STUDENT EMPLOYMENT—"There are still 85 or 40 jobs available to students or 40 jobs available to student willing to work. If you are in call at the Placement office." W. R. Horsley, Director.

W. R. Horsiey, Director.

The war has interferred with the regular activities of the United Science Cluand no local contest will be attempted during the present semester. The program of the collegiate division of the Texa Academy of Science, however, will be attempted as usual. For that reason, an undergraduate A. & M. student who ha a hobby of any scientific subject would by welcomed as a prospective contestant from A. & M. Those interested should get it touch with C. C. Doak, Room 26, Science Building, The annual meeting of the Texas Academy of Science will be in Ausfin, Texas, November 11, 12, and 13.
