trol and how much freedom of initiative will best serve the public (See BOOKS, Page 6)

The most disastrous flood in recorded history occurred in 1887 when China's Hwang river burst

through its levees, flooded an area of 50,000 square miles and drowned 1,000,000 people.

There's a character who's got a heart like his name. To him a Nip in the trees is a notch in his gun.

Me, I've got the hottest pin-up collection in the Pacific but does it get me anywhere with Trig? No!

Even when I try to mooch one of his Chesterfields I have to find him a whole nest of Nips to pick off.

But then... the Colonel says we make a swell Combination...
