NUMBER 6

Senior Class Sets Conduct Rules at Ball Games, Yell Practice, Aggie Lines

The Senior Class met last Tuesday night for the purpose of discussing and acting on the matters set forth below.

Conduct at Football Games
Hats will be worn at all times during the football games except for "Lizzie", "Old Army", Spirit of Aggieldand", and the visiting school's alma mater.

The Corps will remain seated at the half except when the band comes on or goes off of the field. "The Aggie War Hymn" is not to be sung at the half when the band plays it as a march.

The Corps will stay in the stands when the game is over until the yell leaders give the sign to "come on".

There will be no more loud profanity on the campus concerning the coming football games.

There will be no more "Aggie Confetti" thrown at yell practices. Sophomores will stay in their section, and not in front of the freshmen at yell practices.

Conduct at Aggie Lines
The practice of sending one's bag to a line by a friend will stop. This includes lines at the East gate, Bryan, and the train station.

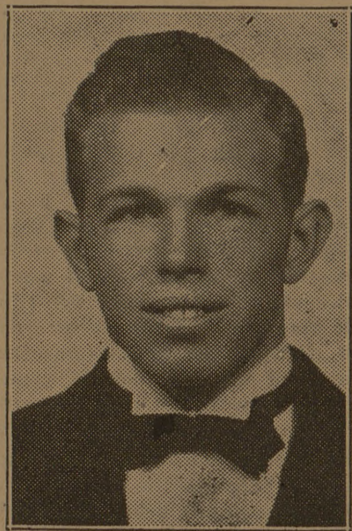

It was decided unanimously that all articles that are on trains when Aggies get on will also be there when Aggies get off. All articles taken at the TCU trip will be returned to Eli Barker's room in Dorm 2.

If this is not done, there is serious talk on the part of the railroad people about moving the stop for the Sunbeams. This is one thing the Aggies do not want to happen.

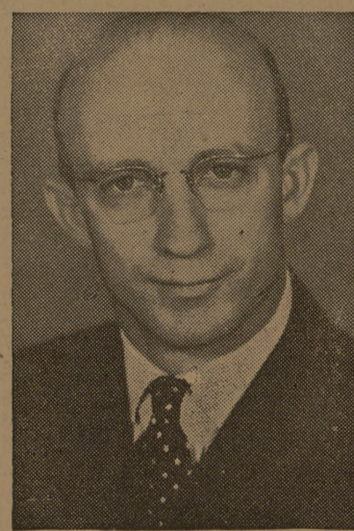

Will Speak At Baptist Students Convention

W. F. Howard
State BSU Secretary

Lt. Billie Patterson
U. S. Navy

Rev. W. O. Vaught
of Little Rock, Arkansas

1,300 Visitors Will Attend Baptist Student Convention Here November 2-4

Approximately 1,300 out-of-town registrations have been received at the Baptist Students' Union in Dallas for the 26th annual state convention which is slated to open on the Texas A. & M. campus on November 2.

Three recent graduates of Texas colleges will address the convention at the Saturday evening session in Guion Hall. For one of these young men, Joe Boyd of Dallas, it will be a homecoming event. Boyd gained All-America fame in 1940 while playing tackle on the Texas Aggie football team. Speaking at the same hour will be Lt. Billy Patterson, USN, who was an opponent of Boyd while playing all-conference football for Baylor University from 1937 to 1940. The third speaker for the evening is Lt. Orba

Lee Malone, AAF, B-29 pilot and Baylor graduate.

The pre-convention registration figure of 1,300 does not include A. & M. students and other local persons. It is estimated that at least 300 Aggies will register and that attendance for the principal sessions will near the 2,000 mark.

Baylor University, with 204 registrants, will bring the largest delegation from out of town. Hardin-Simmons of Abilene will furnish 175 students, while Mary Hardin with 108, Texas university with 80, Howard Payne with 74, and Texas Tech with 70 will be represented. A total of more than 40 colleges and universities throughout Texas will send delegates. They will be housed in Dorms 14, 15, 16, and 17, and meals will be taken at

Duncan Hall.

