

Boxing Champs Slug It Out at Free "Fite Nite"

Intramural Winners Will Be Picked in Fourteen Matches at DeWare Tonite

Fourteen championship boxing matches will be run off this evening at DeWare Fieldhouse as Intramural Director Carlton "Spike" White presents an "Aggie Fite Nite" as the finale to this semester's ring competition. Starting time is 7:30, admission is free, and the public is invited.

A feature of the evening will be the presentation of championship medals to athletic officers and members of the winning team in each intramural sport conducted last semester. The awards will be made by W. L. Penberthy, head of the Physical Education Department, between the Class A and Class B bouts.

Seven matches are scheduled for the Class A upperclassman finals and the same number for the Class B freshman bouts. Judges will be Carl Tishler, Herman Segrest, and Roy Bucek, while "Waltzing" Wally Beck will act as "Chief Glove Putter On and Expediter," according to White.

Entrants in the boxing finals with their pairings and weight classes are as follows:

Class A

129 lbs.: Riddle (A Cav.) vs. Lomax (B Cav.); 139 lbs.: Adair (B Cav.) vs. Herrera (G Inf.); 149 lbs.: Morris (B Cav.) vs. Golden (A Inf.); 159 lbs.: Dixon (Band) vs. Gilbert (C Inf.); 169 lbs.: Elrod (A F.A.) vs. Zeitman (C F.A.); 179 lbs.: Mueller (C F.A.) vs. Branson (B F.A.); heavyweight: Smith (D Inf.) vs. White (C F.A.).

Class B

129 lbs.: Maloney (B Inf.) vs. Gonzales (C Cav.); 139 lbs.: Lowry (B Cav.) vs. Overbeck (B F.A.); 149 lbs.: Fowler (D Inf.) vs. Libby (B Cav.); 159 lbs.: Shelton (C Inf.) vs. Barker (C F.A.); 169 lbs.: Lawson (D F.A.) vs. Miller (F Inf.); 179 lbs.: Scott (C Cav.) vs. Calhoun (B Inf.); heavyweight: Bell (A Inf.) vs. Holmes (H Inf.).

Last of Rotary Forums Will Be Held Wednesday

The last of four forums sponsored by the Bryan Rotary Club as a public service will be held at 8:00 p.m. March 27 in the auditorium of the Stephen F. Austin high school. Tickets may be purchased at the door or from any local Boy or Girl Scout.

Geoffrey F. Morgan, writer, educator and lecturer of Santa Monica, Calif., will be the principal speaker. His subject will be "The Constructive Use of Air Transport." Mr. Morgan will also talk on the same subject that afternoon to a joint meeting of high school students of College Station and Bryan in the Stephen F. Austin auditorium.

The first forum was presented Feb. 27, the second March 13, and the third March 20. "Steps Toward World Stability" is the general theme for the 1946 forums.

These forums are being presented for the fourth straight year by the Bryan Rotary Club. The club is paying all expenses incident to these lectures, but is allowing the Scout organizations to handle ticket sales and keep equally all funds derived from ticket and door admission sales.

No More Pictures For '46 Longhorn

The LONGHORN will not accept any more pictures for this year's book. All material for the current copy of the LONGHORN has been sent to the printer.

However, all students are reminded that they should continue to turn in snapshots to the LONGHORN for next year's edition. If the students will cooperate with next year's staff now by turning in their pictures, the next yearbook can be started very soon. Pictures of baseball, swimming, golf, and student life are most desired.

BATTALION

"Cush" Is Scarcer At Mess Halls As Sugar Ration Cut

Aggies will have to put a dull edge on their sweet tooth from now on as the result of a cut in sugar rations allowed the College Subsistence Department.

The mess hall's sugar quota has been cut from military rations to civilian rations for the ration period beginning March 1, it was announced by J. G. Peniston, head of the Subsistence Department, with a consequent decrease of almost three-fourths of the supply allowed in the past. To quote the statistics, the Department was allowed 25,322 pounds of sugar for the two-months period of January and February, while in March and April it will be permitted to buy only 7,220 pounds. The allowance per meal under military quota is .066 pounds per man, while the civilian quota is .022 pounds.

The drastic cut has resulted in the rationing of cereal sugar to the Aggies in cellophane bags and pre-sweetening of coffee, tea, and other beverages. Peniston stated that it will also be necessary to cut down on dessert servings. Sirups and jellies will be substituted for sugar whenever possible.

County Officials Complete Course

Texas county officials turned homeward Friday upon completion of a short but successful second annual conference at Texas A. & M. College.

