Corps Review Scheduled For Friday

Aggieland to Play for Corps Ball

All Service Dance In Grove Saturday

Student musicians have organized an Aggieland Orchestra affiliated with the Student Activities Office and according to present indications will play for the series of dances this weekend on the campus it was announced Tuesday morning by the Student Activities Office.

According to arrangements made by the Student Activities Committee the corps dance will be held in the main dining room of Sbis Friday night and the all service dance will be held under the trees in the Grove Saturday night. The dance Friday night will be semi-formal but the dance in the Grove will be informal.

Arrangements are not complete for dormitory accommodations for Aggie guests but it is likely that they will be quartered either in Dorm 14 or 15 if the college follows its policy of the last few weeks when guests were on the campus. Charges are not definite and will depend largely upon the number of reservations that are made by Aggies for their guests.

Tickets were issued Monday night by the Student Activities Committee to go on sale at \$1.50 for the corps ball to which only Aggies and their dates are invited and tickets are also available at \$1.20 for the all service dance Saturday night in the Grove to which all personnel on the campus are invited.

Application Blanks Available for AIMME

Application blanks for membership in the American Institute of Mining and Metallurgical Engineers are available in room 106 of the Petroleum building it was announced yesterday by Harold Vance, Head of the Department of Petroleum Engineering.

The local chapter is affiliated with the national institution. Membership in the institute also includes membership in the Petroleum Engineering Club. Vance stated that membership fees were basically 50¢ per semester for the club and \$2.00 for the complete membership in the club and Institute which includes a subscription to Petroleum Technology, the official publication of the Petroleum division of the Institute. This magazine is published six times yearly.

Brig. Gen. Harbold To Visit Campus, Award Certificates

Brig. General M. B. Harbold, commanding the 80th Flying Training Wing, with headquarters at the San Marcos Army Air Field, will arrive at Texas A. & M. College Wednesday morning to present the college with a certificate of service, it was announced today by Capt. M. J. Birdwell of the 2568th Base Unit (College Training, Aircrew).

General Harbold and his party will arrive in Bryan Tuesday evening and will make the presentation at an informal ceremony in the offices of President Gibb Gilchrist at 9 a.m. Wednesday.

The certificate of service is being presented the college for the training done for the Army Air Corps during the past few months.

General Harbold also will inspect college premises to be turned back to the college since the Air Corps training has been terminated. He will be accompanied by Capt. Ernest G. Wrage of the A-3 Section, Headquarters Army Air Forces Central Flying Training Command, of Randolph Field. The party will leave Bryan about 5 p.m. Wednesday.

Girl Scout Camp To Begin Fri. Morning

Registration for the biggest Girl Scout Day to be held in this area will get under way Friday morning at 9 o'clock at the Girl Scout Little House, located halfway between Bryan and College Station, it has been announced by Mrs. C. O. Spriggs, chairman in charge of camping.

John Gurney, Bass Baritone To Appear On Town Hall July 11

As a special attraction Summer Town Hall will present John Gurney, a leading bass-baritone of the Metropolitan Opera Company. This show will be given on Kyle Field at 8:30 p.m. on Tuesday, July 11, and all Aggies, servicemen, and the public are invited as there will be no charge for admission.

Gurney has a very colorful background, and among his many other

Eudaly Rejected As Extension Director

E. R. "Hico" Eudaly is not acceptable as Texas Extension Director to M. L. Wilson, national extension director, President Gibb Gilchrist of Texas A. & M. College was informed today in an airmail letter from Wilson.

In announcing receipt of the letter President Gilchrist said:

"From M. L. Wilson, National Director of Extension Work in Washington we have today received a definite refusal to accept the nomination of E. R. Eudaly as Extension Director of Texas. Eudaly's name had been submitted first by the Board of Directors and later by the President. We consider him a very capable man and believe he would make an efficient director. However, Mr. Wilson does not agree and the mutual nature of the contract between the A. & M. College of Texas and the Department of Agriculture gives the latter the right of approval or disapproval."