The convention will be addressed by a number of well-known state religious and educational leaders, including Pres. Gibb Gilchrist of Texas A. & M., Rev. R. L. Brown, of the local First Baptist Church, Dr. Wallace Bassett of Dallas, Dr. C. E. Hereford of Lubbock, Rev. W. O. Vaught of Little Rock, Ark., Miss Jenny Lind Gatlin of Nashville, Tenn., Rev. Woodson Arms of Waco, and Dr. J. W. "Bill" Marshall of Richmond, Va.

The opening session will be held at the First Baptist Church as will the Saturday morning and afternoon sessions. The Saturday evening and Sunday morning meetings will be held at Guion Hall, and the A. & M. cadet corps and general public have been invited to attend.

"Bohemian Girl" to Play at Town Hall

"The Bohemian Girl", with a cast of 64, including a complete pit orchestra, will be presented on A. & M. Town Hall on November 9th, it has been announced. The troupe is from the famous school of Music at North Texas State Teachers College and the production is directed by Dr. W. C. Bain and Miss Mary McCormick, the latter an ex-star of the Chicago Opera.

The story of the production is one that will please audiences both young and old. It has beautiful costuming and songs that will long be remembered.

Texas Foundrymen Will Convene Here

The Texas Chapter of the American Foundrymen's Association will hold its November meeting at Texas A. & M. College, Nov. 9-10 and mechanical engineering students of the college will meet with the group. Speakers will include outstanding figures in the industry among them being Ed Trout, Lufkin; L. H. August, Houston; Jack Klein, Lufkin; H. L. Roberts, Corsicana; Ronald Webster, Chicago; R. E. Bockrath, Midland, Mich.; P. B. Croom, Houston; and members of the A. & M. College staff.

Lloyd Berryman of the A. & M. staff is local chairman.

Brazos A&M Club Sees Grid Pictures

Ernie Pyle was the GI's walking delegate to history, Mrs. Edna B. Woods, reader's adviser for the Texas A&M Library, told the monthly meeting of the Brazos County A&M Club held Friday evening at the Bryan Country Club.

In reviewing Pyle's book, Brave Men, Mrs. Woods said Ernie, as he was affectionately known to the reading public, became so successful as a plain man reporting normal activities and war accomplishments of other plain men that he achieved a lasting fame he never wanted.

Johnny Frankie, assistant football coach, showed motion pictures of the Texas Aggie-Ellington Field football game, which the Aggies won 54 to 0 to open the 1945 season.

The club voted to hold another party near Christmas somewhat similar to the one held last year. President W. R. Carmichael appointed J. D. Martin, Jr., J. E. Roberts and Roy Garrett a committee to arrange the party, which will include wives of the membership.

Committee reports were made by P. L. Downs, Jr., in handling his work as Good Samaritan for the club, and by J. E. Roberts on athletic relationship. The president appointed L. G. Perryman, M. T. Harrington and C. E. Sandstedt a committee to help Mr. Downs care for wounded and injured former students who will attend the Thanksgiving football game.

Around 125 former A. & M. students and their wives attended the meeting.

Ex-Servicemen Plan Better Organization

Amid prospects for a better organization for the current semester, the Ex-servicemen's Club met last Tuesday night, October 16.

After introductory remarks by president Bob Criswell, in which he urged attendance at meetings and cooperation of all, the constitution of the club was read by the secretary.

Mr. Kennedy, Ex-servicemen Administrator on the campus, gave advice to the new members of the club and reiterated the Veteran's Administration's willingness to aid all veterans. He also related that the average grade for ex-servicemen was higher than for the school as a whole. J. T. L. McNew gave a brief talk on what was trying to be done for veterans by the College.

Bennie A. Zinn, an ex-serviceman himself, who is in charge of veterans' scholastic work, pledged his aid as adviser to all members present.

After these talks the club entered into social discussions. It was decided that a dance, sponsored by the club for all new members be given in the near future. Details will be forthcoming after decisions by the entertainment committee.

Engineers Elect Street President

W. E. Street, head of the department of engineering drawing of Texas A. & M. College, was elected temporary president of the local chapter of the Texas Society of Professional Engineers at an organization meeting of engineers of area 14 held in the Chemistry lecture room Thursday evening, J. S. Griffith, Brazos county engineer, was elected vice-president and O. L. Crain, resident engineer for the Texas Highway department was elected secretary-treasurer.

