

Intramural Swim Meet To Be Held In Downs Pool Saturday

INTRAMURALS

By R. L. Bynes

Preliminaries Scheduled For 2:30 p.m.; Finals To Be Run Off Sunday Afternoon

By R. L. Bynes

The 1945 Intramural Swimming Meet, one which is slated to be of great success this year and which is destined to supply plenty of thrills and lots of excitement for all those attending, will be held this week end. That is, on May 5th the preliminaries for the meet will be held starting at 2 p.m. on Saturday with the finals starting at 2 p.m. on Sunday.

The following is a list of the order in which the events will be held during the course of the intramural swimming meet, although the diving may possibly be inserted between the 100-ft. side stroke and the 200-ft. free style. First will be the 400-ft. free style relay,

then the 100-ft. back stroke, next the 100-ft. side stroke, then the 200-ft. free style, the military relay, and finally the diving.

The 100-ft. side stroke is a comparatively new event in intramural swimming and the few requirements for this event are as follows: the swimmers in this event will be required to keep their top arm above water, and a dry towel must be carried in this hand and kept dry throughout the swimming of this event. In the 400-ft. military relay, each swimmer is to carry approximately a ten-pound weight which must be carried in either one or the other of the hands, and not with any other part of the body. All diving in this in-

This semester's intramural program has blossomed forth with much activity in the past week or so, what with the college champs in both the intramural track and basketball having just been decided, and then a prospective mighty-mite 1945 intramural aqua meet slated to be held this week end.

A superbly performing B Company quintet of Strange, Riptoe, Webber, Tate, and Hughes, thumped a hard plugging but outdone A Company quintet of Edwards, Dietz, Presnal, Latham, and Gossett by a comparatively one-sided

score of 22 to 7 to cop the college intramural basketball championship. Let's give Bob Chenoweth's B Company cage lads a whale of a big hand, ole' army, because they more than deserved to be basketball's champs this semester.

Last Sunday afternoon in perfect track weather, a staunch C Company cinder squad of Foster, Cox, Daniels, Crone, Bynes, Williams, Jay Poyner, C. C. Fox, J. C. Fox, Armstrong, and Dukes, ran up a total of 34 and one-third points to become the 1945 intramural track champs. In this meet the McAllister's C Company lads took four first places, one second place, two third places, and tied for a fifth place to rack up their 34 and one-third point total, and thus finish 10 points ahead of their nearest rival, D Company, who finished with 24 1/2 points. This C Company cinder squad showed their vigor and will to win in more than one instance, and well deserve the title of intramural track champs for 1945.

So ole' army, if you just show your spirit and enthusiasm in the swimming meet this week end as you have done in both the basketball and track meets, there is no reason why this aqua show should not be anything but a success.

The rank of the different outfits in the intramural track meet are as follows:

Place	Outfit	Points
1	C Company	34 1/3
2	D Company	24 1/2
3	B Company	21 1/2
4	G Company	18 1/2

C Company Infantrymen Win Intramural Track Meet; D Companymen Are Second

Fox of C Co. Takes High Point Honors

By R. L. Bynes

Taking first place in a total of four events, a very aggressive but yet smooth-functioning C Company cinder squad won first place laurels over a host of other entries in the hard-fought Intramural Track and Field Meet held within Kyle Field last Sunday afternoon. McAllister's C Company infantrymen stacked up a total of 34 1/2 points to become the college champs in Intramural track, followed by an aggressive but outdone D Company team which held runner-up honors in this event with a total of 24 1/2 points. Not only did the Dorm II infantrymen gain first place in this annual track affair, but the C Company lads also boasted J. G. Cox who copped individual honors in the stubbornly-contested meet with 13 points, as he placed first in the broad jump, first in the 120-yard hurdles, and was also a member of C Company's mile relay squad which placed second.

