 The rubber shortage doesn't seem to have had much effect on elastic consciences.

## —POST WAR—

(Continued from page 1)

tee. This report would still be in tentative form until passed upon by the executive committee, the president, and the academic council.  
 Those sub-committees into which the central committee are as follows: naming their chairman and the subject under discussion: Committee on Quality of the College Product headed by Crawford; committee, Milliff, Mayo, Alexander, Winkler. This subject will be in the process of four or five years discussion because of its various resources. Committee on Growth of the College; headed by Spence, committee, Wright, Wilcox, Barger, Gabbard. This report is finished and intact to the proper officials. Committee on the Physical Plant, headed Trotter, committee: Doak, Porter, Burns, and Spence. This report is still on the process of its tentative state. Com-

mittee on Students-Regular-Servicemen-Rehabilitation headed by Doak, committee; Wilcox, Burns, Porter, and Wright. This is a finished report and has given to the authorities to pass on. Committee on the college Curriculum headed by Alexander, committee, Mayo, Wilcox, Doak, Burns, and Crawford. This report is still in process of discussion. Committee on Teachers-Teaching Methods headed by Winkler, committee; Wright, Porter, Carwford, Trotter and Barger. This report is incomplete and is in the tentative state. The committee on Research is headed by Gabbard, committee; Spence, Trotter, Milliff, and Mayo. The committee on Public Relations is headed by Barger, committee; Winkler, Alexander, Gabbard, and Milliff. This is another finished report and in hands of the college authorities.  
 These sub-committees gave considerable time to their subject of discussion, turning in complete re-

## Work Supervisors

"Supervisors of student employment are urgently requested to turn in assignment cards for students now employed with your department. The cards may be turned in at anytime between now and September 15th. Please be sure to give a rating of the student's performance."

ports to the authorities. Some are incomplete, in the tentative state and have not yet been released. Others will stay in the process stage of discussion and report because of the nature of their subject. However, through the proper analysis of the materials of the report, college authorities were able to receive considerable information as to the status of the college. This was the object of the committee to start with, to discuss the postwar planning and policy of the college.

What Hath We In The Chemistry Department