Area 14 is composed of the following counties: Brazos, Burleson, Grimes, Leon, Madison, Milam, Robertson, Walker and Washington. Approximately thirty engineers attended the meeting and joined the local chapter.

Feed Manufacturers Hold Meeting Here

A good cross section of feeding experiments with livestock and poultry was given here Friday and Saturday by Texas A&M College personnel to the fall meeting of the Texas Feed Manufacturers Association.

Dr. Paul B. Pearson, Agricultural Experiment Station nutritionist, handled the showing of a motion picture, "Vitamins and Some Deficiencies," at the banquet held Friday evening at Aggieldand Inn.

D. H. Reid, professor of Poultry Husbandry, was on Saturday's program in discussion of "The Work Before Us."

Other speakers, all from the Agricultural Experiment Station, and their subjects, were: "Feed Control," F. D. Brock, chief, Feed Control Service; "Finishing Poultry with Natural Feed and Stimulants," R. M. Sherwood, chief, Division of Poultry Husbandry; "Vitamin A Requirements for Dairy Cattle," O. C. Copeland, chief, Division of Dairy Husbandry; "Recent Studies on the Evaluation of Proteins," Dr. Carl M. Lyman, swine nutritionist, and "Choline in Chick Rations," Dr. V. H. Melass,

BAR-B-Q and DANCE

A barbecue and dance, sponsored by the A. & M. Ex-Servicemen's Club, will be held this Friday night at 7:15 at the American Legion Hall on the Madisonville Highway, just outside of Bryan. All ex-service men, their wives and dates are urged to attend.

Mothers and Dads Will Give Barbecue

The barbecue supper sponsored by the Mothers and Dads Club of A. & M. Consolidated school will open at 6:30 o'clock Thursday night at the school gymnasium, it has been announced by H. L. Hunt, president of the group.

Plans have been made to feed an entertain several hundred persons, since the suppers given by the club are one of the most popular forms of entertainment offered in the community. The supper this year has the added attraction of being prepared and planned by the Dads of the club.

The supper is open to the public and funds derived from it will be used to improve the school.

Campus Study Club Approves Budget, Hears Mrs. Sorrels

The Campus Study Club, Mrs. P. B. Pearson, president, presiding, met at 3:00 o'clock Tuesday afternoon at the YMCA at which time the budget was presented and approved, and Mrs. D. W. Andres was granted an associate membership.

Mrs. Tom Covey, Jr., hostess, introduced Mrs. H. K. Stephenson, chairman of the Fine Arts Committee, who presented Miss Margaret Medbery. Miss Medbery sang a collection of songs, accompanied by Grace Krug on the piano.

The subject of the program was "World Organization for Peace", in which Mrs. Joe Sorrels traveled our efforts for a lasting peace from the Atlantic Charter to the San Francisco Conference.

Community Chest Has \$9,130 Budget

The college community chest campaign is scheduled to get underway Monday with a budget of \$9,130 as this year's goal, Dr. R. W. Steen, chairman of the community chest committee has announced. The budget was set at a meeting of the committee last Friday.

This year's goal is a reduction of more than \$5,000 over the budget for last year, with major reductions on the Red Cross war fund and the National war fund. Increases were approved for the Brazos county Boy and Girl Scout budgets.

Dr. Steen said that the committee hoped the campaign budget could be raised by the end of next week. He explained that the community chest committee had carefully considered each item in the budget. "We have studied the budget requests of various organizations and some members of the committee have spent time gathering additional information where it has been necessary to substantiate an item. The final budget, we feel, is as fair as we could make it from the contributors standpoint," Dr. Steen stated.

This is the only community chest campaign conducted on the campus during the year. No other public solicitations are permitted at the college, he pointed out.

Contributors on last year's community chest included members of the college system, its staff and its divisions, Y.M.C.A., exchange store, A.A.A., Consolidated school, College Station merchants and many citizens of the community.

Hereford Society To Hold Auction Here In February

Members of the Mid-South Texas Hereford Association meeting Oct. 26 at the Texas A&M College voted to hold their annual auction sale at College Station Feb. 20, and the executive committee was instructed to plan for a show the forenoon of sales' day.

