GREMLIN (Continued From Page 3) goes our modern humor. An example of his humor is hereby given as proof.

Manager Martin led off with a walk, and after Platt fled to centerfield, Ralph Newport beat out a hit to deep short as Martin advanced to third. Max Stump then banged out the first of two hits he got during the evening to drive across a brace of runs.

The opening games were high scoring contests but Thursday evening the teams settled down and a couple of close contests were played. The teams are getting fairly good support from their respective Squadrons, but many more could turn out to give their teams a boost.

Pay-As-You-Go Tax Plan Explained

The Treasury has prepared a series of questions and answers on the new withholding tax which will begin to take a bite out of incomes next month.

Q. Is the withholding tax an additional tax?

A. No. The withholding tax is merely an easier way of paying your regular annual income tax on a prepayment pay-as-you-go basis.

Q. I am a married man with one child and am now putting 10 per cent of my pay in War Bonds and 5 per cent, after subtracting withholding exemption, for the victory tax.

A. In the first place your 20 per cent withholding tax includes your victory tax. If you are married and have one child, your exemptions will bring your tax down to approximately 8 per cent.

Q. Suppose when I make my return next March I find my employer has withheld more than enough money to cover my tax.

A. It will either be refunded to you or credited against other income taxes due from you.

Q. Suppose my employer withholds tax from my wages, but does not turn it over to the government.

A. The employer is liable for the payment of the tax and must furnish the employee with a written statement showing the amount of tax deducted.

Q. Do I have to wait until the end of January to know how much of wages my employer holds out?

A. Yes, for the official notice or receipt unless your services with your employer are terminated before the end of the calendar year.

Q. What happens if the receipt the employer gives me gets lost or destroyed?

A. You should make application to your employer for a copy of the receipt.

Q. Does it make any difference if I change jobs several times during the year?

A. No. Each employer is required to withhold the tax from wage payments made to you.

Q. What advantages are there to me in this withholding?

A. You will be paying on your income and victory tax as you receive your wages.

Pineapple To Be Canned Bought Before Rationing

Cooperative buying of pineapple for canning, a practice established in pre-ration book days, has been flourishing in Texas the last few weeks.

Through the marketing committee of the Young County Home Demonstration Council, about 275 dozens of pineapple were sold to more than 500 families in the county recently.

Floods Cause Set Backs In North And East Texas

While the latest Texas crop and weather bulletin on the whole was encouraging there have been some setbacks due to floods in North and East Texas and to hot winds and blowing-out on the extreme western part of the plains.

If farmers are to obtain maximum food and feed production, replanting in some areas will be necessary as soon as possible and a large amount of hoeing will be essential. In fact, if blacklands and East Texas farmers get needed labor for cleaning grassy fields, much replanting can be avoided.

is, BOSTON BLACKIE GOES HOLLYWOOD, starring Chester Morris as Boston Blackie.

This is another in the Boston Blackie series but does not quite live up to the former's standard. It is the story of the big-shot of the big city who goes to Hollywood to "case the joint."

The Lowdown: It's worth while, but that's all.

Sunday and Monday at Guion Hall is the newest Jack Benny hit, GEORGE WASHINGTON SLEPT HERE, with love Ann Sheridan and a host of other top entertainers.

The story is about a man and his wife, who, at the wife's suggestion, move out in the country to an old home in which General George Washington was supposed to have had his headquarters during part of the Revolution.

Laredo is one variety of soybeans recommended, while Oototan and Avoyelles are good varieties for hay. Brabham, Whip-poor-will, blackeye, Chinese red, new era, and iron peas are dependable in the same section.

Midnight tonight and showing tomorrow and Monday at the Campus is one of the finest animal pictures ever to come out of Hollywood. MY FRIEND FLICKA, starring Roddy McDowell, Preston Foster, and Rita Johnson.

The picture is in breath-taking

technicolor and filmed in the wild, beautiful country in which the horse raising and training center of the United States lies. Roddy McDowell, star of How Green Was My Valley, is the misunderstood son of rancher Preston Foster.
