Aggies Prepare For Trip To Ft. Worth For T. C. U. Game

Corps Receives Dance Bids From Juniors At T.S.C.W.

All Aggies Invited To Attend Dance Friday Night; Juniors Given Absences

The following letter was received by the Student Activities office October 12 concerning the dance at T. S. C. W. honoring all Aggies on Friday night of October 15.

Dear Sir:
The Junior class of T. S. C. W. is sponsoring an all-college open house honoring the Aggies on Friday night, October 15 in the Student Union Building from 8 to 11 o'clock. The members of the class have asked that I extend an invitation through you to the Aggies and their T. S. C. W. dates. The Campus Serenaders will play for the occasion.
The Aggies from the A. & M. Junior Class agreed, when they were here last week, that a date bureau was not feasible and that they would make their own arrangements for T. S. C. W. dates.
It was a pleasure to have the eight boys who selected the Aggie Day Sweetheart on the campus last week, and we hope next Saturday will be a most successful day for A. & M.

Sincerely yours,
Mrs. Mattie Lloyd Wooten
Dean of Women
The executive committee has announced that all classified Juniors will be granted authorized absences, beginning Friday morning at 9, and these men must obtain passes from the Commandant's office.

Meeting This Morning Called By President

Released To Hear 11 o'clock Classes Bolton Speak

There will be a meeting of the entire student body in Guion Hall at the 11 o'clock period this morning. Classes for all regular students will be suspended at that period. Students in military units will attend in formation. Other students are expected to come individually.

The meeting was called by President Bolton. He did not state the actual purpose of the meeting only that he wished to speak to the student body on general matters.

All students in the 2nd Student Training Co. of the A. S. T. P. Unit will march to Guion Hall. This meeting is for present students only and does not include the recently returned class of 1945.

Psychological Tests Given Again Today

Tests Regiven For Transfer And Late Students

All those students who have not taken the psychological test are required to take it on Thursday afternoon, October 14, from 3 to 5. It will be given in room 123 of the Academic Building.

The freshmen who did not take the psychological test on September 30 or October 1, are absolutely required to be present. Those transfer students who have not taken the test or whose results from other schools have not been sent to the Registrar's Office must take the test at that time.

It is necessary that all students take this psychological test at the aforementioned time and place.

Batt Cards Must Be On Doors

In order to facilitate the delivery of the Battalion, all student subscribers are urged to post their subscription cards on their doors. The number of Battalions delivered to each room will depend directly upon the number of cards on the door.

City Appreciates Paving Project

The city government of the City of College Station has expressed thanks and appreciation to the Highway Department of the State of Texas for the construction of the new highway running along the north side of the campus and extending to the city limits of Bryan on the Sulphur Springs road.

In a letter to D. G. Greer, State Highway Engineer of the department, City Manager Lloyd D. Smith stated that the Mayor and City Council in regular meeting passed a resolution of appreciation to the department for "the splendid and much needed concrete pavement which you recently completed through our city."

The letter went ahead to state: "We especially want to express to you our compliments on the selection of your personnel. Your engineer, Mr. Garrett, and all of his co-workers, to the humblest employee, was so amiable and considerate in every manner. It was a pleasure to have you pass through our city."

The city council is made up of the Mayor, Hon. Ernest Langford and the following councilmen: C. W. Crawford; J. A. Orr; F. B. Wilcox; E. E. Brown; R. L. Brown, and M. T. Harrington.

Gracing the top of today's Battalion masthead are the seven Aggie beauties who along with Lena Marie Adams, official Aggie Day Sweetheart, will rule over the Corps at the coming game between Texas A. & M. and Texas Christian University.

Reading above from left to right, the girls are as follows: Miss Mary Katharine Cain, Miss Mar Gwen Ball, Miss Mary Louise Auld, Miss Kathyrine Turner, Miss Janet Hudson, Miss Barbara Cook, and Miss Bonnie Jo Crumpacker.

Immediately above is Miss Lena Marie Adams of Bryan selected by eight juniors from A. & M. as Aggie Day Sweetheart. Her escort for this coming Saturday's game will be Sumner Hunter, who is shown to the left, President of the Junior Class at A. & M.

