## Frederick Romberg Will Lecture on Gravity Meters

Dr. Frederick Romberg of Austin, Texas, will give an illustrated lecture on gravity meters in the Petroleum - Geology Building on Thursday, March 7, at 7:30 p. m. The gravity meter has been widely used in exploration for petroleum. Dr. Romberg is associated with the LaCoste-Romberg Gravity Meter Company of which his father is co-founder. Dr. Romberg has been interested in the application of the gravity meter to problems in economic and scientific geology in addition to oil exploration. A gravity meter survey of a magnetite ore body in Llano County proved successful in outlining the body and in predicting the tonnage.

# Man, Your Manners

By I. Sherwood

"The closest person to you is yourself—give others a chance to come close."

Cleanliness, neatness, and attention to details are today as important as they were a hundred years ago; they are indispensable to good grooming. Don't forget your posture, it is one of the chief elements of personal appearance. A recent

etiquette book has listed the following as your crystal friends:

### Your best friends are:

- Your bathtub
- Your toothbrush
- Mouth wash
- Deodorant

### Your surface friends are:

- Your mirror
- Hairbrush
- Shoe brush and cloth
- Barber shop

### Your outside friends are:

- Laundry
- Cleaner
- Shine parlor

to achieve political, social and economic reform by the short cut of revolution or to progress by slower, more conservative methods. Graft is also prevalent in the highest political circles in China, he said, charging that high Chinese officials sold rice to the Japanese even when their own people were starving.  
Dr. Eddy concluded by appealing

for universal brotherhood of all races and colors in the United States, warning that three-fourths of the students and professors in negro colleges looked to the principles of Communism as the salvation of their race.

The Texas 36th Division is the Army's only division that was composed entirely of men from one state.