During their three-day sojourn on the campus, members of the County Judges and Commissioners Association of Texas heard discussions of soils, road-building, tax problems public lands, witnessed a demonstration of low-cost paving, and inspected college facilities.

Staff members of the college civil engineering department and Agricultural Extension Service and the state highway department conducted the lectures.

EXT. SERVICE TO GIVE WATER-SEWAGE COURSES IN SIX TEXAS CITIES

A series of courses for water and sewage plant operators in northwest Texas has been scheduled by the A. & M. College Industrial Extension Service, it was announced by E. L. Williams, director.

Itinerant instructor W. E. Cuzick will be in Odessa from March 25 to April 12; Muleshoe April 22 to May 10; Pampa, May 20 to June 7; Big Springs, June 17 to July 5; Brownwood, July 15 to August 2; and Amarillo, September 2 to 20.

Evening classes for operators will be held in the cities named, and during the day Cuzick plans for on-the-job conferences with workers about industrial and technical problems.

Aggies Romp in With Wins in Track Meet and Baseball; Swim Team Loses SWC Crown

Track Coach Frank Anderson's prophecy came true here Saturday as his Texas Aggies won the triangular meet over Rice and Baylor with ease, scoring 105½ points to 42½ for Rice and 22 for Baylor.

The Aggies swept both the shot put and two-mile events for 11 points each and counted 10 in the broad jump and nine in the 440-yard dash, although three of their best quarter-milers were out from illness.

Johnny Ziegler, Texas A. & M., and Augie Erfurth, Rice, tied for top scoring honors with 10 points each. Ziegler took the mile and two-mile events while Erfurth won both hurdles.

Surprise winner was Haws of

Fleet Admiral Osani Nagano, mastermind of the Pearl Harbor attack, and seven other Japanese wartime leaders tell why Japan lost the war in "Report from Tokyo—1946." This film and featured combat films will be shown Tuesday, at Guion Hall, by the Navy Travelling Motion Picture Exhibit.

Pre-Med Training At A&M Superior

Proof that Texas A. & M. College offers a substantial pre-medical training curriculum was shown in the last graduation exercises from the university of Texas Medical School at Galveston. Seven Aggies, all in the upper fifty percent of the class were given their M.D. degrees. They were Dr. Ray Couch, Dr. Sol Forman, Dr. Fred Kolle, Dr. Lloyd Darwin, Dr. Hugo Elmendorf, Jr., Dr. John R. Rainey, Jr., and Dr. George Williford, Jr.

Dr. Darwin was also made a member of Alpha Kappa Kappa, honorary scholastic medical fraternity in which the grades for all four years are taken into consideration. Dr. George E. Potter, pre-med advisor here stated "This proves that this college has a better than average pre-med curriculum in competition. Not one man that the pre-med committee has recommended has failed to uphold the high scholastic standards that a medical school demands."

Community Spanish Class Changes Class rooms

A change of classrooms has been announced for the Community Spanish Class conducted by J. J. Woolket.

Effective Thursday, March 28 the classes will be held in the auditorium of the Agricultural Engineering building instead of the Chemistry Lecture room. Meeting time is 7:30 p.m.

Holleman Elected Sophomore Prexy

Asa Holleman, chemical engineering major from Dallas, was elected president of the Sophomore Class at Texas A. & M. at a class meeting held last week. Other officers named were Elmo Livingston, electrical engineering major from Kilgore, as vice president and J. Leatherwood, chemical engineering major from Beaumont, as secretary-treasurer.

It was stated that plans have been completed for the Sophomore Ball which has been scheduled for April 26.

A&M Consolidated To Elect Trustees

Two trustees for A. & M. Consolidated School will be elected on April 6 to replace Dr. Luther G. Jones, who will not run for reelection as trustee-at-large, and Maj. J. E. Breland, trustee for College Hills who is now ineligible due to a change of residence from College Hills to South Park.

Candidates must have petitions signed by five qualified voters to get a place on the ballot. These must be in the office of Supt. W. D. Bunting by March 29.

Several petitions are now circulating in College Station, but so far none has been turned in.

Fellowships for Research Awarded By Westinghouse

Announcement of the re-establishment of research fellowships in nuclear physics, chemical physics applied mechanics, and like fields has been announced by the Westinghouse Electric Corporation. Aim of the fellowship, according to Westinghouse, is "to make a worth-while contribution to the development of fundamental science on which industry is based, and to enable more able scientists to become acquainted with the electrical industry."

Winners of the fellowships will be selected in May on the basis of pure research in projects of the candidates' own choosing. American citizens under 35 years of age, with scientific training equivalent to that of a Doctor's degree, are eligible. Appointments will be made for one year at a salary of \$3,300, and Fellows will be eligible for reappointment.

