

PENNY'S SERENADE

By W. L. Penberthy

We have been through a very interesting and exciting football season which was climaxed, as far as we were concerned, with one of the most thrilling games ever played on historic Kyle Field. I think the attitude of most of us was very well expressed by the A. & M. fan who said he was disappointed in the outcome of the game, but not dissatisfied with the performance of our team. The men who represented us made us very proud of them by the way they played the game which in my opinion is a very important thing. I am sure that a great many of us through our deep interest in the team let things get a little out of balance and as a result have probably suffered to varying degrees scholastically, and the score is a little against us here at the half.

of several games this fall. We always like to see a strong finish, and it is a lot of satisfaction to have what it takes to make such a finish. Most of us are not so far behind but that if we apply ourselves we can't finish up there among the leaders. We have one opponent to battle—ourselves. It has been said many times that the game is not lost until the last gun has been fired, but I feel that the earlier in the game we start our comeback the better our chances for victory. There is a sign in the gym where the coaches give the final instructions before a game, which I feel is just as appropriate from the scholastic standpoint as from the athletic. This sign says, "It is the way you show up at the show down that counts."

We have derived a great deal of pleasure from seeing our team come back strong during the second half

Methodist Ladies Realize Profit at Annual Bazaar

A profit of \$378.50 was realized from the annual bazaar held by the Women's Society of Christian Service of the A. & M. Methodist Church Monday night. Approximately 200 persons attended the bazaar. A dinner plate was served, and booths featured toys, linens, aprons, foods, and other articles. Unsold articles were auctioned off at the end of the evening, with F. I. Dahlberg acting as auctioneer.

Hillel Club Plans Hanukkah Program

The Friday evening religious services and the Sunday evening cultural program of the Hillel Club combined in a Hanukkah Program commemorating the Feast of the Maccabees on Friday evening December 7th at 7 p.m. at the Habert Room of the Y.M.C.A. Harold Borofsky will conduct religious services, and other members of the club will present the history and significance of the Hanukkah Feast. Traditional Hanukkah refreshments will be served. The services and program are open to the public and students of the various denominational groups and faculty members interested in the story of the Maccabean Feast are cordially invited to share the occasion with the Hillel Club.

Aggie Holsteins Give Out With Record Butterfat

Two registered Holstein-Friesian cows in the dairy herd of Texas A. & M. College, College Station, have recently completed official production records of more than 500 pounds of butterfat, the Holstein-Friesian Association of America announces. The higher producer of the two was Posch Beauty Powell, with a record of 511 pounds of butterfat and 17,648 pounds of milk. This is nearly 3 times the production of the average dairy cow in this nation. The record was made in 334 days on 3 milkings daily, at the age of 5 years 11 months. The other high producer was Posch Daylight Blanche, with 505 pounds of butterfat and 14,380

Announcements

STUDENTS INTERESTED IN TUTORING
There is a demand for private tutoring by individuals who are having difficulty with some of their class work.
The Registrar's Office has been directed by the Executive Committee to make available to the Corps the names of students who are qualified and eligible to do special tutoring. Those students who feel they are qualified for such work should call by the Registrar's Office at once and place their name on file for this purpose.
H. L. HEATON, Registrar.
The Christmas Holidays will extend from noon on Saturday, December 22, to 9:00 p.m. on Wednesday, January 2, 1946.
F. C. BOLTON, Dean.

FIELD TRIP
(Continued From Page 1)

Participants will be the following students:
W. J. Poyner, Mason, Texas; Norman Maxwell, Lancaster, Penn.; Bill French, Kansas City, Mo.; J. B. Frazier, Big Spring; Milton Payne, Bryan; R. H. Cinton, Mayaguez, Porto Rico; and J. H. Woo, Chungking, China.
P. E. O.
Non-resident members of P.E.O. who wish to meet with a local group, please call 4-6151 or 4-8684 before December 10.

Sigma Xi Elects Varvel President

The Sigma XI Club of A. & M. College of Texas held its annual meeting in the Geology and Petroleum Building with 50 members and guests present. Professors W. A. Varvel became president; C. C. Doak was elected president-elect, and A. A. L. Mathews was re-elected secretary-treasurer. A summary of the year's work was given by the secretary.

Man, Your Manners

By I. Sherwood
Do your Christmas shopping now if you would have wide variety of gifts to choose from.
True success in gift giving depends on a number of things but the most important is to give what you think the recipient would like best to have. Try to find out if the gift you are considering has real value for the person for whom it is intended. You can have a lot of fun selecting your gifts or they can be a dreadful bore if you let them. Safespeople in the jewelry stores will tell you the types of costume jewelry suitable to choose for your girl, if you are not engaged to her, but if you are, you may buy as expensive a piece of jewelry as you care to give; the stores are showing perfectly beautiful costume jewelry this year.

Miss Camp Succeeds Mrs Hickman As Demonstration Agent

Resignation of Mrs. Hazel Phipps Hickman from the A. & M. College Extension Service and appointment of Miss Jennie Camp as acting assistant state home demonstration agent, was announced today. Mrs. Hickman, who was married earlier this week, will continue as assistant state home demonstration agent until Dec. 31, and Miss Camp's appointment will become effective January 1, according to Miss Maurine Hearn, vice director for women and state home demonstration agent.
Mrs. Hickman and her husband, H. H. Hickman, formerly of College Station, will make their home on a ranch near Rising Star.
Miss Camp has been on extension worker for nearly a quarter of a century. She served as Harris County home demonstration agent from 1921 to 1923, when she came to the Extension headquarters staff as a district agent. She was appointed specialist in home production planning on Sept. 1, '37. In addition to receiving her B. A. degree from the University of Texas, Miss Camp has done advanced study at the University of Chicago, the University of Colorado, and Texas A. and M. College.
Mrs. Hickman received her bachelor's degree at Texas Tech, Lubock, and did graduate work at Iowa State College in 1941. Her Extension experience includes: Four years as Hockley County home demonstration agent; three years as Extension specialist in food preparation; and about 18 months as assistant state home demonstration agent.
Texas leads the Southwest in acres devoted to actual crop land.
