A tune whose title Jack Berch can't pronounce even though he'll somehow have to announce it—"Capelito de Aleli"—will be played by the Three Suns on the WTAW broadcast of the Jack Berch Show, Wednesday, November 29, at 10:45 a. m., CWT.

Jack's songs of the morning will be "Somebody Stole My Gal," "No, No, a Thousand Times No," "Oh, How I Miss You Tonight" and, from the new musical smash, "Bloomer Girl," the hit song "Evelina."

Repeating two oft-requested favorites, the Aunt Jemima choristers, under the direction of Harry S. Walsh, will intone "Rain and the River" and "Moonlight Bay" on the Wednesday, November 29, broadcast of WTAW's Aunt Jemima Show at 9:25 a. m., CWT. On Thursday, November 30, the

eleven-voice a-cappella choir will sing "The Bells of St. Mary's" and "Mandy," and on Friday, December 1, the chorus will intone "Down Where the South Begins" and "Drink to Me Only With Thine Eyes."

Harriet Widmer, as Aunt Jemima, will offer menu suggestions interspersed with old-time plantation sayings. Don Dowd is the announcer on the Monday through Friday series.

Now that the frost is on the "punkin," the Farm and Home Makers will celebrate Harvest-Time in their WTAW broadcast, Thursday, November 30, at 11:30 a. m., CWT.

Baritone Curley Bradley will sing "Shine On, Harvest Moon" and "Thanksgiving at Home." The Four Cadets will intone "Come Ye Thankful People," "The Harvest Moon Will Shine Again" and "Now Thank We All Our God." The Home Towners, under the direction of Harry Kogen, will play "Thou Swell" and "Harvest Time."

Ace Homemaker Kay Baxter will have valuable late-fall hints for housewives, and Mirandy, Persimmon Holler philosopher, will add her word of wit and wisdom.

Dr. Pearson Leaves To Attend Scientific Meeting In Chicago

Dr. P. B. Pearson, nutritionist for the Texas Agricultural Experiment Station, left Sunday for Chicago where he will participate in two scientific meetings.

He will attend a conference of the Committee on Animal Nutrition of the National Research Council, and will hold a meeting of the subcommittee of which he is chairman.

Dr. Pearson will also attend the meetings of the American Society of Animal Production where he will present a paper jointly with Dr. R. W. Luecke and Dr. H. Schmidt entitled "Evidence for the Non-Essentiality of Nicotinic Acid in the Diet of the Horse." Dr. Pearson is chairman of the Committee on Investigations of the Society. He will present to the Society the Committee's report which deals with cooperative research.

CORPS

(Continued from Page 1) Stadium. This year a bigger and better dance than ever held before has been planned.

It will immediately follow the annual Longhorn pep rally and bonfire. The walls of Gregory Gym will also resound with Aggie spirit Wednesday night, however, for our yell leaders will lead us in a short yell practice at the intermission. T. u. will also be there in full strength.

Turkey Dance is the biggest dance of the year on the T. u. campus said Miss Dorothy Ann Olsen, Director of the Texas Union. She urged that as many of the corps attend as possibly can. Dates will be plentiful and a welcome from the Longhorn girls is assured, said Miss Olsen.

An added attraction will be the appearance of the Aggie Singing Cadets at 10:30 p.m. They will sing two or three numbers on their first out of town appearance.