A brief description of how the C Company lads piled up their total of 34 1/2 points is as follows: In the 440-yard relay a quartet of Daniels, Crone, C. G. Fox, and Foster overcame a very desperate G Battery bid for first place with the winning time of 45.7 seconds. Next came the 100-yard dash which C Company's C. G. Fox had no trouble in taking, with the first place time of 10.7 seconds. Then J. G. Cox breezed to a very easy win in the 120-yard hurdles by a wide margin, winning time, 15.4 seconds. Again Cox returned to the spotlight when he took first in the broad jump with a single try of 18.0 feet. C Company then took third place in both the 880-yard run and also the mile run as R. L. Bynes pounded out a third place in the 880, while Williams of C Company shuttled into third place in the mile run. Armstrong of C Company tied for fifth place in the chinning and then McAllister's infantrymen ended their scoring parade when a quartet of Foster, J. G. Cox, Jay Poyner, and Dukes placed second in the mile relay.

The second place D Company cinder team racked up their 24 1/2 point total in part when Williams took first in the 880-yard run with a beautiful bit of footwork, winning time, 2 minutes, 11.2 seconds. D Company also blazed to a well-earned first place win in the mile relay when a quartet of Neely, Crowder, Stockton, and Garretson finished out in front with the win-

ning time of 3 minutes, 48.1 seconds.

Other first places in the meet are as follows: Bailey, of B Company, won a comparatively slow but hard-run mile and seven-tenths as his sure-footedness whisked him across the finish line in a well-earned first place slot with the winning time of 9.1 minutes. C Battery's J. Lewis did a bit of fast stepping to out-smart the hard-driving Stewart of D Company as the swift Lewis emerged first in the close contested 300-yard run with the winning time of 34.2 seconds. E Company's Wilshusen made a beautiful finish for first place in the mile run as he took the event in a blaze of glory when he passed the hard running Garretson of D Company within 100 yards of the finish line, time, 5 minutes, 12.2 seconds. W. C. Johnson of G Company, heaved the shot put 40.5 feet to take first place in that event. In the chinning, C. Hennig of Dorm 6 outdid a host of barmen to take first place when he lifted himself 25 times to take this event by a wide margin.

As a mere off-the-record bit of chat, C Company's Foster really did the unexpected in the mile relay, when, running in sixth place and with but a mere 70 yards to go, he put forth a final, beautiful bit of effort and spliced the finish line in second place.

VolleyBall

The entire C Company volleyball sextet of McAllister, Daniel, Ostermeyer, Shaffer, Franklin, and Foster, unleashed a well-aimed offensive late in the first game of the action packed C Company-A Battery volleyball tangle Wednesday afternoon, after A Battery with Smokler, Higgins, Layne, and Linder had unleashed a 10 to 4 lead in the face of the infantrymen. It was McAllister's Ostermeyer's, and Daniel's powerful net play which made the big difference in the first contest, for the C Company lads grabbed the first game with a 15 to 10 win.

The match was forced into a three game series, however, when the A Battery peashooters led by Smokler's fine serving plus the robust net play of Layne and Linder drowned out C Company's late offensive, with a 15 to 6 pounding.

The C Company lads again repeated their first game performance, however, when largely through the stalwart and errorless net performance of McAllister and Ostermeyer, the versatile infantrymen dumped the third stanza into their laps with a 15 to 8 victory, to win the combined match 2 to 1.

The Dorm 6 lads put up a whale of a battle in romping to a 15 to 9 win in the second game of Tuesday afternoon's League A volleyball clash, as the nimble Avery, Ivy, and Abraham, all pooled their wits at the net to set up the victory for the Dorm 6 lads. A fighting G Company sextet of McCormick, Rose, Backer, Lucy, Johnson, and Bowen, had already sewed up the first game with a 15 to 10 score, however, which knotted up the score in games 1 to 1.

The spirit of the Dorm 6 volleyball sextet was undaunted as the third tieup began to get underway,

Tennis

The comical Ellis and Shefts—two colorful H Company grid lads bounced the fighting B Company net lads out of a complete 3 to 0 victory when they wrested out an 8 to 7 win over a hard-plugging pair—Hornest and Smith of B Company in Monday afternoon's League A, 4:15 tennis tangle.

The B Company boys had nothing to fear because although they did drop the third tennis match 8 to 7, B Company's hard-driving Russell, Roach, Rippeot, and Denton, sliced out two

No place like home... Have a Coke

... a swing session at our house

A good way to put Welcome on the mat at your house is to have ice-cold Coca-Cola in the refrigerator. Have a Coke just naturally means Be one of our gang or You're like one of the family. Whenever young folks meet for a song fest, chin fest or swing session, ice-cold Coca-Cola is their symbol of companionship.
