

Intramural Swim Meet Starts Thursday

Preliminaries To Be Held Thursday; Finals Scheduled for Sat. Afternoon

In a statement issued to all athletic officers last week, W. E. Penberthy, head of the Physical Education Department, announced that the Intramural Swimming meet would be held this week with preliminaries set to be run off Thursday afternoon and the finals scheduled for Saturday.

All men planning to enter the meet must report at the Gym on Thursday at 4:30 for organization. All intramural games previously set for Thursday will be postponed to a later date, said Penberthy.

The meet this year will be very similar to the one held last semester. In order for a company to receive the fifty entry points they must enter men in at least three events. The company winning the meet will be given thirty additional points, with 20, 15, 10, and 5 points being given for second, third, fourth and fifth place winners respectively.

Events scheduled for the meet are the 400 ft. relay, 100 ft. back stroke, 100 ft. side stroke, diving, 200 ft. free style, and the 400 ft. military relay. A new event, the 100 ft. side stroke swimmers must keep their top arm above water with a dry towel to be carried in this hand. The towel must be perfectly dry at the end of the race. Each man will carry approximately 10 lbs. of weight wrapped in a towel when swimming in the 400 ft. military relay. In the diving contest, each man will be required to execute three prescribed dives and two optional ones of his own choice. Each contestant will be allowed to enter only two events, said Penberthy.

According to Penberthy, last semester's meet was a very successful one and he hopes that the respective companies will show as

much spirit in this meet as they have shown in other Intramural sports thus far this semester. In the swimming meet held last semester C. E. Bishop led the score 8 of his company's 30 points to nose out a fast finishing 1st Hdq. team.

The scoring for Thursday's meet will be six points for first place winners, 4 for second place men, 3 for third, 2 for fourth, and 1 for fifth place. The points will be a little higher in the relays with first place winning 10 points, second, 8, third, 6, fourth, 4, and fifth, 2 points.

The preliminaries Thursday will begin at 5 o'clock with Saturday's finals scheduled to begin promptly at 2 p. m.

"Sparky" Eberle Letterman Tackle, Returns to Fold

Aggieland's gridders entered their second week of training Monday, ending the drill with a 30 minute scrimmage. Although the boys were a little off form due to the weekend rest, they had plenty of hustle.

Another letterman who was not counted on to play this year returned to the fold. He is "Sparky" Eberle, who played a lot of tackle last year. "Sparky" was not in uniform Monday, but he was due to take part in Tuesday's workouts.

Harold V. Ratliff, Associated Press Sports Editor, was on hand for Monday's drill. He was on his annual pre-season trip to the campus at which time he gets individual pictures of the boys and attempts to figure how the Aggies will fare in the conference race.

Monday's workout started off with a punting drill which was followed by passing. After running dummy scrimmage for awhile, the boys really started roughing it up with a full steam scrimmage.

Intramural Track Meet Sept. 9, 10

Plans for the intramural track meet have been completed and the date has been set for September 9 and 10 to begin at 2 p.m. both days.

Preliminaries will be held Saturday afternoon and the finals will be run off Sunday afternoon. The events will include: 300 yard run, mile run, 100 yard dash, 880 yard run, 120 yard low hurdles, 440 relay, 1.7 mile run, mile relay, shot put, high jump, broad jump, and chinning.

The company points will be awarded as in swimming points: for individual events it will be 6, 5, 4, 3, 2, 1.

In this meet a student may enter three events but will not be allowed to enter more than two running events.

Consolidated Coach Issues Practice Call

Cecil Nabors, A. & M. Consolidated football coach, announced that all boys expecting to play football with the Tigers during the coming season report at the gymnasium Friday afternoon at 4 o'clock.

Uniforms will be issued and a light workout will be held. "It is hoped that all of the prospective boys will respond to this call," said Nabors.

Money is the only thing that can go farther when it's in bonds—War Bonds.

FAMOUS "DANDY" 4-0 TAILOR MADE BLUES THE NAVY'S SWEET-HEART

MAILED, INSURED, ALL OVER THE WORLD 3 DAYS AFTER RECEIPT OF ORDER

TAILOR MADE NECKERCHIEF INCLUDED WITH EVERY UNIFORM

- * Blue Black 100% All Wool
- * More Satin Lining
- * Hand embroidered
- * Treated not to shrink or fade
- * Handsomely finished
- * Plenty of extra pockets
- * Your name embroidered in jumper and trousers
- * Your rate cross stitched

Taxis Will Have 2-Way Radios Soon

America's first two-way taxicab radio system will be installed in Cleveland by the Yellow and Zone Cab companies as soon as possible after the war, provided approval can be obtained from the Federal Communications Commission for this service. The proposed installation is being worked out with the help of the General Electric Company's Electronics Department and Cab Research Bureau, Inc., the latter representing the taxi industry.

The radio communication system will be of benefit to the general public, because it will make it possible to:

Establish contact with any cab instantly at any place in the city; Eliminate all present unattended call boxes, with their direct line connection to cab headquarters;

Reduce "dead" mileage and thus conserve gasoline, rubber, and extend the life of the taxicab itself.

Present plans call for one main transmitter for the downtown area and two others to cover the rest of Greater Cleveland. Each transmitter would have four channels, with 100 cabs assigned to each channel.

Destroyers are named for officers and enlisted men of the Navy and Marine Corps, Secretaries of the Navy, members of Congress, and inventors.

With the intramural competition having been completed in softball and tennis except for the finals in tennis between G Battery and E Troop, basketball and volleyball competition has eliminated a few more likely contenders for the coveted intramural flag.

In League A in basketball this afternoon's game between D Company and F Company will throw the league into a tie with the winner of the game and C Battery. All three teams have lost one game. F and D Companies now each have four victories to their credit as compared to C Battery's five. There will have to be a play-off between this afternoon's victors and C Battery to determine the league championship. B Battery has already won the League B crown and will play in the finals to be held in the near future.

In volleyball, D Company has won all their games and lost none which makes them League A champions. The rest of the teams in that league have lost two or more games with still more games to be played. In League B, F company is leading with five victories and one defeat on their record. A Company and C Company are the only likely contenders for first place with three games yet to be played. They have both lost one tilt already. F Company, from all indication, will be the league championship which will play D Company for the Corps championship.

People who wouldn't listen to the dictates of their own conscience may at some time be taking dictation from some one who has no conscience whatsoever.

BOOTS AND SPURS WANTED

Many students on the campus know of A. & M. graduates in your home towns who would sell their senior boots and spurs. Help me get in touch with these men so that I might be able to obtain more of these hard-to-get items. You will do a service to the present senior class in this way.
