of the season, defeating B Battery by a score of 19-0. With Rippeotte planning the plays from the Quarterback's position and Strange, Lee, and Chooltz doing some fancy ball handling, the B Company team had an easy time of it with the B Battery players. Lee made two tallies on a double pass play around the end that was a sight to see. If they continue to play like they did last Tuesday, B Company is really headed for the top of the football column. Keeping up the Infantry winning streak, D Company plowed through through the Artillery Band to pile up six points and win the ball game. The game was a toss up all of the way, between two very well matched teams. Battery C was defeated by Company C, 12-0. The C Company players had the rule of the gridiron from start to finish, but they really had to fight to keep it. Earthman executed a beautiful Swan dive

across the stripe to cop the second touchdown of the game. Coach Adamson better watch him — there's a future diving champ.
