## Announcements

ALL 17 YEAR-OLD STUDENTS interested in the Navy V-1 plan are asked to meet in the Chemistry Lecture room at 5 p.m. Friday, February 5. Information will be available for those who have questions to ask. F. C. Bolton, Dean.

STUDENTS who are interested in arranging a schedule for Entomology 208, please meet in room 5, Science Hall, Friday, February 5, at 7:15 p.m.

PROCEDURE FOR OBTAINING authorized absences has been changed and it now becomes the responsibility of the student who has missed classes because he was in the hospital or because he had been absent on an authorized absence to make a request covering each course within 48 hours after his return to duty if he wishes the instructor to be notified that his absence was authorized. Blank cards for these requests may be obtained at the Commandant's office, the hospital, or the office of the dean of the college. Requests not submitted within the 48 hour limit will not be considered and the absences will be recorded as unexcused absences. F. C. Bolton, Dean.

THE NAVY DEPARTMENT announces that it can accept enlistments in class V-5 for Naval Aviation Cadet training 17 year old students who are in the upper two-thirds of their college class and can meet other requirements. Applications may be obtained at my office. The United States Marine Corps can also accept 17 year olds and give them deferment for further college training. F. C. Bolton, Dean.

SINGING CADET rehearsals will be held in the Assembly Hall at the following times: Monday, Wednesday and Friday afternoons, 4:30 to 5:30. All boys who have not signed up as yet and would like to join please come to the Assembly Hall any afternoon after 4:00 p.m. You do not have to have every afternoon off to be a member.

NOTICE: All students who checked out leads for use in the Electrical Engineering Laboratories during the second semester 1942-43 must return these leads by Saturday, Feb. 6, 5 p.m. Those who do not return the leads will be charged at the rate of 50 cents per lead. M. C. Hughes, Head, Department of Electrical Engineering.

## TUMBLING TEAM

even chance to take many conference honors. Coach Lil Dimmitt reports that the team is showing plenty of spirit and fire in their workouts.

Although five meets besides the South West Conference Meet have been scheduled, Coach Dimmitt is still trying to arrange for other meets. Of the five meets scheduled two are dual meets. The first of these is with Texas and will be run in Austin, the other is with Rice and will take place in Houston. One triangle meet with Rice, Texas and A. & M., the Texas Relays, and The Border Olympics constitute the other meets. The Border Olympics will be run in Laredo and teams from many Texas colleges and a few out of state teams will participate. The South West Conference meet which was originally scheduled to meet here will probably be held in Houston since there is not sufficient rooming space in the local hotels.

The track team is confronted with transportation problems as well as are all other athletic organizations but Coach Dimmitt assures that the team will make the scheduled meets somehow.

## Basketball

(Continued From Page 3)

Aggies that they have never quite recovered. They currently hold a tie with Rice for third place. The Aggies are only a half game behind in fourth.

The Mustangs of S.M.U. are at present battling with Baylor for the league cellar. In an early-season game they took a close one from the Bears and now hold the advantage. S.M.U. appears to have everything it takes to be a good basketball team. They have height, speed, and experience. Led by Bacuss and Tumlinson they have led in every game they have played, but always have been nosed out in the final minutes.

Despite their frequent losses they have improved with every game and, with the home court advantage, should give the Aggies a real scrap up in Dallas. Other Mustang standbys are Acei Cannady, and the two Stringer brothers from Van, who are both reputed to be hot shots.

The squad which will consist of eleven men, will leave sometime Friday for Fort Worth. There they will spend Friday night and Saturday. Sunday, after their engagement with the Frogs, they will travel over to Dallas where they will tackle S.M.U. on Monday night. Should they take both tils

## INTRAMURALS

(Continued From Page 3)

Separate teams for both leagues will be entered in horseshoes, volleyball, softball, and track. These five sports make up the Intramural Sport Program for the Spring semester.

Speedball and horseshoes will begin around February 15, or as soon before that as schedules can be arranged. Volleyball and softball will come later in the Spring. Competition in track will be in one big meet to be held late in the semester.

Nicky Ponthieux of the Intramural Department has announced the departmental managers for the current semester. These boys will officiate all Intramural games. The list includes Seniors Anderson, Gillory, and Mouser. Junior Intramural Managers are Bardgette, Beavers, Lanier, Mosesman, Owings, Ragar, Sadidge, Shelton, Schaepe, Wasserman, Welch, Wasserman, and Zummo.

His many friends and admirers over the campus will undoubtedly be enjoyed to know that "Wasser" (the Great) Wasserman will be back with the Intramural Department as Junior Manager. Wasserman, however, declined to make any official statement to the press. He did comment that this year's managers will probably be the best Intramural officials in the state. This statement was hardly seconded by his colleagues of the department.

This column is again asked to announce to all Sophomores who are interested in becoming Sophomore Intramural Managers to meet at 5:00 this afternoon in the Intramural Office for the purpose of discussing plans. Every boy interested in this work is urged to be present at the meeting.

## AGGIES

(Continued From Page 1)

We had already checked out of the hotel, and were leaving for home after we left the studio that day. Mr. Winstead found out that we had been trying to bum a ride on some Army transport plane, so he called an ex-Aggie Air Corps Colonel at the Santa Anna Air Base. However, he was never able to get in touch with him, and besides we didn't have the necessary parachutes that are required of all aerial hitch-hikers, we gave up.

We left then with the hope that we could soon be rolling merrily on our way toward Big D. That was Wednesday night, and we rolled into Dallas Saturday afternoon.

By the way—have you ever worn boots for three days without taking them off?

CAMELS HAVE WHAT IT TAKES! THEY'RE EASY ON MY THROAT—AND A TREAT TO MY TASTE!

## FIRST IN THE SERVICE

With men in the Army, the Navy, the Marine Corps, and the Coast Guard, the favorite cigarette is Camel. (Based on actual sales records in Post Exchanges and Canteens.)

The "T-Zone" where cigarettes are judged

The "T-ZONE"—Taste and Throat—is the proving ground for cigarettes. Only your taste and throat can decide which cigarette tastes best to you . . . and how it affects your throat. For your taste and throat are absolutely individual to you. Based on the experience of millions of smokers, we believe Camels will suit your "T-ZONE" to a "T." Prove it for yourself!
