

# Aggies Rally to Beat Sam Houston 44-34

## Prospects Are Good as Norton Begins Spring Grid Workouts

Head Coach Homer Norton has issued his annual call for 1946 Texas Aggie football prospects to report to him at Kyle Field on Monday afternoon, February 11, when the thirty-day winter practice season will begin.

Norton and his staff have mapped plans for the training period which they hope will give them a line on the Aggie football team for the coming season. In addition to his staff of Bill James, Marty Karow, Botchy Koch, Frank Anderson, Johnnie Frankie, Manning Smith and Lil Dimmitt, Norton also expects former freshman coach Charlie DeWare to arrive in time for the work. Lt. DeWare has arrived back in the United States from Japan and hopes to be on terminal leave soon after more than four years of service.

### Many Stars Return

Almost daily, former members of past Aggie teams show up un-

announced. Harold Boyd, Dallas, who played end in football and forward in basketball in 1939-40, is re-entering school and says he will try out for the team. He is a brother of Joe Boyd, the Aggie All-America tackle of 1939. Another top hand and very welcome prospect is Jerry Templeton, Hillsboro back, who sparked the 1939 freshmen with his outstanding passing. Addition of Templeton will give Norton four better than average hurlers for his backfield. Last year he had only Tom Daniel and he was crippled for the vital Texas game.

Others definitely due back include Willie Zapalac, Bellville; Babe Hallmark, Kilgore; Earl Beesley, Dallas; Dickie Haas, Corpus Christi; Dennis Andricks, Houston; Ed Dusek, Temple; Barney Welch, Stephenville-all backs; Bob Tullis, Fort Worth; Don Luehly, Monahans-tackles; Dick Wright, Nacogdoches-center; and Charles Wright, Beaumont-end.

## Yeoman and Dawson Provide Fourth Quarter Punch to Break Deadlock

The Texas Aggies put on a big last-quarter rally Saturday night to win a 44-34 decision over the Sam Houston State Teachers at Huntsville.

For three quarters the two teams played very close basketball, with the first quarter ending 8-8, the half showing 21-18 in favor of the Aggies, and the score tied up again 27-27 at the end of the third period. "Yo-Yo" Yeoman staged a one-man scoring spree in the last ten minutes, and the Aggies led by ten points at the final gun.

Jamie "Pup" Dawson shared scoring honors for the evening with Lawrence Elkins of Sam Houston, both racking up 13 points. Elkins kept the Teachers in the game all the way with field goals from deep down the court. Dawson used his height to advantage and throttled Benford Gardner, the Sam Houston star.

## THE PROFIT SHARING PLAN

- What It Is:** The plan is an arrangement in which the net profits of THE EXCHANGE STORE are returned in cash to the Aggie student body.
- How It Works:** The student is given a cash register receipt for each purchase at THE EXCHANGE STORE. He simply writes his name on the slip and drops it into a box on our Cashier's counter. At the end of the school year, cash payments are made on demand, based on the ratio of signed receipts to the amount of the Store's net surplus.
- Who Runs It:** The Profit Sharing Plan is supervised by a Faculty-Student Advisory Board.
- Who Is Eligible:** Every bona fide regular student of the College can participate, without the payment of any dues or fees.
- Why It Is:** The Plan is set up as the result of a whole-hearted desire on the part of the College Administration to provide a more efficient and economical system of vending essential school supplies to the Aggie student body.
