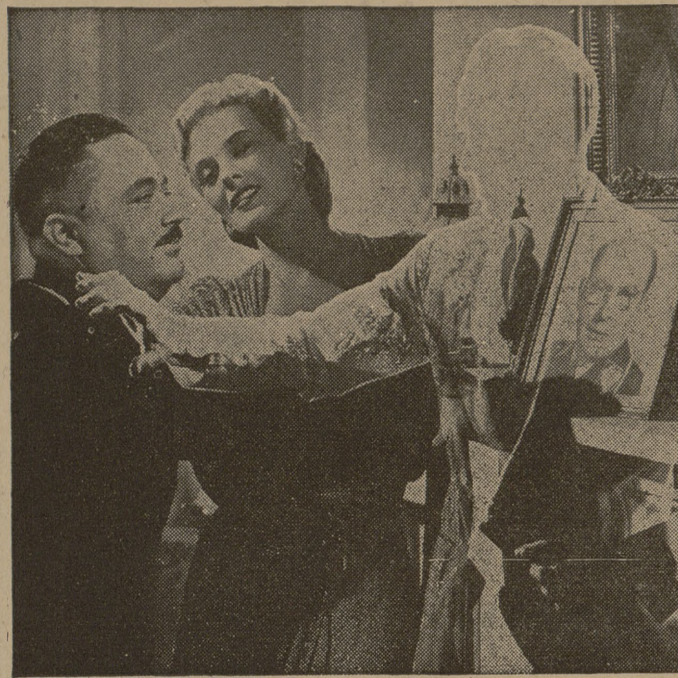

"In this connection, the following rules, among others, may be suggested: Eat nutritious foods. Obtain sufficient rest at night. Shun debilitating and exhausting habits. Keep the use of stimulants of all kinds within sensible bounds. Exercise daily. Detour worry as much as possible."

Rat Extermination Will Reduce Cases Of Typhus Fever

With an incidence of 134 cases of Typhus Fever reported in Texas last month and 83 cases last week alone, Dr. George W. Cox, State Health Officer, today made an urgent appeal to all citizens of the State to help control the spread of Typhus by assisting in exterminating rats.

"There is only one way in which Typhus can be controlled," Dr. Cox said, "and that is by as nearly as possible completely exterminating rats in the State, since fleas from

Invisible Agent

"Invisible Agent," showing at the Campus Thursday, Friday and Saturday, features J. Edward Bromberg, Ilona Massey and Jon Hall. The above scene shows Hall in his ghostly portrayal as an American spy.

Registrants Desiring to Join Navy Must Have Classification Statement

Selective Service registrants desiring to enlist in the Navy, Marine Corps or Coast Guard must first obtain a statement from their local board certifying that they are "not now classified in II-A, II-B, or III-B, nor entitled to such classification by reason of being a necessary man engaged in dairy, livestock or poultry farm production," according to a memorandum issued today by the State Director of Selective Service to all local boards.

Lt. Commander J. P. Crowder, Navy Liaison Officer for the Texas Selective Service System, pointed out that heretofore a registrant desiring to enlist in the Navy did not need a release from his local board to do so if he was classified as I-A, or was an officer candidate or aviation cadet.

"He is not now required to obtain a release from his local board, but must furnish the statement of classification which entitles him to be accepted by the Navy up until the time of his actual induction," Commander Crowder stated.

It is noted in the State Director's memorandum that the Army requires a release from the local board stating that the registrant has not been ordered for induction and will not be so ordered within one week, while the Navy requires only the statement of classification.

Quoting further from the directive:

"As long as voluntary enlistment is permitted by the Armed Forces, it is of utmost importance that board members and particularly board clerks of the Selective Service System, give impartial and correct information to registrants who may inquire regarding their right to enlist and there should be no hesitancy in issuing the statement required by the Naval Recruiting Services, provided the registrant is entitled thereto, since the Navy, Marine Corps and Coast Guard can enlist a registrant at any time prior to induction without clearance from the local board except as required hereinabove."

Rural Scrap Drives Proven Successful

Scrap drives in rural areas of Texas have been highly successful in recent weeks, according to reports of county workers of the A. and M. College Extension Service. In most counties, salvage campaigns among farm and ranch families have been conducted by county Agricultural Victory Councils which direct the neighborhood leader system.

