

# Three Aggie Teams See Weekend Action

## :: On Kyle Field ::

By Marion "Dookie" Pugh  
Battalion Sports Editor

Speaking of track, don't be surprised if you see Willie Zapalac win the discuss throw in the meet Saturday, and then go on to win the conference title in that event. We predict he will do that very thing.

The amazing thing about Willie being in this event is that until last week he hadn't thrown or even seen a discuss for about seven

years. It just so happened that he dropped down to Kyle Field to give his football weary legs a little workout. While jogging around the field he happened to spy the discuss lying idle on the ground. Zapalac picked it up and, standing flatfooted, tossed the rascal about 115 feet. This isn't far, but in the Southwestern Exposition meet in Fort Worth last week 128 feet won the meet. If Willie (See KYLE FIELD, Page 4)

## Aggies Seek to Hold SWC Title In Downs Pool

The only Southwest Conference title held by the Texas Aggies will be at stake Saturday night at 8:00 o'clock when the annual conference swimming meet will be held in the P. L. Downs, Jr., Natatorium on the campus and teams from Texas University and Southern Methodist University compete for the 1946 crown.

Coach Art Adamson says he expects a close meet and also a big crowd on hand to see the blue ribbon event of the swimming season. Admission is free but he advises fans to come out early as the seating capacity is limited. Officials will include Head Coach Homer Norton, Jimmy Stewart, executive secretary of the Southwest Conference, and P. L. Downs, Jr., the man for whom the pool is named and who now is business manager of athletics.

So far this season the Aggies have lost to Texas twice in dual meets but defeated the Mustangs in a like meet here last Saturday. At Dallas they competed against entries from both schools in the A.A.U. meet and that has given the Aggie coach a fairly good line on the prospective outcome.

After much figuring, all Adamson can say is that Texas will win even when he does his most wishful thinking and then looks at past records. "It should be a very close

## Wac Reporters Accompany Luke Flyers in C-47

Traveling in a C-47 transport, the Luke Field baseball team arrived in Aggieland yesterday at about 4 o'clock. Due to their late arrival the Flyers did not work out yesterday, but they did drop by Kyle Field and take a look at the Aggies.

Accompanying the team were two WAC reporters, and naturally the pilot and co-pilot, and a photographer.

The Flyers' lineup for the first game will be: H. E. Collie and Herman Meadows pitching; T. E. Markham, catcher; Joseph Banas, first base; John D. Clifton, second base; J. M. Thompson, shortstop; Patrick A. Slaterly, third base; Bruce Baize, left field; Warren Tappin, center field; and Richard Owens, right field.

For the Aggies: Earl Beesly, pitcher; Bill Hartley, catcher; Bill Brasley, first base; "Tex" Thornton, second base; "Cotton" Lindoff, shortstop; "Snookie" Pressly, third base; "Peck" Vass, left field; "Stubby" Matthews, center field; and Walter Willingham, right field.

## Anderson Picks Aggies to Win Cinder Meet Sat.

The unbelievable has happened. There has finally been found a coach who predicts that his team will win. Yes, the Texas Aggie track coach, Col. Frank Anderson, has gone on the books as saying that his team will win the triangular meet with Rice and Baylor here Saturday afternoon.

Although both Rice and Baylor are studded with stars in certain events, he believes that his well-rounded Aggie team will capture enough places to offset the losses to those stars.

On the sidelines because of injuries of one type or another are three of the Aggie quarter-milers, but strange as it may seem, the Aggie mentor still thinks he can take points in the events that they would normally run in. Most coaches would say that this alone would lose the meet for them, but Col. Anderson says that it will hurt the score, but will not lose the meet.

The track meet gets under way at 2 o'clock Saturday afternoon.

us farther down in the order of finishing," he says.

Hopes for first places for the Aggies will be centered around Jack Riley, letterman freestyler from Wills Point; Allen Self, captain of the 1945 and 1946 teams, and the four man relay team of Stephens, Settegast, Riley and Self, which so far has won this event in every dual meet. Jimmy Boyle, former flight officer, is set to nose out all comers in the breaststroke, including Texas' Bobby Hill, who has been his personal nemesis all season.
