OFFICE OF DEAN OF MEN
Memorandum No. 37 April 16, 1946
Subject: Payment of Monthly Rentals and Subsistence.
To: All Students

1. A few students have been delinquent each month in paying their rentals. This causes a great deal of difficulty to the Fiscal Office, which is required to make monthly reports to the RFC and FPAA.
 2. Rentals are due on all spaces occupied by married couples on the last of each month. All other student rentals are due on a period basis, usually about the 6th of the month.
 3. Will you please help us by making payments as they are due.

Man, Your Manners

By I. Sherwood

"What do you do if the girl you are with speaks to someone whom you don't know?"

Ans: A man may not ignore the person to whom his companion speaks, even though he may never have seen the individual before. The same rule holds true if he is walking with another man.

"In formal introductions, which of these forms is correct for introducing a college professor, Mister, Doctor, or Professor?"

Ans: At A. & M. a person who is both a "Doctor" or "Professor" is addressed by either title unless you know he prefers not to be addressed by title. A professor, associate professor or assistant

professor may be addressed as "Professor". An instructor is addressed as "Mister" unless he holds the degree of "Doctor", in that case he should be addressed by that title. Some colleges pride themselves on using no titles.

"How can I best cover up my embarrassment in introducing someone whose name I've forgotten but should know?"

Ans: If that person does not recognize your embarrassment and supply his name, there is nothing to do but say, "I'm sorry, but I can't remember your name" whereupon the other person should give his name.

dents, veterans included, be permitted to attend and participate in all functions of their respective classes. It was further decided that classes would be determined in the Cadet Corps according to the number of completed semesters, while among veterans, their academic classification would be used as a standard.

6. In order to answer many questions about whether or not the

entire Senior Class should be invited to underclassmen social events, it was unanimously voted that each class be permitted to invite any guest or any group of guests as they saw fit.

The members of the Corps Council present were Driscoll Henkhaus, acting in Eli Barker's absence, Melvin Pruitt, acting in Bob King's absence, Leonard Williams, Hilton Hall, Joe McGowan, Glenn Bell, Asa Holleman and Chester Bell. Chester Reed, the ninth member of the Corps Council was absent.
