## B Company Wins League B. Intramural Football With Five Straight Victories

**FOOTBALL**  
**League A**  
 E Company defeated D Troop, 7-6 in the first League A game of the week, and A Battery won over B Company on penetrations after the two teams played to a scoreless League B.

**League B**  
 Inf. Band ..... 0 3 .000

A sudden epidemic of ties seems to have hit the League B teams. The Artillery Band won a game off D Battery on penetrations, with the score standing at 6-6, and D Company got by B Troop on the same account after the two teams had piled up 19 points each. B Company copped the championship in the Loop B race by winning a 6-0 victory over B Troop. The B Company team played five games with no defeats, and that is really quite a record for any company to boast about.

**League C**  
 F Company climbed to the top of the winner's column in the League C race, defeating C Troop 7-0 in the only Loop C game of the week.

**BASKETBALL**  
**League A**  
 D Battery handed H Company a neat pasting, to the tune of 18-13. McAlester and Cannon did some fancy shooting for the D Battery team. Still on the victory

string, D Battery chalked up its second victory of the week by defeating G Company 19-12. Metcalf was the high scorer for D Battery.

A Battery scraped by a hustling G Company team, 17-16, in one of the most exciting games of the season.

**League B**  
 A Company smashed the Infantry Band under the weight of a 31-9 tally. Luker chalked up a large portion of the A Company tallies. C Battery was defeated by E Company, 17-10, and A Company, with Bell and Fergus doing the shooting, won a 28-8 victory over A Troop.

**League C**  
 C Troop plowed over F Company, 20-12 in the only League C game of the week.

## Aggie Basketball Prospects Are Better

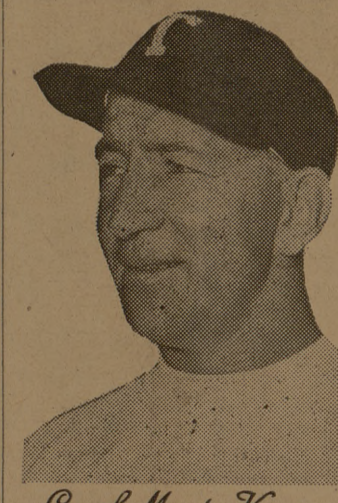

# Return of Karow and Lettermen Point to Improved Cage Team

Basketball hopes at Texas A&M are decidedly better than they were in the past two years when the Aggies had two of the poorest seasons in their long record.

Not only has Coach Marty Karow returned from more than three years of U. S. Navy duty but there also are three lettermen back from the wars, as well as four lettermen from the 1944-45 squad. In addition Coach Karow will have an assistant coach this year in the person of Johnnie Frankie, who took his Milby high school of Houston to the state semi-finals last season.

Top performer back from the army is lanky, six, seven, Jamie Dawson, Crockett, who won his two letters in 1942 and 1943 and received mention for All-Conference honors. Also released from the Army Air Corps is Bill Underwood, Houston hero, and letterman in 1942. Along with that duo is Homer Adams, Dallas, who lettered in 1943. From last year the Cadets will have Hub Ellis, Kilgore; Dick Goad, Muskogee, Okla.; Oscar White, Rising Star; and Bill McCormick, Dallas.

Outstanding first year men will include: Jim Kirkland, Dallas; Don Mace, Beaumont; George Townsend, Coshatta, La.; "Peck" Vass, Houston; and Hugo Webber, Dallas. All are very capable ball handlers and are giving those seven lettermen a tussel for starting assignments. Ellis and White still are busy with football but all others

Coach Marty Karow

of the 20-man squad are working out every night after supper under Karow and Frankie.

The Aggies will open their season on December 8 against Camp Bowie at College Station and their Southwest Conference season against Southern Methodist on January 4 at home.

Technical Sergeant Raymond C. Gorzycki, son of Mr. and Mrs. Harry Gorzycki of College Station, has been highly commended by the commanding officer of the 58th Quartermaster Base Depot for superior work with that organization overseas.

The citation, issued by Colonel Mortlock S. Pettit, read in part "You have done a fine job with this depot and I am sincerely grateful for the cooperation, interest and efficiency which you have reflected in all your work. At times some of your tasks seemed impossible but you have in every instance come through with an excellent piece of work."

The letter commended Sergeant Gorzycki for his work in keeping the war room of the organization at Liege and stated that Generals Lee, Littlejohn and Plank had committed favorably upon the excellent work in this section.

## PENNY'S SERENADE

By W. L. Penberthy

In the early part of the season I officiated in a Southwest Conference game with a referee who officiates in at least two other conferences. After the game the referee speaking of our conference said, "We have the best conference in the country." He then elaborated that we had fine men as coaches, better coached teams and better officials than other conferences. Since that time I have heard similar statements so that I feel that most everyone who is familiar with our setup here in the southwest
