Ford Munnerlyn's Agency Goes on Record..

and joins the far-sighted life underwriters of the United States in recommending to VETERANS that they maintain in force their NATIONAL SERVICE LIFE INSURANCE.

Many of the veterans and their friends and families will find in years to come, that as legislation increases the value of their NSLI they made a big mistake in dropping it.

A Veterans Administration spokesman has remarked that the Administration will soon recommend that the system be amended to provide:

1. Partial Lump Sum Settlements.
2. Removal of Restrictions on Beneficiary Eligibility.
3. Endowment Policies.
4. Disability Income.

The servicing of NSLI is the responsibility of conscientious life underwriters. We invite you, VETERANS, to call us or come by the office to discuss any problem you may have in connection with your NSLI.