Professor Street Elected Editor Of Eng. Journal

Professor W. E. Street, head of the Engineering Drawing Department, was elected editor of the Journal of Engineering Drawing for 1944-45 at the annual meeting of the Society for the Promotion of Engineering Education at Cincinnati, Ohio. Street succeeds Professor R. R. Worsencroft of the University of Wisconsin. The Journal is the official publication of the Society.

Street has been with the Engineering Department here for the past three years. He received his bache-

First Review of Current Semester Will Be Held on Drill Field Seven o'Clock

Announcement was made early this week by Cadet Colonel George Strickhausen that there will be a corps review Friday evening at 7 o'clock on the field artillery drill field.

Fees Can Be Paid Now At Fiscal Dept.

Second installment of Maintenance fees of \$37.00, due July 1-9, inclusive, can be paid now.

These fees include board \$28.80; room rent \$5.70; and laundry \$2.50 to August 10th.

The Cashier of the Fiscal Department will accept these fees from 8 a.m. until 1:30 p.m.

Hughes Is Elected 7th District AIEE Com. Chairman

Martin C. Hughes, Head of the Electrical Engineering Department, was elected Chairman of the Committee of Student Activities of the AIEE 7th Southern district at the AIEE Summer Technical convention in St. Louis which met April 26th to the 30th.

Hughes has been at A. & M. since 1923 and head of the Electrical Engineering Department since 1932. He is counselor of the AIEE chapter at A. & M. and also a member of the National Committee on Student Branches for the AIEE.

A convention of the AIEE 7th district is scheduled for the school year 1944-45 at a time and place not yet decided. In conjunction with this meeting a student convention will be held. As chairman Hughes will have charge of the arrangements for this convention. Among his other duties Hughes will arrange the program of the scheduled convention and supervise the student reports which are presented competitively by students for prizes.

Paul Olschner, a senior student in Electrical Engineering, accompanied Hughes to the St. Louis convention as Student Chairman of the A. & M. chapter of the AIEE.

Press Club Meets Wednesday Night

There will be a meeting of the Press Club in the Cabinet Room of the YMCA at 7:15 p.m. on Wednesday, July 5. All members are urged to attend as further plans for the coming semester will be discussed," stated Dick Goad.

Present plans call for a formation of the corps in line of regiments company mass front. The Aggie Band will play for the review as the corps marches down the field past the reviewing stand. Colonel M. D. Welty, Commandant of the College, will be in the reviewing stand as the corps passes in review.

This review will mark the first review of the semester and the first review for about one thousand new freshman. It is not customary for a review to be held this early in the semester but student leaders were of the opinion that a review of the corps would do much to indicate the progress made in military drill.

A memorandum concerning the review has been released to cadet officers indicating the line of march, the formations and parade areas. Further orders will originate and be passed down as the need arises.

The last review of the corps was held near the end of last semester when cadet commissions signed by the president of the college were presented to cadet officers. Since that time the corps has been reorganized along the lines that were used in the pre-war period. For the last few semesters the corps has been divided into regiments (See CORPS, Page 7)

Forest Management Head of Texas Leaves For Nat'l Conference

Paul W. Schoen, chief of the division of forest management of the Texas Forest Service, left Saturday for Fayetteville, Arkansas to attend a two weeks regional educational conservation conference at the University of Arkansas.

The conference, which is being sponsored by the General Education Board of Washington, D. C., has as its purpose the development of a conservation teaching program for Arkansas, Louisiana, Oklahoma and Texas. Schoen, who is one of seven Texans selected to represent the state, is a member of the advisory committee to direct the policy of the conference.

Schoen's previous work in helping to outline a forestry teaching manual for Texas schools with the state department of education led to his appointment on the resource conference committee, W. E. White, director of the Texas Forest Service said.

achievements has a real ability for athletics. As roving center on the Oberlin College eleven he proved to be a huge success in helping his team score the biggest upset of the 1921 season when his light team, which was outweighed 25 pounds to the man, defeated the highly-rated Ohio State University team. This was not his only sport (See GURNEY, Page 7)
