FISH DANCE TOMORROW NIGHT TO DEL VALLE BAND

Town Hall Presents Houston Symphony

Ernst Hoffman, Conductor, Arrives On Campus for His Sixth Appearance

The Houston Symphony Orchestra under the direction of Ernst Hoffman will play for service men and Aggies as scheduled on Kyle Field at 8 tonight, according to the Summer Town Hall program as listed. Aggies have been privileged to hear the Symphony at six different appearances, and those who heard them say that those who attend will really have a treat in store for them from the starting hour to the finishing point.

Sir Elgar's "Pomp and Circumstances" will open the program and the first section of the concert. This composition was originally made for the coronation of Edward VII. The hymn tune, "Land of Hope and Glory" will be used as a trio while being incorporated in the march.

"The Emperor" by Johann Strauss will be the second offering of the Orchestra. This has always been popular when played before every kind of audience. This composition was written in dedication to the Austrian Emperor.

From Bizet's L'Arlesienne Suite, the Pastorale and the Farandole will be played. Strauss' popular operetta, "The Gypsy Baron" will close the first section.

Two movements of the sixth movement will begin the second section. These two movements which come from the "Pathetique" are the famous 5/4 Scherzo and the March.

The Symphony will try playing several novelties for the first time on tour. Hill Billy and the Pavanne by Morton Gould are two of the best numbers in America idiom. Gould has proven successful in this type of composing, and through his connections as composer and arranger for the mutual Network, he has risen to further heights.

The Little fugue in G Minor by Bach and "Bach Goes to Town" will be the featured novelties of the concert. The first novelty was written centuries ago; it is one of Bach's best fugues. The latter novelty was written by Alec Templeton on how Bach would have written the same composition were he living today. The "fugue in swing" was first published as a piano solo but later arranged for orchestra and played by the New York Philharmonic-Symphony with Benny Goodman as solo clarinetist.

The march "Sempre Fidelis" by John Philip Sousa in dedication to the U. S. Marine Corps will close the concert program.

YEARGIN RECEIVES COMMISSION IN CORPUS

ATLANTA, Ga.—Richard L. Yeargin, of Dallas, has been commissioned a second lieutenant in the U. S. Marine Corps after completing advanced flight training at Corpus Christi.

Aggies Stationed At Camp Roberts Have Yell Practice

Colonel Takes Off Tie While Talking To Aggies; Then Locks Arms in Hymn

In this excerpt from a letter from a former Aggie who is now in Camp Roberts, California, Billy Rice tells of an occurrence that happened there recently.

"All Aggie Engineers, Coast Artillery, and Signal Corps boys left for their respective training quarters yesterday. There were about 400 Aggies here in our battalion. We have a lieutenant who is a former Aggie. He got up a party for the bunch, before they left. There were enough Aggies to fill the "Rec" hall here. We really had a big and loud time. We had a yell practice. Down at A. & M. when anyone made a speech he always took off his tie. So the Aggie lieutenant got up to make his speech and everyone, naturally, yelled, "Take off that tie," and he did. Then the Colonel got up and about 400 voices greeted him with "Take off that tie". (Of course we were a bit sheepish this time.) He hesitated, then pulled it off. He really made a good speech; he was on Guadalcanal a long time. He said we were the most enthusiastic.

Saturday's Battalion carried a feature similar to this, but several of the men on the campus have mentioned the vagueness of the facts that it contained. The General Reveille Fund as it is being called began upon the recommendation of a Fort Worth woman that we enlist Reveille in the W. A. C. division of the K-9 corps as a general. We have, up to the present time, had some swell cooperation from the Aggie corps and from some "Aggies" who have never attended A. & M.

The K-9 corps is a division of the army, but it is composed of dogs instead of men. Just as in

Coach Stewart has arranged two-day practice sessions beginning Sept. 1 for the gridiron candidates who are not to enroll in school until Sept. 13, but the Navy men and some of the other prospects will be limited to afternoon workouts as they will be in the classrooms each morning.

Kampus Kapers has Variety Show Sat. Night at Assembly

Everyone Invited to Program Beginning at 6:15; Last One Hour

Kampus Kapers will present an outstanding variety show as their feature to precede the regular Juke-Box prom Saturday night at 6:15. Details have not as yet been worked out, but plans call for a good show so it will be well worth anyone's time to be present. Saturday's Battalion will carry the details.

Several boys with the S.T.A.R. unit that is located on the campus will be included on the show. The same Singing Cadets double Octet that entertained the Dallas U. S. O. and several churches in Dallas will also be on hand to help present a good show. They have been well-received by every audience who has heard them and they should be just as popular on the Kapers program this time as they have been on previous programs.

Every Aggie, service man, and resident or visitor of the campus is invited to be at the Assembly Hall Saturday night at 6:15 to have an enjoyable hour of entertainment.

Dance to Be Held in Grove; Tickets \$1.50 Per Couple

Dormitory 14 Will Be Vacated For Dates; Dance To Start At 9:00 o'Clock

Plans have been completed for the big event for the freshmen tomorrow night in the Grove. Tickets are \$1.50 per couple. Dormitory number 14 is to be vacated for the girls who wish to stay in a dorm.

Those boys vacating will spend the weekend in Post Graduate Hall.

Lt. John L. Griffin and the Del Valle Orchestra are flying up from Austin to Bryan Field for the occasion. Sgt. Ream, the conductor of the band, is a former member of the famous Casa Loma Orchestra under the direction of Glen Gray.

The Del Valle Orchestra has been to the campus before, playing for the Air Corps Wing Ball held recently. The music went over with a big hit with the Air Corps and their dates. The singing of eighteen-year-old Lucille Garza was particularly pleasing. Lucille is known throughout Texas since she has sung over several different radio stations and with a local band at Austin.

The decorations will be in the traditional Aggie colors of maroon and white with the A. & M. seal as the centerpiece.

The dance is to be held in The Grove instead of Sbis Hall for several reasons. The Grove is much cooler than Sbis, the cost of the affair will be kept down, and The Grove can be decorated better. Most of the fish say they prefer dancing under the stars anyway. The Grove will hold 400 dancing couples comfortably.

It is hoped that the ball will be a success and most of the freshmen are doing all they can to make it so.

There will be a Juke Box Prom Saturday night as usual.

Sgt. Ream who is director of the Del Valle Orchestra which will play for the Freshmen Ball Friday night from 8 'till 1.

Paul Pieffier, who with Lucille Garza will be featured as vocalist with the Del Valle Orchestra when they play in the Grove at the annual Fish Ball.

ures from Saturday at 6:30 a.m. to Tuesday at 10 p.m. amounted to \$51.73 which isn't too bad, but it could be better. A dorm to dorm canvass was made Tuesday, but Milner was the only dorm to report at the time of this writing. The men in Milner voluntarily gave \$10.64 with many of the men saying that they would drop the money in one of the boxes at a later day of the week. If the other dorms give as much as this, the minimum amount will be raised at once. The fact remains, however, that we need more money.

Everyone is asked to contribute. It will be helping the war effort (See REV, Page 4)
