

### Hillel Club Holds Services Sunday

Regular Sunday services of the Hillel Club will be held in the cabinet room of the YMCA Sunday, July 15. Members are asked by Hershel Lippmann, club president, to take notice that they will begin at 10:30 a.m. instead of the time of the previous services. A report on the progress of the scheduled barbecue will be made and discussed in a short meeting to be held after the services.

All Jewish servicemen on the campus are again extended the invitation to join in the activities of the club, Lippman said.

(Continued from page 1)

indebtedness of the district amounted to \$15,472.76. On August 31, 1944, the approximate indebtedness will amount to \$3,000 which can be balanced against a delinquent tax roll of approximately \$4,000, according to the superintendent, W. D. Bunting.

Academic progress may be shown in figures taken from budget reports filed with the Superintendent of Education at Austin. In the school year, 1937-38, the district had a total enrollment of 685 students with an expenditure of \$35.94 per capita. Three years ago the enrollment totaled 790; the per capita expenditure, \$58.55.

In a letter to patrons of the district, Mr. Bunting issued this information: "From the scholastic side, your school has changed from a loosely organized system where each teacher and her room formed a separate unit of the school and in many cases did a sub-standard of work, to a school organized where authority is properly placed along with responsibility and the entire school is a unit in which standards are being checked and honest efforts are being made to attain higher standards of scholastic work."

Physics and Latin will be added to the high school curriculum during the coming year. Bible, with high school credit, will also be offered for those students who want to take it.

Mr. Bunting further announced the following program of work for the high school during the 1944-45 session: "A student must complete 16 credits with an average grade of 70 to receive his diploma of graduation. He must have 16 credits, apportioned as follows: 4 in English; 1½ in Algebra; 1 in Plane Geometry; 1 in Applied Science; 1 in American History; ½ in Civics; and ½ in another social science. The balance of 6½ credits required for graduation may be taken from elective courses." The elective subjects include: Spanish, Latin, Shop, Drawing, Home Economics, Junior Business Training, World History, Texas History, Physics, Typing, Shorthand, Economics, Solid Geometry, and Trigonometry.

### NOTICE TO TAXPAYERS OF

#### A. & M. CONSOLIDATED INDEPENDENT SCHOOL DISTRICT

The following is a list of delinquent taxes due the A. & M. Consolidated Independent School District according to the tax records found in the tax office located in the A. & M. Consolidated School building at College Station for the tax years beginning with 1939 and ending with 1943. The amount column gives the total tax only. When payment is made, 8% penalty plus 6% interest per annum plus a \$1.00 cost charge must be added to the total tax for final settlement.

The members of the school board wish to make public this list with the announcement that court proceedings will be started 30 days from the date of this notice for the collection of taxes plus penalty and interest.

If you have a question or want information concerning your taxes, call telephone number 4-7624. Office hours are Monday through Friday 9 a.m. to 5 p.m. Saturday 9 a.m. to 12:00 noon.