Dr. J. L. Jinkins of Normangee was elected president for the coming year, replacing his brother, Dr. W. J. Jinkins. Other officers elected included F. W. Worley, Rockdale, vice president; B. J. Baskin, Bryan, secretary, and Ward Mooring, Bryan, treasurer.

Among the resolutions adopted was an appeal to the two Texas senators and Texas Congressmen representing the nine counties embraced by the organization to use their influence to bring a halt to beef rationing, to prevail upon the U. S. Secretary of Agriculture to institute a program giving assurance to cattle breeders and feeders as to what market they could expect for a period of six months, and endorsement was given the proposal of the American National Livestock Association to lift beef subsidies.

F. W. Worley, Fred Wimberly and B. J. Baskin were named a sifting committee to pass upon bulls and heifers consigned to the annual auction sale.

The executive committee also was instructed to arrange a tour of the ranches of the membership next spring or early summer.

Sophomore Class Prexy is Laughlin

A meeting of the Sophomore Class for the purpose of electing officers for the coming scholastic year was held last Friday evening immediately after mess. The meeting was held in the Assembly Hall.

The meeting was called to order by Cadet Colonel Eli Barker, who presided until the class president was named. Martin Vick, head yell leader, and Bob King, Senior president, also attended the meeting and supervised the election for the class.

The officers elected were: Jack Laughlin, C Company, president; O. L. Slaughter, D Troop, vice-president; Hershel Wood, D Company, secretary; and Frank Marcouledes, D Battery, treasurer.

Activity of the Sophomore Class will include, among other things, the famous Sweetheart Revue which was inaugurated last spring and which proved to be one of the highlights of the spring social season.

City Restores Ten Percent Discount On Utility Bills

Announcement of restoration of a ten percent discount on city utility bills was announced yesterday by representatives of the City Council of College Station. The discount, applicable only to bills paid before the fifteenth day of the month following the rendering of electrical service, had been cut to five percent as of July 1 in order to finance the city recreation program.

Restoration of the ten percent deduction was made possible by a lowering of rates by Texas A. & M. College, producer of the power, and takes effect as of October 1. The lowered rates come within a few dollars of equalling the exact amount which will be passed on as a saving to utility consumers by means of the discount, according to Mayor Ernest Langford.

The mayor denied vigorously the rumor that restoration of the full discount would have any effect upon city financial support of the community play program, stating that "The City Council has no intention of discontinuing its support of whatever recreation program the community may want" and that "There is no relation whatsoever between restoration of the utility discount and the recreation program."

City records indicate that \$746.95 has been allocated to the recreation program during the three-months duration of the reduced discount and that approximately \$350.00 of that amount is still unexpended. The city was committed to support of the recreation program as the result of an informal ballot taken last July at a popular meeting.

Vance to Preside At Science Academy Meeting In Waco

The Geography and Geology section of the Texas Academy of Science will meet at Baylor University at 2:30 p.m. Friday, November 9, and the subject matter of speakers will be resources of Texas.

Harold Vance, vice president, head of the Petroleum Engineering department of Texas A. & M. College, College Station, will preside.

Speakers will include Dr. Luther G. Jones, head of the A. & M. Agronomy department; Trigg Twichell, hydraulic engineer, Austin; W. L. Broadhurst, U. S. Geological Survey, Austin; Olin Culbertson, Railroad Commissioner, Austin; Z. W. Bartlett, Port Sulphur, La.; and A. A. L. Matthews, A. & M. College Geology department.

PROCLAMATION

WHEREAS, the College Community Chest is the agency through which our citizens contribute to numerous worthy organizations, and

WHEREAS, the College Community Chest makes it possible for the people of this community to meet all their charitable obligations through one campaign for funds, and

WHEREAS, the week of November 5-10 has been set as the date for Community Chest subscriptions,

NOW, THEREFORE, I, Ernest Langford, Mayor of the City of College Station, do hereby proclaim November 5-10 as Community Chest week, and do urge all of our people to contribute generously and promptly to the Community Chest.

ERNEST LANGFORD, Mayor.