Those chosen will devote their entire time and energies to research projects at the Westinghouse laboratories' while liberal time will be allowed for attendance at scientific meetings and visiting other laboratories.

Those persons who desire further information will find additional literature on the Fellowships at The Battalion office.

Polgar to Attempt Conversion of Town Hall Skeptics

Hungarian Hynotic Says He Will Put Audience to Sleep—On Purpose

75,000 persons hypnotized in one lifetime is quite a record for any man. But Polgar, internationally known psychic who will appear on Texas A. & M.'s Town Hall tonight at 8:00, is still looking them in the eye and going strong.

Polgar has put his powers to the test before some aggressively unbelieving skeptics, and sent them away converts. In one city they hid an object under the upper plate in a man's mouth. In Chicago he found an object concealed miles away, proceeding to the spot in a cab and giving the driver directions although no one ever told Polgar orally where to go.

A group of editors and reporters in New York got together in a newspaper library, locked Polgar outside, looked over the shelves of hundreds of volumes and decided they would have the "radio mind" come in and take a copy of Who's Who from its resting place and open it to a biography of Alfred E. Smith. He did it.

Polgar has a lot of fun on his travels, meets and becomes friendly with a lot of people. Friendship is a hobby of his. "I'm just a normal human being," he says. "I forget my wife's birthday and our wedding anniversary. Just like you."

Town Hall season tickets will be honored at tonight's performance, while reserved seats and general admission ducats will be on sale at the bookoffice.

YMCA Will Solicit Funds to Rebuild in War-Stricken Areas

A campaign to raise \$8,657,932 toward financing a world-girdling program to rebuild and re-equip Y. M. C. A.'s in war ravaged countries will be launched this year by the Y. M. C. A.'s of the United States, M. L. Cashion, general secretary of the "Y" said today.

The Texas A. & M. College Y. M. C. A., he stated, would participate in the drive, which will affect Y. M. C. A.'s in Europe and virtually all sections of the Far East.

The "go ahead" signal for the drive was given by the National Council of the Y. M. C. A., the organization's legislative body, at its 20th annual meeting at Atlantic City, Mr. Cashion said. The campaign will be known as the Y. M. C. A.'s World Youth Fund.

Mr. Cashion pointed out that many 'Y' secretaries in war countries endured imprisonment in concentration camps, suffered confiscation of property, and in most cases a complete loss of personal belongings and sources of income.

The funds applied to this phase of the restoration program will also be used in part to bring together the widely scattered families of the secretaries and to supply them with the necessities of life. Among the countries in which this aid will be carried on are Holland, Poland, Czechoslovakia, Germany, France, Greece, the Philippines, Korea, China, Japan and Siam.

BARGER LECTURES TO USDA EMPLOYEES

J. Wheeler Barger, head of the Department of Agricultural Economics at the A. & M. College of Texas is giving a lecture course at Dallas this semester for a group of employees of the United States Department of Agriculture in that area.

The class is composed of 25 members, most of whom are employed by the Farm Security Administration. Several have recently returned from military service and desire information concerning wartime changes affecting agriculture. Meetings are held every other Saturday morning. The series of lectures will cover the major current policies and problems affecting agriculture.

This is the third course that the Department of Agricultural Economics has offered for similar groups at Dallas. Prior to the war courses were given in marketing and in land economics.

second, Hargis, Texas A. & M. Time: 2:05.9.
JAVELIN—Won by Feagan, Texas A. & M., 169 feet, 6 inches; second, Goode, Texas A. & M., 168 feet, 11 inches.
HIGH JUMP—Haws, Texas A. & M., 6 feet, 4 3/4 inches; second, Coffman, Rice, 6 feet, 3 3/4 inches.
440-YARD RELAY—Won by Texas A. & M. (Goode, Cole, Wutrich, Jay). Time: 43.5.
TWO-MILE RUN—Won by Ziegler, Texas A. & M.; second, Jones, Texas A. & M. Time: 10:38.0.
220-YARD LOW HURDLES—Won by Erfurth, Rice; second, Haws, Texas A. & M. Time: 24.2.
DISCUS THROW—Won by Dickey, Texas A. & M., 127 feet, 1 3/4 inches; second, Cochran, Rice, 114 feet, 6 inches.
MILE RELAY—Won by Texas A. & M. (Andrew, Fischer, Williamson, Napier); second, Baylor. Time: 3:32.2.
BROAD JUMP—Won by Hill, Texas A. & M., 22 feet, 5 inches; second, Jay, Texas A. & M., 22 feet, 3 1/4 inch.
Final score: Texas A. & M. 105 1-2; Rice 42 1-2; Baylor 22.