Aggie Sweetheart Rules Corps For Game Saturday

Students Leave Campus As Soon As They Finish Their Last Class On This Friday

With the announcement Monday afternoon of the official Corps Trip to the T. C. U. game, all Aggieland began getting ready for an unexpected vacation. The Junior Class was promised authorized absences to the game but the entire Corps did not expect to receive the weekend off.

Regulations

With the approval of the Commandant and the Executive Committee, those students desiring to attend the football game at Fort Worth on October 16, will be permitted to leave the campus after their last class on Friday. Passes will not be required, although those Aggies must return not later than 8:30 p. m., Sunday, October 17.

The regulation uniform for the corps trip will be optional, either wool or khaki, Jack Knox, junior yell leader, prefers that Aggies wear wools, however, this will be left entirely up to the cadets.

The campus has been the scene of much planning and activity this whole week. The occasion is one of the greatest events to occur in quite some time. This is the first official Corps Trip since the fall of 1941. The corps is allowed to leave after their last classes Friday and return Sunday in time for call-to-quarters.

Those Juniors who are classified as such will be given authorized absences from all of their classes after 9 a. m. Friday. They will be the guests and dates of the Juniors at T. S. C. W. at a dance Friday night. The class officers will escort the sweetheart candidates and the Aggie Sweetheart to the affair.

Ninety-Piece Aggie Band To Parade At The T. C. U. Game

Membership of Band Increased for Games To Come

According to Col. R. J. Dunn, director of the Aggie Band, there will be a 90-piece band at Fort Worth for the A. & M.-T. C. U. game this Saturday. Col. Dunn stated that the band will perform between halves at the game with a series of marches and counter-marches.

Transportation has been arranged for the instruments to be taken to Fort Worth, leaving early Saturday morning. Although transportation will not be furnished for band members, they will get to T. C. U. by their own means.

The main event of the week-end is the ball game held in the Frog stadium in Fort Worth. The campus should be a very dead place because the reports say that all but the few Two-Percenter will be at T. C. U. to witness the Aggies' first conference game of the season. Everybody who can should take advantage of the Corps Trip that the Executive Committee and the Commandant's Office have granted us.

Spirits are running high about the campus. The Yell Practices are sounding better and everyone is getting the fell of the Aggie Spirit. The Aggies know they are going Frog gigging and are not to make the most of the whole affair.

As a side attraction, which should by no means be underrated, is the Sweetheart portion of the program at the "half". The Aggie Sweetheart of 1943, escorted by the Junior Class President, will appear on the field with her attendants and their escorts. This has always been a popular event with the audience. The Sweetheart will rule over the game as has been a previous practice.

Another entertaining feature at the game will be the debut of the new Aggie band. This is their first appearance at a football game. The band, composed of about 75 members of the Freshman class and directed by Col. R. J. Dunn, will perform at the game's half. The music for the Aggie section will be furnished by them also. The presence of the music from the band should boost the spirit and yelling of the Aggies to even higher than it has been this year. This means that the team will play a All in all the Aggies are very much better game.

No Service Show, Dance This Week

There will be no service show or service dance on the campus this Saturday night. The absence of these attractions is due because of the Corps Trip this week-end.

The service dance is to be held in the Banquet Room of Sbis Hall when the fall program is resumed in the near future. The Assembly Hall will be the scene of the Service Show as has been the past practice.

Five out of every six members of the 1943 graduating class in the agriculture at Washington State College are in the armed services. Of these who are not in uniform, three are working for state governments or institutions, one is teaching vocational agriculture and two are farming.

Corps Votes On New Yell Leaders

Votes were counted yesterday afternoon at 5 o'clock by the Student Elections Committee for the Yell Leader election held on the campus Wednesday. Arthur Graf, Senior; Jack Knox, Junior, and Hayes Stripling, second semester sophomore were the three candidates. All they needed was a vote of confidence.

265 votes was the total number cast. Of this number, Graf received 119, Knox, 247 and Stripling 250. These men will lead the Corps' yells for all future games.

This year the Tufts College Medical School is celebrating its fiftieth anniversary.
