

Bulls Get Walloped In Sports Olympics

Cadet Officers Win Closely Fought Battle 17 to 14; Darkness Halts Game

By Slim Inzer
Battalion Sports Editor

In a combination softball game, track meet, and football tussle, the Cadet Officers of the Corps Staff and First Regiment defeated the Commissioned Officers Monday evening, 17 to 14.

The Officers took a one run lead in the first inning when Major Breland singled and finally scored after exhibiting some dazzling base running. The Aggies quickly tied things up in their

half and went ahead; holding the lead until darkness permitted the Officers to tie the game up.

With the score 14 to 3 in favor of the Aggies, the Officers staged an eight run rally in the sixth frame. Three more runs in the seventh stanza tied the battle up at 14 to 14, but the Cadets won the game in their half of the seventh when they scored three runs.

The star of the game was without a doubt Captain Jack Kimbrough, Officer first sacker. You took your life in your own hands when you even started in that direction. Mistaking the diamond for a gridiron, he exhibited some fancy blocking and tackling around the initial sack. If the umpires had not been taking bull text, he would have been penalized for holding on several occasions. Then to show his versatility, El Captain took over the pitching duties in the last two frames, and he had more balls up his sleeve than an old time juggler.

Tony "Two-ton" Barcelona, the chubby redhead who has been trying all season to get a hit, almost succeeded in this game. Tony blasted a long fly to left field which should have gone for a hit, but he was cheated again. It was pretty dark and someone had hidden first base. Being without a flashlight and searching party, and with no Radar handy, the chubby one was robbed again.

A return game will probably be played in the near future. All softball fans in the vicinity are invited to attend the next tilt, and are urged to bring the children. The kids will enjoy the circus.

Summary:
Officers1 0 0 0 2 8 3-14
Aggies2 2 2 4 4 0 3-17

"A" and "B" Are Still Tied In Softball Competition; "G" Battery Leads Tennis

Nearing the finals, intramural softball is still tied between A and B Companies each having five victories and no defeats. D Company is running a close third with the same number of wins, but with

two defeats to their record. Although they have slipped from the position of top organization of the corps in intramurals, G Battery is still leading the net competition with a perfect record. According to Jerry Walker and Bob Zivney, managers of the team, G Battery is a cinch to win the tennis crown. Leading the B League with a perfect record, A Battery will probably play G Battery in the finals. The officers in A Battery are also sure they will win the net crown.

True to past predictions of Tommy Walker of B Battery, the freshmen of the center ramps of Hart are leading the basketball competition. They have won three games and lost none thus far. A Company with a smooth functioning and hard driving team is pressing them with a close second with two wins and no defeats. Volleyball has not gotten well under way as of yet because of rain yesterday afternoon.

Plans are now being made for swimming and track meets which will be held in the near future. The exact date and events to be held have not been announced at present.