Among rural people in Victoria County the per capita collection is 62 pounds, and the drive has not been completed. Parker County community and neighborhood Victory leaders have assisted in collecting a million and a half pounds of metal in trucks owned by the Army, the county, the city of Mineral Wells, and by private citizens. A drive in Washington County netted 146 tons and in some communities of that county the per capita collection of school children has averaged as high as 683 pounds.

Victory leaders in Crosby County helped collect 200 tons of scrap. The proceeds of its sale were donated to the Red Cross and U.S.O. The U.S.O. benefited also from the sale of 350 tons of metal in Midland County. Hall County reports 15 car loads of scrap and 228,000 pounds of rubber salvaged through the neighborhood leader system.

Money obtained from the sale of scrap metals in the Beaumont Garden community of Jefferson County has been used to improve a community center building. It has been equipped with black-out curtains, first aid equipment and stretchers, plus an "emergency pantry" for feeding the community in the event of disaster. Communities in Harris County have used their "salvage funds" for such purposes as buying an air raid siren and providing free lunches for underprivileged children. Donations also have been given to an auxiliary fire department and the U.S.O.

Pre-Med Students Must Take Tests

All pre-med students who expect to apply for admission to medical school during 1943 must take the aptitude test to be given at 2 p.m. Friday, January 22, 1943 in room 14, Science building. The fee of \$1 will be paid at that time.

Those interested in taking the test at that time should sign the sheet posted by the door of room 13, Science building by Saturday noon, December 19, in order that the examination forms may be ordered, said Dr. G. E. Potter, pre-medical advisor.

Drs. Howard A. Howe and David Bodian of Johns Hopkins University and Dr. Harold E. Harrison and his wife of Yale university recently won cash awards for "outstanding research in pediatrics."

The University of California library totals 1,170,738 books.

SOMETHING TO READ

(Continued From Page 2)

from imagination, and very few people have any to waste. When they get so that they can put themselves in other people's places and suffer because they suffer, we will probably get rid of most of these inequalities, but whether they will ever get there, I do not know. . . . What are all these machines made for if they are not made to help the human race to live a better and an easier life, to have more pleasure and less pain? I think it is possible that we will have a better situation a few hundred years from now. I hate to wait so long."

POSITIONS

(Continued From Page 3)

The Commission continues to recruit Junior Graduate Nurses, \$1,620 a year, and Junior Medical Officers, \$2,000 a year. Liberalized requirements encourage nurses who completed the required training as long as January, 1920 to apply. Ameded requirements for the Junior Medical Rotating Internships at St. Elizabeths Hospital, Washington, D. C., specify that men graduating from a Class A medical school since December 31, 1935 may apply. Applicants for Junior Medical Officer Psychiatric Resident, St. Elizabeths Hospital, may apply if graduated since December 31, 1932.

For all positions there is no maximum age limit. Applications for these positions should be filed with the United States Civil Service Commission, Washington, D. C., and will be accepted until the needs of the service have been met.

Full information as to requirements and application forms may be obtained from the Secretary of the Board of U. S. Civil Service Examiners, at the post office or customhouse in College Station or from the Secretary of the Board of U. S. Civil Service Examiners at first and second class post offices.

Applications are not desired from war workers unless higher skills would be utilized in a change of position. War Manpower Restrictions on Federal appointment of persons engaged in certain critical occupations in specified areas are given in Form 3989, posted in first and second class post offices.

V-1 Recruiting Party Arrives After Holidays

The naval recruiting party scheduled to arrive on the campus yesterday was unavoidably delayed and was unable to be here. Boys under 18 interested in the Navy V-1 plan should contact this group when they appear here, which will probably in the early part of January.

Centre college has its first organized student band in 12 years.

Radio singer Frank Sinatra at one time studied civil engineering at Stevens Tech.

MINT

(Continued from Page 1)

prompted by the praiseworthy purpose of accumulating savings, not realizing that in withdrawing them from circulation they are forcing the Mint to make an unnecessary tax upon the metal resources of the country.

"The 4600 tons of copper consumed last year in making the one-cent piece, would have met the combined requirements of copper for building 2 cruisers, 2 destroyers, 1245 flying fortresses, 120 field guns and 120 howitzers; or enough for one and one quarter million shells for our big field guns."
