## Loupot To Give Watermelon Feast For Baseball Team

J. E. Loupot announced today that he will give a watermelon feast for all Aggies interested in playing on his softball team, Wednesday night.

He would like to meet with all boys interested in playing on the team this summer behind Duncan Mess Hall immediately after mess Wednesday night. After getting organized, there will be a practice session which will be followed by the watermelon feast.

Loupot is intent on having a first class ball team this summer, having already contacted prospective opponents in this area, and is willing to invest 100 dollars in the club which the members of the teams may spend in any way that they choose.

### —DEAN—

schools and sets the standards to be followed.

Representatives from Mississippi explained the plan dividing their state into districts with a state-supported junior college in each district. Mississippi now has a state commission for junior colleges.

Much attention was given during the conference to the plans, for junior colleges after the war: the curriculum, the enrollment, and a working plan in collaboration with senior college programs.

## A Company And D Company Spiders Lead In Softball

With all preliminary games under their belt, Aggies headed into the second week of Intramural play as two teams, A Company and D Company set the pace in the softball race.

This weeks games would forecast the probable finalists as two games are being played by each company every week, with more and more teams dropping by the wayside. At the present, the team at the top of the softball race appears to be the A Company nine with two impressive victories under their belts thus far. D Company with hurler Otto Granzin leading the way, is close on their heels and the final contest of the season is liable to be between these two clubs.

F Company got off to an impressive start with a 16 to 4 victory but they bowed to a strong G Battery outfit the following day by an almost identical score.

In the tennis matches, rain cancelled the first round play but this weeks play should reveal two or three top teams. D Company has entered a strong team in this league with netters Motsier, Langford, Petty and Label.

In one of the outstanding softball games in the first round of play G Battery lost a heartbreaker to D Company by 8 to 7. The artillery nine led in the last inning 7 to 4 but their pitcher and outfield blew up, letting in 4 runs and costing them the ball game.

Thus far the freshmen have given an excellent account of themselves in Intramural play and

much is due to be heard from them in later contests. They are taking a great deal

of pride in their Company's Intramural efforts and are due to cause plenty of trouble.

### DEPENDABLE PROTECTION in the RAIN!

Regulation Raincoats servicemen can depend upon . . . Smartly styled, lasting comfort. See our lines of fine Regulation RAINCOATS.
