Announcements

ANOTHER SECTION OF ECONOMICS 317 has been created. This section meets Monday, Wednesday and Friday at 11. Section 501.

THE COLLEGE FACULTY has adopted a course in technical dairy science, leading to a degree of Bachelor Science in Agriculture, for students interested in qualifying for positions in this field, which has been designated by the War Man Power Commission as essential to the war effort. This course is available to Freshmen, Sophomores or Juniors, beginning this semester. Any student interested should consult with the Department of Dairy Husbandry, before registration, the first floor of the Agricultural Building.

Seniors Complete Plans For Eventful School Term

McMillan, Holman, Booth, Latimer, McKenzie, Brauchle, Lindsey Lead Corps

Leadership of the student body for the coming school term will be in the hands of a certain group of students, whose responsibility it will be to guide the many activities of the corps. Most of these men have been elected by the student body at large, while some have been put in office by the Senior Class of 1944 (which will, present conditions prevailing, graduate in September of this year).

Shown on this page are Marvin McMillan, editor of the Longhorn; Rodney Brauchle, social secretary of the senior class; John Holman, editor of the Battalion; Bob Latimer, editor of the Engineer; John Lindsey, Town Hall manager; Bernard (Shorty) Booth, head yell leader; Bill McKenzie, senior yell leader; Joe Pettit, junior yell leader; Dan Kuykendall, junior yell leader; and Joe Dan Longley, junior representative on the Student Activities Committee.

These men look to the corps for cooperation in the many activities they represent. The success of their work will largely depend upon the way in which the corps assist them.

Marvin McMillan
At the head of the Longhorn staff is Marvin McMillan, captain of H Infantry. He is an A.H. major and is from Mason Texas.

John Holman
Editor-in-Chief of the Battalion is John Holman, another Infantry man from A Company. He is a Liberal Arts major, coming from Pittsburg, Texas.

Jack Keith
Able assisting Battalion editor John Holman will be associate editor, Jack Keith, who last year served as junior editor on the newspaper, and is well qualified for the job. Keith is also Lieutenant Colonel on the Corps staff, and president of the Scholarship Honor Society. Keith is in C Signal Corps, majoring in electrical engineering, and is from Houston.

Bob Latimer
Bob Latimer, captain of H Coast Artillery, is the new editor of the Engineer, monthly publication of the school of engineering. Latimer succeeds Ed Gordon as editor of the Engineer. He is from Fort Worth and is majoring in Mechanical Engineering.

John Lindsey
At the head of Town Hall is John Lindsey, who has recently announced an outstanding program for the Spring semester for the entertainment of the corps, and the people of College Station. Lindsey is a Liberal Arts major in G Field Artillery, and his home is Houston.

Rodney Brauchle
Elected to the position of Social Secretary for the Senior Class for the 1943 Spring and Summer semesters is Rodney Brauchle, captain of C Field Artillery. Brauchle is majoring in Mechanical Engineering, and his home is Pleasanton.

Bernard Booth
Bernard (Shorty) Booth will be the leader of the famous Twelfth Man. As senior head yell leader, Booth will direct the activity of the cadet corps as it supports the Aggie athletic teams. Booth is an Aeronautical Engineering major who hails from Houston. He is in F Engineers.

Bill McKenzie
Helping Shorty Booth in his task of leading the cadet corps at the athletic events is Bill McKenzie, Marketing and Finance major from Houston. McKenzie is the other senior yell leader, and is in A QMC.

Joe Dan Longley
Joe Dan Longley, H Infantry, is the Junior Representative on the Student Activities Committee. Longley is an industrial education major from Giddings.

Kuykendall and Pettit
Dan Kuykendall and Joe Pettit will be the two junior yell leaders for the 1943 Spring and Summer scholastic year, and will assist Booth and McKenzie in their duties as yell leaders of the Cadet Corps.
Kuykendall is from Cherokee, and Pettit's home is Dallas.

"Aggie Pickin's" was the idea of Conrad Bering, senior from Houston, News editor of WTAW, and has been a regular feature of

Singing Cadets Open For Membership

The Singing Cadets, beginning their third year under the direction of Richard W. Jenkins, will open membership to all new and old students who desire to sing.

This singing group is organized to provide extra curriculum activity, and is supported by the school as one of the outstanding entertainment features on the campus. Travel will be curtailed this semester, and confined to the weekends only due to the new class schedule beginning Monday. The Singing Cadets have, however, several trips to make this spring; just where the club will go is as yet unknown, but it is certain they will make the trips if it is at all possible.

You don't have to be a trained singer, nor a reader of music to join the Singing Cadets; the only requirements are that the student should have an interest in singing, and an ability to stay in tune with the group.
Sign up for the Singing Cadets during registration in the main lobby of the Administration building.

(Continued from page 1)

by seniors who graduated January 22. Complete details of this procedure will be announced very soon, but essentially the plan involves voluntary induction by local draft boards, and transfer to the ERC.

This is the War Department radiogram received Tuesday clarifying the status of sophomores especially, and applies to the ERC in military colleges as specified by the War Department only:

"College students in the Enlisted Reserve Corps will be called to active duty at the end of the first semester, term, or quarter terminating after December 31, 1942, except as follows:
"All medical and premedical students including dental and veterinary; approved engineering course students who are classified as sophomores, juniors, or seniors; advanced course ROTC senior unit students; all sophomores in essentially military colleges classified as MC (Military Colleges) Colleges by the War Department; students in the electronic training group; and aviation cadets.

"Presidents of colleges in which Enlisted Reserve Corps students are enrolled will be notified to this effect by service commander upon receipt of this radiogram. Detailed instructions follow."
(Signed) General Donovan.
