

Krueger Bros. Fund Designed to Help A Working Aggie Through Senior Year

A fellow who works his way through school and makes an outstanding record both scholastically and in extra-curricular activities deserves a break!

This is the motive behind the generosity of two San Antonio brothers who have provided a fund which will give \$500 in cash to a senior student at the Agricultural and Mechanical College of Texas. The brothers are C. C. and W. H. Krueger, who have just made the A. & M. College Development Fund administrator of the Krueger Award at the alma mater of the executives of the San Antonio Machine Supply Company, C. C. "Polly" Krueger is president, and his brother, W. H. Krueger, is vice-president of the Alamo City firm known as SAMSCO.

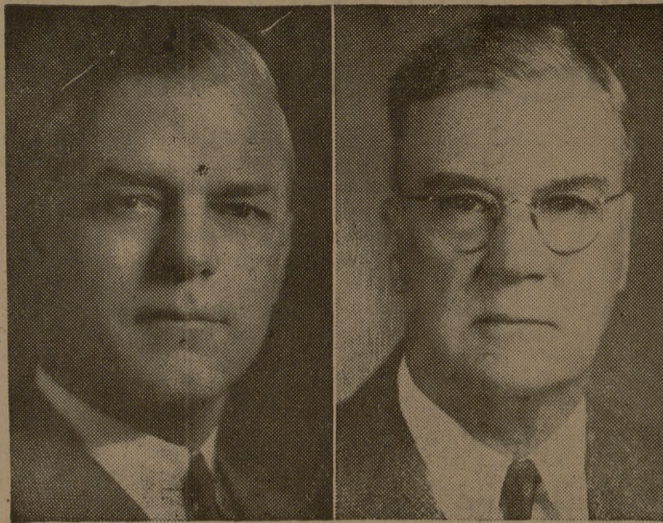

Designed to encourage and assist young men of proven ability, the Krueger Award is an annual

grant of \$500 to a member of the senior class at Texas A. & M. To be eligible for this award, the student must have earned a good share of his expenses during the first three years in the College. Awards will be made from this group on the basis of scholastic attainment and evidence of leadership or unusual ability in other fields.

Such an award, relieving the student who has been earning his own way of the necessity for earning his expenses during his senior year, will allow him to devote his full time to finishing his education properly. In addition, the award will enable its recipient to enter his professional career without the handicap of debt, greatly enhancing his possibilities of advancement.

The Krueger brothers both attended Texas A. & M., and have

Designed to "help the fellow who helps himself" is the new Krueger Award Fund, established at the A. & M. College of Texas. Set up by C. C. and W. H. Krueger of San Antonio, through the A. & M. College Development Fund, an award of \$500.00 each year to a member of the senior class at A. & M. is provided. The winner must come from the group of students who have earned a generous portion of their own expenses during their first three years in college. Selection is on the basis of scholastic record and outstanding achievement in other activities during the first three years. The Krueger brothers, both of whom attended Texas A. & M., are president and vice-president respectively of the San Antonio Machine & Supply Company.

VOCATIONAL REHABILITATION

Mr. J. K. Kerr of the Vocational Rehabilitation Department at Austin, Texas, will be in room 205, Agriculture building, January 31 and February 1 from 9:00 a.m. to 5:00 p.m., for the purpose of approving the tuition of all students on vocational rehabilitation. Such students should report to him one of those days.

Any student who thinks he is eligible for this service should also report at that time.

Caro-Costas Given Prize for Service By Spanish Club

The Spanish Club held its last meeting of the semester Monday night, January 21, 1946, in Room 123, Academic Building.

Rupert Hall won the prize in the Double-or-Nothing contest, which was based on Latin-American topics. Ruben R. Caro-Costas, senior from Puerto Rico, received a prize of fifteen dollars for outstanding work in the club for the first semester.

January copies of "El Clarin", which is published by members of the Spanish Club, were distributed. The meeting adjourned with the singing of "O Noble Pan-America".

Extension Workers Attend St. Louis Farm Labor Meet

C. Hohn, state farm labor supervisor of the Texas A. and M. College Extension Service, will leave Sunday to attend a three-day labor conference at St. Louis.

Mr. Hohn will be accompanied by R. B. Hickerson, assistant state supervisor; Joseph N. Cowen, area representative of the USDA Office of Labor; and Sybil Banister, assistant editor-radio of the Texas Extension Service, who is known as "Claire" to the radio audience of WTAW and the Texas Quality Network.

A bunch of us fellows are going to get our wives together some night and have a big evening—just as soon as we can decide where to leave them.

NOTICE

The College Women's Social Club will meet at 2:30 p. m. on Friday, January 25th at Sbsa Hall. Please note change in time of meeting.

Perry-Thomas Engagement Is Announced

Dr. and Mrs. F. L. Thomas announced this week the engagement and approaching marriage of their daughter, Helen Warren Thomas, to John Vivian Perry, Jr., lieutenant, U. S. Army.

Lt. Perry is the son of Mr. and Mrs. John Vivian Perry of Danville, Virginia. The wedding will take place Tuesday, February 5, at 8:00 p.m. at St. Thomas Episcopal Chapel in College Station.

been active supporters of the College since graduation. C. C. Krueger received his Bachelor of Science degree in Civil Engineering in 1912. While at A. & M. he was captain of the Ross Volunteers, honorary military organization, president of the Final Ball, and a Captain and adjutant of the cadet corps. His brother, W. H., was a Mechanical Engineering student and played on the football team in 1904-05.

We got a tip on the races once that meant real money to us. A fellow informed us that his wife was at the track, and we arrived just in time to keep her from making any bets.

WHY SPEND YOUR MONEY?

THE LOUPOT PLAN is this: Bring us the books that you have been using during the current semester, and we will trade you the books you will need in February. It's as simple as that—but it's considerably better than selling for cash, then buying for cash—and finding yourself short in the process.

FOR EXAMPLE: Suppose you are finishing up A. H. 107, and are scheduling A. H. 203 for the February term. Bring us your 107 textbook—we supply you with the 203 text, and the difference if any is paid in cash. (Note: The cash adjustment to be made seldom exceeds 50c or 75c.)

AND WHAT'S MORE: Old Lou will let YOU do the trading. Bring in your old book, and look around until you find the new text that you want. Then make us an offer; we seldom turn one down.

THE IDEA IS: Lou needs your books and your drawing supplies—you need to save all the money you can—with the result that we both profit on each transaction.

THIS IS THE REASON why Lou is the largest dealer in used books in College Station. FAIR TRADES and FAIR PRICES have made the Trading Post an institution at Texas A. & M. College.

Man, Your Manners

By I. Sherwood

"What are the three phrases used for apologies?"

ANS.: (a) "I'm sorry". (b) "I beg your pardon". (c) "Excuse me".

"Is it necessary to make an apology to the hostess for being late?"

ANS.: Yes. A tardy guest should go directly to the hostess, greet her, and make a brief apology.

"Is it necessary for the guest of honor to leave before other guests can go?"

ANS.: It is the rule, but not generally observed. Any guest is free

to leave when he thinks it necessary.

"Is the guest of honor always the person for whom a dinner is given?"

ANS.: No, a dinner might be given at the desire of the host, but the lady who sits at the host's right at dinner is really the guest of honor. The guest who has been the inspiration of the dinner, need not be seated at the host's right, unless she is to be the guest of honor.

"Who should give the first sign of recognition when a man and woman meet?"

ANS.: By convention the woman speaks first, but men and women who have been friends of long standing pay very little attention to the rule.
